R&L Education

Introduction Depicted in the early 1990s in Bansfield, NY, this novel explores the controversial attitudes of the school district's administrative powers and their approach on what to do about the education of pregnant teenage students. The time line spans from the fall semester through the spring semester, approximately eight months in the lives of the principal, students,

parents, and the school bus driver at Parker High School, the school dedicated exclusively for pregnant teenage girls in the Alternative School For Educational Advancement program (ASFEA). When the ASFEA comes under severe scrutiny, Mrs. Bernese Thompson, the principal at Parker High, digs in deeply, to fight for the survival of the school and the students she is professionally and personally committed to support. After experiencing the previous year's mayhem, she thoroughly believed that it prepared her for anything unexpected that could possible come her way. Never could Mrs. Thompson have suspected nor could she have been prepared for what lay

ahead. There is much more beneath the surface at Parker High. Secrets have grown in the silence of denial that now propels impending storms. Amy, Hippie, and Mrs. Burrell, the school bus driver, have to let go of their reluctance to deal with the underlying problems beneath the surface, when an unexpected tragedy forces them to act. Even though faced with overwhelming responsibility and obstacles in their young lives, some of the girls never lose sight of their dreams, while others are stripped of their dreams and much more. There was never a dull moment on the school bus in usual circumstances, but the engaging, dramatic and enlightening

sequence of events at the core of this story becomes a rite of passage for them all. However, there is a bright lining in the storm clouds when the strong winds have blown and finally cleared the air. Thankfully, something wonderfully transformative occurs, for at least, most of them.

From the depths of the darkest waters of the ocean to the eternal darkness of space, Rhiannon Frater crafts taunt tales of terror to enthrall avid readers of the genre. Each short story explores a different type of monster from the shambling undead to devourers of worlds. In

Cthulhu's Daughter explore madness and terror as a young woman's mind slowly unravels as a hurricane bears down on her hometown. Step back in time to witness one man's flight from the ravages of war only to encounter a pack of werewolves in *Fleeing* and slink through the shadows of a mansion where an archaeologist obsesses over the mummy queen residing in her sarcophagus in *Amunet*. Encounter a sentient nanny robot hoping to escape deletion while struggling to keep her ward safe from her abusive employer in *Flesh and Circuits*, or rush along city streets as a seeing-eye dog tries to save her blind master in *Stop Requested*. Witness

the struggle between a mortal mother and the vampire who wants to take away her ailing child and turn him into a creature of the night in *The Two Mothers*. And, finally, discover what terrors lurk beyond the reflective surface of a mirror in *The Key*. Each tale carries Rhiannon Frater's distinctive stamp of stunning action coupled with realistic characters that the reader either cheers for or fears.

ROMAN BLAISE BLAISE
“Understanding the
Complex Reality of the
SCHOOL BUS DRIVER’S
JOB” is the testimony
of a school bus driver
named Roman Blaise.
Throughout the school
year, trying to please
everyone and answer
every question;
screaming at the
students for their
safety on the bus, also
smiling, playing and
even dancing for them.

When necessary,
requiring order out of
troublemakers, caution
out of harassment of
other drivers, fairness
out of indifference. This
book contains
important tools of
prevention, asks for
more children’s
understanding, talks
about what Roman
Blaise has seen and
heard, raises various
problems encountered
by school bus drivers,
laments the loss of a
colleague. It also
questions the system
of things and is waiting
for answers, forces
drivers to learn to
adapt to students,
raises the barrier of
communication
between immigrant
drivers and students,
and tests the driver’s
conscience. It ends the
last school day with the
tears of a black
kindergartener who will

miss forever the affection of his dear white female teacher. Everyone endowed with the passion to know, should reserve in his library a space for this fascinating book, "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB". ROMAN *School Bus Driver* Harvest House Publishers

This a very true story about five children who their mother was very abusive especially two the oldest daughter and youngest son because they look like their fathers family. The mother hire with full knowledge that the man she hire in a county hospital was coming out of Iowa State Penitentiary of state of Michigan for raping a fifteen year girl. His parole officer

had told the charge nurse, who is getting a divorce make sure to tell this rapist she is chasing all over the hospital on night shift that she has three daughters who are ages six, four, and two years old along with two sons they are eight and five. This rapist is on his three marriage as well as two years younger than the mother, they start out talking as well as going to the attic a lot on their shift to have sex. Then it is time to bring him home to meet these little children who she will gladly let him take control of their lives. The three daughters still graduate from high school and college, one ever service in the US Marine Corp. The girls grew into wonderful mothers have made

wonderful lives as for the two brothers they were murdered in the middle thirties.

For many years, author Deborah Leigh Alexander lived in denial. It was hard for her to understand how the emotional abuse she suffered during her childhood affected her adult life. In this memoir, Alexander takes a step back and relives her childhood in order to break free of the emotional bondage and to forgive, heal, and grow. *A Wounded Daughter's Survival* recounts her personal and family history and comes to terms with the dysfunction that permeated her relationship with her

parents. Alexander narrates how she lived through many damaging and sometimes violent encounters in her formative years, including overwhelming feelings of rejection by her parents. Using personal anecdotes to illustrate how God has worked in her life, she shares her experiences with her faith and how she found comfort and guidance in the Bible and through prayer. This true and personal account sheds light on how emotional abuse truly damages lives. By sharing her experiences of survival, discovery, and healing, Alexander provides hope that a functional future is indeed possible.
