Old Testament Survey
B&H Publishing Group

With just a glance, you
can discover the key
words and phrases, key
verses, outlines, and
symbolic
representation of
Christ in each book of
the Old Testament.

This complete resource guide provides a brief, yet clear, overview of each book and is the perfect companion to any type of Bible study.

The Face of Old Testament Studies

Thomas Nelson
Leading biblical scholars from Liberty University offer a thorough survey of the complete Old Testament, with book introductions, theological concepts, practical applications, word studies, and more.

A Survey of Jesus' Bible
B&H Publishing Group
The New Testament Scriptures will never be properly understood by a person if the Old Testament Scriptures essentially remain a mystery to him,' says Paul Benware. Most Christians do not have

a clear understanding of the pattern, unity, or progression of the Old Testament. They can tell stories of Moses, Noah, and David but aren't sure how all these events fit together. And they don't fully appreciate the doctrines found in the thirty-nine books between Genesis and Malachi. But the Old Testament does not have to be mysterious or confusing. Newly revised, Dr. Benware offers a chronological approach to give you a bird's-eye view of the historic value of the Old Testament, while his book-by-book analysis reveals important details and emphases. If you want a better understanding of the whole Bible, *Survey of the Old Testament* is the place to start.

An Historical Survey of the Old

Testament Zondervan

This handy resource allows the reader to quickly summarize or review all the pertinent details about any Old Testament book. More than a Bible handbook but less than a commentary, Nelson's New Illustrated Old Testament Survey provides a section by section breakdown of issues and topics dealt with in the Hebrew Scriptures. It includes: Complete but concise outlines of every Old Testament book A succinct introduction for each book Sections that identify each Bible author's theological emphasis Inserts that highlight real-life insights Arguments for the unity of the original manuscripts

As one of the most prominent themes in Scripture, the covenant is crucial to all Christian theological

systems, from dispensationalism to covenant theology to theonomy to liberation theology. One would think that by now all controversies have been exhausted, but an issue of this magnitude can never finally be laid to rest. Because disagreements persist, there is room for yet another attempt to study the covenant and improve our understanding of it. This book proposes that the path toward an evangelical consensus is not to be found in building another modified systematic theology, but in a biblical theology approach. Grounded in this approach, John Walton's perspective is that while the covenant is

characteristically redemptive, formulated along the lines of ancient treaties, and ultimately soteric, it is essentially revelatory. This view in turn has implications regarding the continuity or discontinuity of the covenant phases, the conditionality of the covenant, and our understanding of the people of God. And this ultimately affects the way the Old Testament is preached and taught. Walton's thesis is an important contribution to the discussion of the covenant and the attempts to find common ground among evangelicals of diverse theological traditions.

The groundbreaking Dictionary for Theological Interpretation of the Bible (DTIB) introduced readers to key names, theories, and concepts in the field of biblical interpretation. It has been well received by pastors and students, won book awards from Christianity Today and the Catholic Press Association, and was named the ECPA 2006 Christian Book of the Year. Theological Interpretation of the Old Testament features key articles from DTIB, providing readers with a book-by-book theological reading of the Old Testament. The articles are authored by leading scholars, including Daniel I. Block, Tremper Longman III, J. Gordon McConville, Walter

Moberly, Richard Schultz, and Gordon J. Wenham. This handy and affordable text will work particularly well for students in Old Testament/Bible survey courses, pastors, and lay readers.

A Book-by-Book Survey

Zondervan Academic Pentecostalism is a movement that, in a little over a century, has encircled the globe and, either directly or indirectly, has impacted and influenced every quarter of Christendom. At its heart the movement bears witness to a contemporary experience of divine-human encounter in line with the prophetic claims of the Old Testament and the Pentecost testimony of the New—indeed an encounter with the

power/the presence/the Spirit of God that is radically transformative enough, at both personal and corporate levels, to evoke a new way of seeing the world and, with it, a new way of reading the Word. In the post-modern situation that has forced all of us to a greater awareness of the contextual particularities of how we see and read things, with all of the limitation and the illumination that this can entail, it is time for offering a survey of Scripture, and the Old Testament in particular, that speaks both from and to the manifold global context of Pentecostal faith and practice. Here the authors are deft guides, affirming the integration of

academic scholarship and charismatic spirituality. They present thoughtful readers with an overview of the Old Testament that is explicitly engaged with the faith and practice of the Pentecostal movement and the recent scholarship that has been generated by this contemporary, global, Christian movement, especially as it bears upon biblical interpretation. They invite readers to approach scripture reading with the expectation of being encountered and addressed by a Living Voice, flipping the primary goal of biblical study from 'us interpreting Scripture' to 'Scripture reading and interpreting us.' In addition to treating each Old Testament

book individually, this textbook offers a brief chapter-length introduction to each of the four major book collections, as standardized in the Protestant Bible's arrangement of Old Testament Scriptures: 1) Pentateuch; 2) Historical Books; 3) Poetical Books; and 4) Prophets.

Covenant Kregel Academic

This volume provides a comprehensive introduction to the history of ancient Israel—from the creation account to setting the stage for the New Testament era. This edition has been thoroughly revised, but maintains its focus on Old Testament texts as well as ancient Near Eastern literary and archeological sources

to highlight the important modern controversies surrounding this part of Scripture. The work provides an up-to-date, conservative, evangelical position on matters relating to ancient Israel's history and is illustrated with over 600 figures, charts, and maps.

God's Purpose, God's Plan Canon Press & Book Service

This revised edition of Gundry's survey of the New Testament goes beyond providing background information and technical introductory material and leads students to read the New Testament itself. This fourth edition includes full color.

Old Testament Survey Zondervan Academic

Over 300,000 people

have studied Books of the Bible. Now, the study has been updated, based on the New Revised Standard Version of the Bible. Using a workbook style, Books of the Bible allows you to discover the biblical text on your own or with a group. This 26-session book-by-book survey covers all the books in the Bible. Designed for persons who are not well-acquainted with the Bible, this resource is clearly written and easy-to-use, drawing the reader into the biblical text. Although you will "page through" the entire Bible by the end of the study, Books of the Bible only deals with major themes. An excellent primer for persons to gain confidence to tackle a more in-depth study,

such as Genesis to Revelation, Journey Through the Bible, or Disciple Bible Study. Books of the Bible has informational articles about major sections of the Bible, and review pages at the end of major portions of the study. Questions for group discussion are included in all 26 sessions. In addition, there is an article for the leader and a pronunciation guide at the end of the study.
26 sessions / 60 minutes
