Rid of My

Disgrace
Canon Press &
Book Service
"I hope that as
you start
praying the
Psalms, you
will feel His

presence in all
the things that
you do and
you will feel
His guidance
through both
storms and
long periods

of waiting. I hope that you will see God as your life and breath instead of as your religion." The Psalms are among the most beautiful poems ever written, but sometimes they feel very far from us and our daily struggles and goals. In Psalms for Trials: Meditations on Praying the Psalms by Lindsey Tollefson, we see that the Psalms are not just pious words for the religious, but they are meant to be

our prayers for every trial we face, just as they have been a comfort for generations of Christians before us, including King David and the Lord Jesus. The Psalms allow us to pour ourselves out in prayer to God and to receive the comfort that comes from the promises found in His Word. This book includes forty-four bite-sized reflections on the Psalms, each ending with concrete recommendations on how to

use the Psalms in your prayers and more importantly, how to live them out. After you have read this book, your prayers will never be the same again. *Now, Then, and Fleetwood Mac: The Autobiography* Chicago Review Press An award-winning journalist's voyage into her family history and her quest to face the storms she encounters there. In August Gale, Pulitzer

Prize-winning journalist Barbara Walsh—who has interviewed killers, bad cops, and crooked politicians in the course of her career—faces the most challenging story of her lifetime: asking her father about his childhood pain. In the process, she takes us on two heartrending odysseys: one into a deadly Newfoundland hurricane and the lives of schooner fishermen who

relied on God and the wind to carry them home; the other, into a squall stirred by a man with many secrets: a grandfather who remained a mystery until long after his death. Sixty-eight years after the hurricane that claimed several of her ancestors, Walsh searches for memories of the August gale and the grandfather who abandoned her dad as a young boy. Together, she and her father journey to

Newfoundland to learn about the 1935 storm, and along the way her dad begins to talk about the man he cannot forgive. As she recreates the scenes of the violent hurricane and a small boy's tender past, she holds onto a hidden desire: to heal her father and redeem the grandfather she has never met.

A portrait of rock music legend Gram Parsons documents his extraordinary

talent for integrating country music and rock and roll, his influence on music, his turbulent and self-destructive lifestyle, and his tragic death.

The Lovely Bones John Wiley & Sons
Twenty five years after the release of their multi-platinum, blockbuster album, Rumours, Fleetwood Mac remains one of the most influential groups in rock music. Ten years after

their split, their reunion tour sold out across the world. This title chronicles the journey of this musical legend, from the formation of the band by guitarist Peter Green and John McVie in 1967 to the eight years of struggle and many changes in line-up. Features eight pages of b/w photos and four pages of full-colour photos. Storms Bloomsbury Publishing USA
The Eagles are the bestselling,

and arguably the tightest-lipped, American group ever. Now band member and guitarist Don Felder finally breaks the Eagles' years of public silence to take fans behind the scenes. He shares every part of the band's wild ride, from the pressure-packed recording studios and trashed hotel rooms to the tension-filled courtrooms, and from the joy of writing powerful new songs to the magic of

performing in huge arenas packed with roaring fans. *When Passion Rules* Chicago Review Press A dramatic coming-of-age novel about a boy's divided loyalty: can Elwyn resist the pull of tradition as well as the allure of the new to forge his own path? As spring comes to Badfish Creek, the natural world bursts with life and excitement. But Elwyn is dreaming of a different change, of a place far away that he hasn't

yet seen. Lured by urban life and all it has to offer - education, progress and opportunity - he doesn't think twice when his uncle invites him to stay in Liberty, a dazzling city he longs to call home. Yet soon Elwyn realizes that all that glitters is not gold: there is a sinister side to Liberty that he can't ignore, which threatens to erase his old way of life completely. With past and present pitted

against one another, the path to Elwyn's future is cast in doubt - for change always comes at a price.

Lean Fall Stand Roaring Brook Press One of rock's master musicians describes how he nurtured his band, Fleetwood Mac, as it dominated the late 1960s, came back in the 1980s, and survives into the 1990s

"ONE CAT
JUST LEADS
TO
ANOTHER."
—Ernest
Hemingway
Inspired by
the true story
of the famous
six-toed
felines of the
Ernest
Hemingway
House in Key
West,
Florida—and
the hurricane
that nearly
blew them
away—Hemin-
gway's Cats is
a delightful
novel full of
romance,
humor, and
lots and lots
and lots of
cats . . . Laura
Lange didn't

come to Key
West to fall in
love. As a
recent college
grad—with a
useless
degree in
English—she
came to work
at the historic
Hemingway
home as a
tour guide.
Why not? She
wrote her
thesis on the
iconic author.
She has no
other job
offers. And
she's
desperate.
Now Laura is
falling
desperately in
love—with the
fifty-four frisky
felines who
freely roam
the estate.
These
descendants

of Hemingway's original cat have not only stolen her heart—they're changing her life in ways she never imagined . . . First there's Nessie, the bushy-tailed "house mother" of the cats who seems to have adopted Laura, too. Then there's grumpy old Pawpa Hemingway; the cat thieves Chew-Chew and Whiskey; the big-pawed Boxer and Bullfighter; and dozens of darling

kittens. The locals are lovable, too. Laura's having a great time with her boy-crazy bungalow roomies, the Crabb sisters, and especially the young, handsome cat keeper, Jake. But Laura's summer of fun is about to take an unexpected turn—a Category 5 hurricane is about to make landfall directly on their doorstep . . . They can't possibly evacuate fifty-four cats. So Laura, Nessie, and all of their

friends decide to hunker down in the Hemingway House to weather this storm—together. "Sweet, funny, and charming. You'll fall in love with these adorable kitties and colorful Key West characters." —MELINDA METZ, bestselling author of *Talk to the Paw My Life with Lindsey Buckingham and Fleetwood Mac* Entangled: Amara A thrilling and propulsive

novel of an Antarctica expedition gone wrong and its far-reaching consequences for the explorers and their families "leaves the reader moved and subtly changed, as if she had become part of the story" (Hilary Mantel). Remember the training: find shelter or make shelter, remain in place, establish contact with other members of the party, keep moving, keep calm.

Robert 'Doc' Wright, a veteran of Antarctic surveying, was there on the ice when the worst happened. He holds within him the complete story of that night—but depleted by the disaster, Wright is no longer able to communicate the truth. Instead, in the wake of the catastrophic expedition, he faces the most daunting adventure of his life: learning a whole new way to be in the world.

Meanwhile Anna, his wife, must suddenly scramble to navigate the sharp and unexpected contours of life as a caregiver. From the Booker Prize-longlisted, American Academy of Arts & Letters Award-winning author of Reservoir 13, this is a novel every bit as mesmerizing as its setting. Tenderly unraveling different notions of heroism through the rippling effects of one extraordinary

expedition on an ordinary family, Lean Fall Stand explores the indomitable human impulse to turn our experiences into stories—even when the words may fail us.

The Inside Story of Fleetwood Mac's Most Anticipated Album Vintage

Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and humor that have helped her successfully pursue a

passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across

the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey

shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be The Only

Pirate at the Party.

Interviews & Encounters

Texas A&M University Press

A "remarkable memoir"

(Nature) of life with an emperor penguin colony,

gorgeously illustrated with 32 pages of exclusive photography

For 337 days, award-winning wildlife cameraman

Lindsay McCrae intimately followed

11,000 emperor

penguins amid the singular beauty of

Antarctica.

This is his masterful chronicle of one penguin colony's astonishing journey of life, death, and rebirth—and of the extraordinary human experience of living amongst them in the planet's harshest environment.

A miracle occurs each winter in Antarctica. As temperatures plummet 60° below zero and the sea around the remote southern continent freezes,

emperors—the largest of all penguins—begin marching up to 100 miles over solid ice to reach their breeding grounds. They are the only animals to breed in the depths of this, the worst winter on the planet; and in an unusual role reversal, the males incubate the eggs, fasting for over 100 days to ensure they introduce their chicks safely into their new frozen world. My Penguin Year recounts McCrae's

remarkable
adventure to
the end of the
Earth. He
observed
every aspect
of a breeding
emperor's life,
facing the
inevitable
sacrifices that
came with
living his
childhood
dream, and
grappling with
the personal
obstacles that,
being over
15,000km
away from the
comforts of
home, almost
proved too
much. Out of
that
experience, he
has written an
unprecedented
portrait of
Antarctica's
most

extraordinary
residents.

Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery

has adapted it for this unforgettable play about life after loss. Stevie Nicks: Visions, Dreams and Rumours Rowman & Littlefield
A consummate insider as the girlfriend of Lindsey Buckingham, Fleetwood Mac singer and guitarist, Carol Ann Harris leads fans into the very heart of the band's storms between 1976 and 1984. From interactions between the band and

other stars-- Mick Jagger, Eric Clapton, and Dennis Wilson--to the chaotic animosity between band members, this memoir combines the sensational account of some of the world's most famous musicians with a thrilling love story. The parties, fights, drug use, shenanigans, and sex lives of Fleetwood Mac are presented in intimate detail and illustrated with never-before-seen photographs. With the

exception of one brief interview, Carol Ann Harris has never before spoken about her time with Fleetwood Mac. My Life with Lindsey Buckingham and Fleetwood Mac Danann Books
This is the first-ever complete, illustrated history of Fleetwood Mac, the legendary band that has sold more than 100 million records worldwide. Required reading for fans. From

this British-American band's blues origins in the 1960s to its pop superstardom in the 1970s and 1980s to its 2015 reunion, Fleetwood Mac has endeared itself to audiences worldwide. Fleetwood Mac: The Complete Illustrated History covers the band's illustrious career, highlighting details that will surprise even the most loyal fans. With a career that began

fifty years ago and yielded seventeen studio albums, Fleetwood Mac has had a rollercoaster career, detailed here through a carefully researched text and myriad photographs and memorabilia, including some rare and little-seen items. The band's most popular lineup includes drummer Mick Fleetwood, bassist John McVie, keyboardist and vocalist Christine McVie,

guitarist and vocalist Lindsey Buckingham, and singer Stevie Nicks, but its members have shifted over the years since Fleetwood Mac began in 1967. And although the band's superstar phase in the 1970s is most familiar to the public, Fleetwood Mac's roots were in the blues, and the band evolved in fits and starts before finding popular success. Fleetwood

Mac: The Complete Illustrated History documents their entire story, including the troubled circumstances that led to the 1970 withdrawal of the band's

original guitarist, Peter Green, as well as the broken marriage of John and Christine McVie and the romantic breakup of Stevie Nicks and Lindsey Buckingham that

threatened to split the group even as they were recording one of the biggest albums of all time, Rumours. This is the whole story of one of rock and roll's greatest bands.
