From newlyweds Katie and Dan living in the shadow of the shunning, to Rachel and Philip embracing parenthood even as he acclimates to Amish life as an outsider... From the courtship of Lydia Cottrell and her betrothed, Levi King, to Sarah Cain, now a wife and mother struggling to bridge her own life with that of the People... October Song is overflowing with the simpler things of

life that make a Lewis novel an unforgettable journey into the depths of the human heart.

"Annie's Song" is the true story of the unusual friendship between two ten

year-olds, set in the 1950's. Emma is funny and smart and lives with her Italian family, across the way from Annie, who is mentally challenged. Emma's home is full of music and great cooking while Annie's home is somber and quiet. Together, however, they learn just what makes the other 'tick' and prove along the way, that love does, indeed, conquer all. This story is a glorious tribute to special needs children everywhere and everyone who would befriend them. For forty years Betsy Corona wanted to write the story of Emma and Annie. She finally got her chance in 2006. After working for several years in her parish elementary school's library, she came to realize the audience for such a story and began to write. "Annie's Song" was written as a legacy

for the real life "Annie." Betsy is married and lives in Michigan where she and her husband, Rick, enjoy their many children and grandchildren.

*Serendipity* Omnibus Press

Hard-hitting true account of a journey, adaptation, resilience and recovery. 'Annie's Song' tells a personal story, family story and story of a place and time. 'Annie's Song' is about, motherhood, childhood, trust, betrayal, struggles, within ourselves and beyond ourselves in times of 'war and peace'. It's about mistakes made and how we go on. The author takes the reader into the world of Annie, shares challenges to help Annie in the final weeks of her life, set against a back drop of health and social care cuts, a culture that has not yet adapted, nor let go of past hurts. Like

Alan Johnson's 'The Long and Winding Road' and Val Woods 'Stevens War', the resilience of Hull is central, reminding us why Hull deserved its time in the spotlight as the 'City of Culture 2017'. Capturing universal emotions, 'Annie's Song' takes the reader on a journey of their own.

**Weekly World News** Twenty-Third Publications

Joe came out of prison a changed man. There would be no more drugs and no more crime. He had lived precariously all his adult life, but he hoped to leave all that behind. He was starting over. Joe found his way to his grandfather's house in a small town. He faced his challenges head on, but there was one memory he couldn't shake. Coming out of prison, Joe discovered that he had a two-year-old

son. Little Stevie was thriving with parents who loved him, and Joe wouldn't interfere. Long ago, he'd decided to never have kids. No sweet little kid deserved a dad like him. Joe went to church and joined a men's Bible study. Many of the people he met there reminded him about-but more importantly, showed him-God's love and grace. Compelled by this truth, Joe gave his life to Christ, and God began to use him. But then tragedy struck. After picking up the newspaper at the coffee shop, Joe shouted out in anguish at what he had read. His mind was numb. His heart was broken. What could he do? Joe didn't understand, but soon he would stand amazed as he watched God's plan unfold.

Being a rock star was all Jimmy ever wanted, but it was supposed to happen when he was seventeen, not in his thirties. Now it's happening and Jimmy doesn't know what to do - it's wrecking his head.

Poems and Songs Word Alive Press  
The most powerful way to alleviate hopelessness is to bring meaning and purpose to suffering. Cameron of Today demonstrates the power of mentorship, gratitude and the unfathomable omnipotence of unconditional love. Jody Kemple's Freedom series features the lives of children walking in the rut of life with no hopes, dreams or passion and poignantly interweaves lessons of loyalty, humility, trust, integrity, and faith into the fabric of rigorous, coming-of-age adventures. Through mentorship,

thankfulness, and love, each child transforms into a visionary trailblazer, giving back to their community in big ways. Cameron of Today tells the story of Cameron, an Italian-American boy living in the Bronx of New York City who travels west with his Uncle Ed to Oregon for a summer of fly fishing and whitewater rafting. Cameron's summertime adventures and new challenges help him to develop the character and resilience he needs to become an intentional and effective servant leader.

Ali Baba is back as a fourth grader, still having adventures that only he could have. Who but Ali Baba could find the "real" Santa Claus? Or who could make such an incredible mess simply by staying at home alone for the first time?

**Annie Song Kit 28** Mercier Press Ltd  
Rock music has been the principal outlet of youth rebellion for more than half a century, and though rock rebels have been idolized and profiled extensively, their humor has not been at the center of attention. In *Rebels Wit Attitude*, music writer Iain Ellis throws a spotlight

on the history of humor in rock music, and its use as a weapon of anti-establishment rebellion. The performers who are the subjects of Ellis' study are not merely musicians or comedians—they are artists whose works exude defiance and resistance. Discussing the work of iconic figures as diverse as Chuck Berry, Bob Dylan, Lou Reed, the Beastie Boys, and Madonna, Ellis reveals how issues of politics, ethics, race, and gender, among others, have energized their expressions of rock (and) humor. *Rebels Wit Attitude* is an entertaining look at some of the greatest rebels in American rock culture and a fascinating history of humor and dissent.

**October Song** Routledge

Ever since she was a small child, Helma Swan, the daughter of a Northwest Coast

chief, loved and learned the music of her people. As an adult she began to sing, even though traditionally Makah singers had been men. How did such a situation develop? In her own words, Helma Swan tells the unusual story of her life, her music, and how she became a singer. An excellent storyteller, she speaks of both musical and non-musical activities and events. In addition to discussing song ownership and other Makah musical concepts, she describes songs, dances, and potlatch ceremonies; proper care of masks and costumes; and changing views of Native music education. More generally, she speaks of cultural changes that have had profound effects on contemporary Makah life. Drawing on more than twenty years of research and oral history interviews, Linda J. Goodman

in *Singing the Songs of My Ancestors* presents a somewhat different point of view—that of the anthropologist/ethnomusicologist interested in Makah culture and history as well as the changing musical and ceremonial roles of Makah men and women. Her information provides a context for Helma Swan's stories and songs. Taken together, the two perspectives allow the reader to embark on a vivid and absorbing journey through Makah life, music, and ceremony spanning most of the twentieth century. Studies of American Indian women musicians are rare; this is the first to focus on a Northwest Coast woman who is an outstanding singer and storyteller as well as a conservator of her tribe's cultural traditions.

**Off-Broadway Musicals since 1919**

Soho Press

Although the venue Off Broadway has long been the birthplace of innovative and popular musicals, there have been few studies of these influential works. Long-running champs, such as *The Fantasticks* and *Little Shop of Horrors*, are discussed in many books about American musicals, but what of the hundreds of other Off-Broadway musicals? In *Off-Broadway Musicals since 1919*, Thomas Hischak looks at more than 375 musicals, which are described, discussed, and analyzed, with particular attention given to their books, scores, performers, and creators. Presented chronologically and divided into chapters for each decade, beginning with the landmark musical *Greenwich*

*Village Follies* (1919), the book culminates with the satiric *The Toxic Avenger* (2009). In this volume, any work of consequence is covered, especially if it was popular or influential, but also dozens of more obscure musicals are included to illustrate the depth and breadth of Off Broadway. Works that introduced an important artistic talent, from performers to songwriters, are looked at, and the selection represents the various trends and themes that made Off Broadway significant. In addition to essential data about each musical, the plot and score are described, the success (or lack of) is chronicled, and an opinionated commentary discusses the work's merits and influences on the musical theatre in general. The first book of its kind, this

highly readable volume will please both the theatre scholar and the average musical theatre patron or fan.

Story of Annie Miner Peterson, who was born in an Indian village on a tidal slough along the southern Oregon Coast in 1860.

**The Song Index of the Enoch Pratt**

**Free Library** Da Capo Press,  
Incorporated

A modern-day historian finds her life

intertwined with Annie Oakley's in an electrifying novel that explores female revenge and the allure of changing one's past. Ruth McClintock is obsessed with Annie Oakley. For nearly a decade, she has been studying the legendary sharpshooter, convinced that a scarring childhood event was the impetus for her crusade to arm every woman in America. This search has cost Ruth her doctorate, a book deal, and her fiancé—but finally it has borne fruit. She has managed to hunt down what may be a journal of Oakley's midlife struggles, including secret visits to a psychoanalyst and the desire for vengeance against the "Wolves," or those who have wronged her. With the help of Reece, a tech-savvy senior at the local high school, Ruth attempts to establish the journal's

provenance, but she's begun to have jarring out-of-body episodes parallel to Annie's own lived experiences. As she solves Annie's mysteries, Ruth confronts her own truths, including the link between her teenage sister's suicide and an impending tragedy in her Minnesota town that Ruth can still prevent.

Rock and a Hard Place University of Oklahoma Press

I knew Miss Meads filled her stories with half-truths twisted to entice the listener. But another part of me wanted to believe the stories because that would mean there was some other person out there who was a bigger misfit than I was. I needed Karen Anderson to be horrible. It is 1974 in Tiny Town, Kansas, and twelve-year-old Katie is fed up with being an outcast. Overweight and

unattractive, she has been nicknamed Queen Kong by her classmates. As summer begins, Katie starts a journey of self-discovery and befriends the town hermit, Karen Anderson. Through her father's ministry and her mother's wisdom, Katie comes to respect the individuality of others and herself. But Katie soon finds herself involved in events surrounding the mysterious death of the town's pretty boy, Pebble Hudson. Pebble's burial splits Tiny Town and leads to an epic event that will change the town-and Katie-forever. Filled with colorful characters and the heartwarming details of everyday life, *Tiny Town: Summer's Song* takes you back to a simpler time and shares the coming-of-age story of one courageous little girl.

The Song Index features over 150,000 citations that lead users to over 2,100 song books spanning more than a century, from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed; an index of sources from which the songs

originated; and an alphabetical  
composer index.
