being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we

concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Legare Street Press
In The Book of Dragons

of Edith Nesbit invites us to experience the world of dragons. One of the most beautiful young fiction books written in English language. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on over 60 books of fiction for children. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.
