**Traveler** World of Warcraft: Traveler With more than 300 pieces of art, featuring works by such noted artists as Todd McFarland, Greg Staples, and Samwise Didier, this book is the first collection of the best paintings and drawings created for the "World of Warcraft Trading Card Game."

**In Re Edwards** Simon and Schuster Monsters, mystery, and magic abound in this stunning, illustrated collection of original fairy tales from the World of Warcraft universe, as told by an all-star cast of bestselling, award-winning storytellers. The power of stories is felt and known in every corner of Azeroth. From the windswept fields of the Eastern Kingdoms to the bustling city of Gadgetzan, differences were bridged by

common tales of average people overcoming incredible odds. Lessons learned from cautionary tales tempered many brave heroes and brought them safely home, while stories of adventure spurred history's most remarkable actors to greatness. Now you too can settle in, lay down your armor, and listen to the wondrous tales of adventure and peril in the Folk and Fairy Tales of Azeroth. Brimming with gorgeous artwork and twelve inspired stories crafted by fantasy's brightest authors including Garth Nix, Catherynne M. Valente, Kami Garcia, and more, this enchanting anthology brings new voices, new meaning, and new wonder to World of Warcraft.

World of Warcraft Simon and Schuster Illidan prepares for the final confrontation in the alien realm of Outland.

World of Warcraft: Chronicle Volume 1 is a journey through an age of myth and legend, a time long before the Horde and the Alliance came to be. This definitive tome of Warcraft history reveals untold stories about the birth of the cosmos, the rise of ancient empires, and the forces that shaped the world of Azeroth and its people. This beautiful hardcover features twenty-five full-page paintings by World of Warcraft artist Peter Lee, as well as a cosmology chart, half a dozen maps charting changes through time, and other line art illustrations by Joseph Lacroix, and marks the first in a multipart series exploring the Warcraft universe; from the distant past to the modern era.

**The Lawyer in Modern Society** Dark Horse Comics

Judicial ethics is a surprisingly underexplored area and this volume marks an important point in this relatively new but commendably growing field of studies. The areas covered range from the metaethics of decision and how this impacts the judiciary to the ethical evaluation of the substance and procedure of a decision and codes of judicial conduct. Addressing each of these meanings and more, this collection brings together for the first time many, if not most, of the 'canons' (or soon-to-be 'canons') of modern judicial ethics scholarship. The previously published articles have created new interdisciplinary, historical, cultural and doctrinal understandings of judicial character, conduct, regulation and development, and bringing them together in one volume provides readers with the opportunity to review the field more readily and comprehensively.

The Demon Soul Simon and Schuster  
The launch title of an epic action-

adventure series set in Blizzard's popular World of Warcraft game franchise that features a young cast of characters discovering the mysteries and majesty of the world around them.

*Illidan* Simon and Schuster

The realm of Azeroth struggles to rally against a brutal dragon attack and the schemes of an evil Horde war chief.

**The Flash Season Zero** DC

Night elf high priestess Tyrande Whisperwind receives a vision about a reluctant human king of Stormwind, who resists an alliance with the worgen to combat the warchief Garrosh Hellscream.

World of Warcraft: Thrall: Twilight of the Aspects Simon and Schuster

The afterlives await in this sprawling compendium, lovingly crafted by the World of Warcraft game team and official Blizzard Entertainment historian Sean Copeland. What lies beyond the veil of death? Journey past this mortal coil and discover the secrets of the afterlives. Study the practices around death and dying on Azeroth, then follow a Broker through the groves of Ardenweald, over the gleaming towers of Bastion, and into the depths of the Maw for a detailed voyage unlike any other. Featuring gorgeous artwork never glimpsed by mortal eyes, a stunning fold-out map, and fresh secrets straight from the game team, *Grimoire of the Shadowlands and Beyond* is made to be treasured for eternity. In his authorial debut, Blizzard Entertainment historian Sean Copeland opens the vaults of both World of Warcraft and his years of hidden knowledge for all curious souls.

*Prelude to Cataclysm* Del Rey

In her New York Times bestseller, *The Shattering*, Christie Golden delivers a sensational tie-in to the newest World of Warcraft game expansion. Thrall, wise

shaman and the warchief of the Horde, has sensed a disturbing change... Long ago, Azeroth's destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention, many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun-scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed, as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action in response to mounting tensions between the Alliance and the Horde, a hard-line approach that threatens to alienate those closest to him, including his son, Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.

Upper Deck Company Llc

THE BURNING LEGION HAS COME. Led by the mighty Archimonde, scores of demonic soldiers now march across the lands of Kalimdor, leaving a trail of death and devastation in their wake. At the heart of the fiery invasion stands the mystic Well of Eternity -- once the source of the night elves' arcane power. But now the Well's energies have been defiled and twisted, for Queen Azshara and her Highborne will stop at nothing to commune with their newfound god: the fiery Lord of the Burning Legion...Sargeras. The night elf defenders, led by the young druid, Malfurion Stormrage, and the wizard, Krasus, fight a desperate battle to hold back the Legion's terrible onslaught. Though only embers of hope remain, an ancient power has risen to aid the world in its darkest hour. The dragons -- led by the powerful Aspect, Neltharion -- have forged a weapon of incalculable power: the Dragon Soul, an artifact capable of driving the Legion from the world forever. But its use may cost far more than any could have foreseen. The second novel in an original trilogy of magic, warfare, and heroism based on the bestselling, award-winning electronic game series from Blizzard Entertainment.

**Warcraft: War of the Ancients #2: The Demon Soul**

When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald

Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name STORMRAGE
