Kathleen Mansfield  
Beauchamp Murry was a prominent modernist writer of short fiction who was born and brought up in colonial New Zealand and wrote under the pen name of Katherine Mansfield. Mansfield

lines during the First World War in an effort to meet her lover, the "Little Corporal." Written in a modernist style that combines and explores several narratives and perspectives, "An Indiscreet Journey" is an engaging portrayal of life and relationships during wartime. It is one of the only stories written by Katherine Mansfield that was set during the war, and was purportedly based on a similar experience of Mansfield's while travelling to meet her French lover on the frontlines.

**The Untold Stories of a New Zealand Icon** Melville House

This book assesses the reason why Katherine Mansfield's reputation in France has always been greater than in England. It examines the ways in which the French reception of Mansfield has idealised her persona to the extent of crafting a hagiography. Mansfield is placed within the general literary context of her era, exploring

French literary tendencies at the time and juxtaposing them with the main literary trends in England. The author determines the motives behind the French critics' desire to put Mansfield on a pedestal, discusses how the three years she spent on French soil influenced her writing and whether the translations of her work collude in the myth surrounding her personality. This book is the first sustained attempt to establish interconnections between her own French influences (literary and otherwise) and the myth-making of the French critics and translators. The book also follows the critical appraisal of Mansfield's life and work in France from her death up to the

present day, by closely analysing the differing French critical responses. The author reveals how these various strands combine to create a legend which has little basis in fact, thereby demonstrating how reception and translation determine the importance of an author's reputation in the literary world.

In this volume you will find the following stories: "The Tiredness of Rosabel," "At Lehmann's," "Frau Brechenmacher Attends a Wedding," "The Swing of the Pendulum," "The Woman at the Store," "How Pearl Button Was Kidnapped," "Ole Underwood," "Millie," "Bains Turcs'," "The Little Governess," "An

It's true that they needed a larger house. And he doesn't really begrudge her the servants. But the extraordinary thing is that he'd never guessed she was so unhappy.

Katherine Mansfield and Her Confessional Stories Penguin UK Innovative, startlingly perceptive and aglow with colour, these fifteen stories were written towards the end of Katherine Mansfield's tragically short life. Many are set in the author's native New Zealand, others in England and the French Riviera. All are revelations of the unspoken, half-understood emotions that make up everyday experience - from the blackly comic 'The Daughters of the Late Colonel', and the short, sharp sketch 'Miss Brill', in which a lonely woman's precarious sense of self is brutally destroyed, to the vivid impressionistic evocation of family life in 'At the Bay'. 'All that I write,' Mansfield said,

'all that I am - is on the borders of the sea. It is a kind of playing.'

*A Centenary Volume of Essays* Travelman Pub

Examines Katherine Mansfield's engagement with the First World War and its impact on her writings. This special issue of *Katherine Mansfield Studies* is in remembrance of the centenary of one of the most significant events of the modernist period. Like the reclamation of women's war writings that we have already seen in relation to Virginia Woolf and

others, Mansfield's literary response to the key political event of her time is fundamental to our understanding of her developing writerly style. It is in her responses to the war that we find a 'political Mansfield', and the articles in this volume provide us with a greater appreciation of Mansfield in her socio-historical context. In offering new readings of Mansfield's explicit and implicit war stories, the contributions to this volume refine and extend our knowledge of particular stories and their genealogy. They illuminate the specific and more general influences of the war on Mansfield's evolving technique and, jointly, they reveal the importance

of the war on her literary language, as well as for her own particular brand of modernism. This volume helps develop our ideas of what constitute war writings and, in so doing, expands the scope of Mansfield scholarship and the field of First World War studies.

**The Fly** Popular Press  
In line with the recent surge of critical interest in early psychology, the contributors read Mansfield's work alongside figures like William James and Henri Bergson, opening up new perspectives on affect in her work. While these essays trace strands within the intellectual milieu in which Mansfield came of age, others explore the intricate interplay between

Mansfield's fiction and Freudian theory, seeing her work as emblematic of the uncanny doubling of modernist literature and psychoanalysis. Behind the Scenes

### **The Garden Party and Other Stories**

Harper Collins Although Katherine Mansfield was closely associated with D.H. Lawrence and something of a rival of Virginia Woolf, her stories suggest someone writing in a different era and in a vastly different English. Her language is as transparent as clean glass, yet hovers on the edge of poetry. Her characters are passionate men and women swaddled in English reserve -- and sometimes briefly breaking through. And her genius is to pinpoint those unacknowledged and almost imperceptible

moments in which those people's relationships -- with one another and themselves -- change forever. This collection includes such masterpieces as "Prelude," "At the Bay" "Bliss," "The Man Without a Temperament" and "The Garden Party" and has a new introduction by Jeffrey Meyers.

otherwise be reluctant to read her stories. Includes seventeen short stories, including 'The Daughters of the Lizard Colonel, 'Mrs Brill', and 'Her First Bite'.
