Two-fisted Tales Abrams ComicArts

Timed for the 60th anniversary, the iconic and influential first issue of the Fantastic Four by Stan Lee and Jack Kirby, deconstructed by award-winning designer Chip Kidd; with text by novelist Walter Mosley, Marvel editor Tom Brevoort, and historian Mark Evanier; and photographs by Geoff Spear. The first issue of Fantastic Four by legendary creators Stan Lee and Jack Kirby introduced fans to a now-iconic team of Super Heroes--Mister Fantastic, the Invisible Girl, the Human Torch, and the Thing--ushering in the modern Marvel Age of comics. Kirby's artistic contributions in this comic book revolutionized visual storytelling and brought a new reality to the way comics stories could be told, the ripple effects of which continue to influence comic book art to this day. Sixty years after its publication in November 1961, this stunning reimaging by award-winning graphic designer Chip Kidd uses an original copy of the comic book (which initially sold for ten cents and now sells for astronomical prices in good condition) to present the classic story in a whole new way that is sure to engage both lifelong fans and the latest generation of Marvel enthusiasts. The book also includes text by bestselling novelist Walter Mosley, Marvel editor Tom Brevoort, and historian Mark Evanier (Kirby: King of Comics). Stunningly photographed by award-winning photographer Geoff Spear, Fantastic Four no. 1 is showcased as you've never seen it before--oversized and remastered--a panel-by-panel exploration of the entire issue that captures every single detail and nuance of Lee's story and Kirby's groundbreaking artwork, making it a must-have for every comic book collection.

This is a reprint of the first comic book created by black artists, writers and publisher, jam-packed with fast action, African Adventure, good clean humor and fantasy. Every brush stroke and pen line in the drawings on these pages are by negro artists. This publication is another milestone in the splendid history of negro journalism. But in this first issue we meet Ace Harlem (a detective), the Dew Dillies (pixie-like children), Lion Man (jungle defender) and Sugarfoot (Amos and Andy type humor). There is also a two-page text story, a one page humor strip, and a quartet of funnies called Hep Chicks on Parade. I would have loved to see Ace Harlem continue and what the artwork would have developed as in Lion Man. And I think that Hep Chicks is funny, regardless of time period.

In the late '60s, underground comix changed the way comics readers saw the medium — but there was an important pronoun missing from the revolution. In 1972, ten women cartoonists got together in San Francisco to rectify the situation and produce the first and longest-lasting all-woman comics anthology, *Wimmen's Comix*. Within two years the *Wimmen's Comix* Collective had introduced cartoonists like Roberta Gregory and Melinda Gebbie to the comics-reading public, and would go on to publish some of the most talented women cartoonists in America — Carol Tyler, Mary Fleener, Dori Seda, Phoebe Gloeckner, and many others. In its twenty year run, the women of *Wimmen's* tackled subjects the guys wouldn't touch with a ten-foot pole: abortion, menstruation, masturbation, castration, lesbians, witches, murderesses, and feminists. Most issues of *Wimmen's Comix* have been long out of print, so it's about time these pioneering cartoonists' work received their due.
