"Index to newspapers" in each no., beginning with Mar. 1908.

Directory of Public Elementary and Secondary Schools in Selected Districts Springer

This book brings together the fields of theatre, gender studies, and psychology/sociology in order to explore the relationships between what happens when women engage in violence, how the events and their reception intercept with cultural understandings of gender, how plays thoughtfully depict this topic, and how their productions impact audiences. Truthful portrayals force consideration of both the startling reality of women's violence — not how it's been sensationalized or demonized or sexualized, but how it is — and what parameters, what possibilities, should exist for its enactment in life and live theatre. These women appear in a wide array of contexts: they are mothers, daughters, lovers, streetfighters, boxers, soldiers, and dominatrixes. Who they are and why they choose to use violence varies dramatically. They stage resistance and challenge normative expectations for women. This fascinating and balanced study will appeal to anyone interested in gender/feminism issues and theatre.

Drama / 6 f At first, Hazelwood Jr. High is like any other middle school - cliques and crushes, dances and detention. But when a new girl unwittingly steps into a "love triangle," a revenge plot is hatched, and events spin out of control, escalating into a shocking

and unimaginable climax. Based on a true story. "Mr. Urbinati's script is based on court testimony and psychological and police reports. Even in the era of Jeffrey Dahmer and Susan Smith, the story holds its own grotesquerie; you c

John Willis' Theatre World CRC Press

Play Readings: A Complete Guide for Theatre Practitioners demystifies the standards and protocols of a play reading, demonstrating how to create effective and evocative readings for those new to or inexperienced with the genre. It examines all of the essential considerations involved in readings, including the use of the venue, pre-reading preparations, playwright/director communication, editing/adapting stage directions, casting, using the limited rehearsal time effectively, simple "staging" suggestions, working with actors, handling complex stage directions, talkbacks, and limiting the use of props, costumes, and music. A variety of readings are covered, including readings of musicals, operas, and period plays, for comprehensive coverage of this increasingly prevalent production form.

The 250th anniversary of the founding of Rutgers University is a perfect moment for the Rutgers community to reconcile its past, and acknowledge its role in the enslavement and debasement of African Americans and the disfranchisement and elimination of Native American people and culture. Scarlet and Black, Volume 2, continues to document the history of Rutgers's connection to

slavery, which was neither casual nor accidental—nor unusual.

Like most early American colleges, Rutgers depended on slaves to build its campuses and serve its students and faculty; it depended on the sale of black people to fund its very existence. This second of a planned three volumes continues the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History. This latest volume includes: an introduction to the period studied (from the end of the Civil War through WWII) by Deborah Gray White; a study of the first black students at Rutgers and New Brunswick Theological Seminary; an analysis of African-American life in the City of New Brunswick during the period; and profiles of the earliest black women to matriculate at Douglass College. To learn more about the work of the Committee on Enslaved and Disenfranchised Population in Rutgers History, visit the project's website at <http://scarletandblack.rutgers.edu>
