Dreamwalker Litres

She walks in the darkness—it is all she has ever known. Arrow walks with death. It is bitter and black, and covers every step she

takes. Trained from the crib to be nothing more than a death-bringer she knows she was born without a soul. The darkness is where she's comfortable and she carries the weight of her duty notched on bow—ready to fly straight and true in to her enemy's hearts. He has known love and loss—and then he finds her in the darkness. Adam knows his calling. Protect and serve. As a member of Trident Corporation he has found the perfect place to meet his obligations. Then he sees a woman with eyes of amber and he is taken under by her darkness. He touches her heart and knows he has no choice—share his light with a killer or lose his soul to her. Darkness and light. Two sides of one coin. Retribution draws them together but before all is said and done they will learn love can either break you or make you stronger.

The mythical narrative of transmigration tells the story of myriad wandering souls, each migrating from body to body along a path of recurrence amid the becoming of the All. In this highly original study, James Luchte explores the ways in which the concept of transmigration is a central motif in Pythagoras' philosophy, representing its fundamental meaning. Luchte argues that the many strands of the tale of transmigration come together in the Pythagorean philosophical movement, revealing a unity in which, for Pythagoreans, existence and eschatology are separated only by forgetfulness. Such an interpretation that seeks to retrieve the unity of Pythagorean thought goes against the grain of a long-standing tradition of interpretation that projects upon Pythagoras the segregation of 'mysticism' and 'science'. Luchte lays out an alternative interpretation of Pythagorean philosophy as magical in the sense that it orchestrates a holistic harmonization of *theoria* and *praxis* and through this reading discloses the radical character of Pythagorean philosophy.

The method of operation (MO), of this killer is complex and gruesome. All of his victims are women between the ages of twenty and thirty and they are all attractive brunettes, either artists or patrons of the arts in and around the Washington, D.C. area, and their bodies are found in secluded areas in the counties surrounding Washington, D.C. In all the cases, the women are abducted and taken somewhere to be raped and tortured, later taken to the place of execution where, in a satanic ritual, they are sodomized and then crucified upside-down, and then killed by an arrow through the heart. The killings had begun thirteen years ago and then suddenly stopped with the fourth victim. After an apparent long cooling-off period of eleven years, the killings begin again two years ago and the F.B.I. task force was augmented. Special Agent Adrian DeWinter, sixty-two, and the most experienced and successful agent in the field is appointed Lead-Investigator, and special agent Vivian Dubary, twenty-nine, is made Co-Investigator. A new murder, with the victim discovered in Rock Creek Park, in Washington, D.C., yields only moderate leads. The psychotic killer is meticulous, but is partially identified by a family of hikers. Vivian goes undercover as an artist at the popular Torpedo Factory Art Center in Alexandria hoping to attract the murderer, while Adrian, with a close-nit team, investigates the Satanic Church, leading to an apparent dead end. The (UNSUB) unknown subject, is cornered in two

shoot-outs with police and, on both occasions he kills them all with a powerful hunting rifle, no witnesses, but the task force is slowly closing in. In the meantime, Adrian is contacted by the Society for Paranormal Analysis and is informed that a four-year old girl, Becky Williams, may be a genuine case of past-life memories, a reincarnation of Cameron Summers, the fourth victim thirteen years ago. As Adrian explores this direction on his own, Becky reveals vital information leading to the identification of the murderer. Combined with Vivian's undercover operations, the investigators successfully identify the killer. But without solid evidence they have to resort to a dangerous trap which leads to an exciting violent end. Filled with horrible serial murders; police shoot-outs, factually based F.B.I. investigation methods, a delving into the world of art, Satanism, and a case of genuine reincarnation, *Satan's Arrow* is a paranormal thriller with unique twists and turns, entry into the dark dimensions of a psychotic mind, and an interesting surprise ending.

**A Novel** Рипол Классик

Darling Arrow, I shouldn’t be writing this. It’s not as if I’m ever going to send you this letter, and there are a million reasons why. First of all, I was sent to this reform school as a punishment for a petty, totally inconsequential crime. Not to ogle the principal’s hot son around the campus. Second of all, you’re a giant jerk. You’re arrogant and moody and so cold. Sometimes I think I

shouldn't even like you. But strangely your coldness sets me on fire. The way your athletic body moves on the soccer field, and the way your powerful thighs sprawl across that motorcycle of yours, make me go inappropriately breathless. But that's not the worst part. The worst part is that you, Arrow Carlisle, are not only the principal's hot son. You also happen to be the love of my sister's life. And I really shouldn't be thinking about my sister's boyfriend, or rather fiancé (I overheard a conversation about the ring that I shouldn't have). Now if I can only stop writing you these meaningless letters that I'll never send and you'll never read... Never yours, Salem

NOTE: This is a STANDALONE novel set in the world of St. Mary's

KEYWORDS: Sports romance, forbidden romance, sister's ex boyfriend romance, bad boy romance, alpha male romance, enemies to lovers romance, college romance, secret love letters, bully romance, angsty romance, opposites attract romance, high school romance.

For five years, I have let my haunted past keep me in the shadows of the city, but that ends today. Today, I am leaving and striking out on my own to build a new life for myself in the peace of the mountains. I am going it alone until I discover that Arrow, my brother's friend, has followed me. Arrow knows of my past, and he has never stepped over the boundaries I have set with men, so I let him join me. Yet, the nightmares from my past never go away. They continuously feed my fears of getting close to any

man, including Arrow. On our journey, we stumble across the path of the Dream Walker. With his whispers, I give in to his charms, hoping they will heal me. Night after night, he visits, taking my nightmares away, and I find myself falling in love with him. But he isn't real. Arrow, however, is real. He has always stood by me, and although he pushes me at times, no man has ever made me feel so safe. I want to give in to love and a future I never saw for myself. To do so, I will have to face my past once

and for all. Warning: This book deals with the challenges a woman may face after an attack by rape. There is a brief reflection of the act that is shown in a dream state. This story was written in the perspective of overcoming emotional fears, self-doubt, and having the support of loved ones to help see you through. The state of mind the young woman experiences, is built around a menage relationship in a part of reality and fantasy.
