Not to be ignored is the warning in Matthew 6:34 that says each has sufficient evils thereof. This book is about the exigencies to bath each weekday in prayer in order to download the day's blessings, pursue destiny, and avoid wickedness. We shall look at names connotations of weekdays and will appreciate better the

need for the timeless Christian disciple of Prayer in overcoming adversities and the adversary.

**The Chaos of Stars** Faber & Faber  
We live in a toxic world. Environmental pollution and disease-causing germs assault us continually day after day. Our food is nutrient deficient and our water supply dangerously contaminated. People today are exposed to chemicals in far greater concentrations than were previous generations. Thousands of tons of man-made chemicals and industrial pollutants are poured into our environment and our

food supply daily. With such a massive attack on our health we should all be sick from toxic overload. And we are! In no other time in the history of the world has degenerative disease been as prominent as it is today. Diseases that were rare or unheard of a century ago are now raging upon us like a plague. Millions are dying from diseases that were virtually unknown in the past. Experts tell us that by the time we reach middle age, each one of us will have already been affected by either cancer, cardiovascular disease, or some other serious degenerative condition.

Conventional medicine has no sure cure. Drugs, surgery, and radiation treatments can be as dangerous and debilitating as the diseases they attempt to cure. Nature, however, has provided us with the solution. Our bodies are amazingly resilient. If the disease-causing toxins are removed, the body will heal itself. This book outlines the steps you need to take to thoroughly detoxify and cleanse your body from these disease-causing agents. You will also learn how to reduce your toxic exposure and how to strengthen your immune system. Through detoxification you will free yourself from the chains of pain, reverse degenerative conditions, gain more energy, feel and look younger, improve your memory, and be happier. Virtually all the diseases of modern society, including many infectious illnesses, can be avoided or even cured by sensible systematic detoxification. Although we live in a toxic world we can take control of our health. This book will show you how. "The Detox Book is highly recommended for health reference collections." —The Midwest Book Review "A comprehensive handbook of detoxification therapies... Chapters give

extensive background information on each subject, reports of research, and precise, detailed instructions for self-administration...An encyclopedic look at how we can care for and cleanse our amazingly resilient bodies." —Booklist American Library Association "The Detox Book is an excellent primer on cleansing the body. It provides everything you need to know about detoxification, why you must detoxify, and how to get the best results. I highly recommend this down-to-earth and approachable book as the first step along your journey to health." —Michelle Cook, Health 'N Vitality *Me Without You* Houghton Mifflin Harcourt 'A heart-clangingly powerful stunner of a novel' - Isabelle Broom. Perfect for fans of Jojo Moyes, Lucy Dillon and Amanda Prowse. Can you ever outrun the past? It's Zoe's wedding day. She's about to marry Jamie, the love of her life. Then a phone call comes out of the blue, with the news that her mum Gina has been arrested. Zoe must make an impossible decision: should she leave her own wedding to help? Zoe hasn't seen Gina for years, blaming her for the secret that she's been running from ever since she was sixteen. Now, Gina is

back in her life, but she's very different to the mum Zoe remembers. Slowly but surely, Gina is losing her memory. As she struggles to cope with Gina's illness, can Zoe face up to the terrible events of years ago and find her way back to the people she loves? *A Life Without You* is a stirring and poignant novel about the power of the past - and the possibilities of the future. \*What readers are saying about *A Life Without You*:\* 'A story that will evoke every emotion that lurks within your heart and pull each string firmly. *If He Had Been with Me Forever*

If he had been with me everything would  
 have been different... I wasn't with Finn on  
 that August night. But I should've been. It  
 was raining, of course. And he and Sylvie  
 were arguing as he drove down the slick  
 road. No one ever says what they were  
 arguing about. Other people think it's not  
 important. They do not know there is  
 another story. The story that lurks  
 between the facts. What they do not  
 know—the cause of the argument—is  
 crucial. So let me tell you...

A Rebellion against Apathy. A Strategy for Action. "Life is full of good intentions, but for too many, our good intentions never become good actions—they don't move us forward, draw us closer to God, or make a difference in the world. Good intentions are cans of paint that could have become amazing works of art...but never did."

—Daniel Day, in Ten Days Without Daniel Day could tell you all about his love for God and his desire to live as a follower of Jesus. But it took a simple but radical experiment to move from simply talking about it to actually living like it. For ten days at a time, Daniel chose to abandon a certain "necessity"—a coat, a voice, shoes, media, furniture, legs, touch—and to blog about it to raise funds and

awareness for organizations that are doing amazing things to make a difference in the world. And then he invited others to join him in the experiments and spread the vision. Together they served God and others—and experienced significant personal change in the process. Ten Days Without is the story of their life-altering adventure. Ten Days Without is a compelling story and practical guide that will equip you and your friends to break through walls of convenience and indifference, and join a movement that is confronting apathy and ignorance around the world to make an impact on people's lives in a God-honoring way. Ten Days Without is where our good intentions end and making a difference in the world begins.
