Incidents in the Life of a Slave Girl

DigiCat

Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places,

and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. "I wish I were more competent to the task I have undertaken. But I trust my readers will excuse deficiencies in consideration of circumstances. I was born and reared in Slavery; and I remained in a Slave State twenty-seven years."

was born a slave; but I never knew it till

six years of happy childhood had passed away. My father was a carpenter, and considered so intelligent and skilful in his trade, that, when buildings out of the common line were to be erected, he was sent for from long distances, to be head workman. On condition of paying his mistress two hundred dollars a year, and supporting himself, he was allowed to work at his trade, and manage his own affairs. His strongest wish was to purchase his children; but, though he several times offered his hard earnings for that purpose, he never succeeded. In complexion my parents were a light shade of brownish yellow, and were termed mulattoes. They lived together in a comfortable home; and, though we were all slaves, I was so fondly shielded that I never dreamed I was a piece of

merchandise, trusted to them for safe keeping, and liable to be demanded of them at any moment. I had one brother, William, who was two years younger than myself- a bright, affectionate child.

Incidents in the Life of a Slave Girl was one of the first slave narratives, and is a must-read for anyone interested in African American history. In this autobiography, Harriet Ann Jacobs (originally using the pseudonym Linda Brent) wrote about her struggle for freedom and the sexual abuse she endured. It's an intense memoir, and an eye-opening glimpse into the way humans will abuse other humans. It's also a testament to the strength of the human spirit as she gains her freedom,

living to share her story.

"Transracial adoption is never

oversimplified, airbrushed, or sentimentalized, but instead, it's portrayed with bracing honesty as the messy institution it is: rearranging families, blending cultural and biological DNA, loss and joy. An exceptionally accomplished debut."—Kirkus, starred review For as long as she can remember, sixteen-year-old Alex Kirtridge has known two things about herself: She's a stellar baseball player. She's adopted. Alex has had a comfortable childhood in Madison, Wisconsin. Despite some teasing, being a biracial girl in a wealthy white family hasn't been that big a deal. What mattered was that she was a star on the diamond, where her father, a former Major Leaguer, coached her hard and counted on her to make him proud. But now, things are changing: she meets

Reggie, the first black guy who's wanted to get to know her; she discovers the letters from her biological father that her adoptive parents have kept from her; and her changing body starts to affect her game. Suddenly, Alex begins to question who she really is. She's always dreamed of playing pro baseball just like her father, but can she really do it? Does she truly fit in with her white family? Who were her biological parents? What does it mean to be black? If she's going to find answers, Alex has to come to terms with her adoption, her race, and the dreams she thought would always guide her. • Winner of the Minnesota Book Award • A Kirkus Reviews Best Teen book of the Year • A Bank Street College Best Children's Book of the Year

Oxford University Press, USA

The Leadership of Muhammad is a very personal study of the life-story and leadership skills of the Prophet. John Adair served with a Bedouin regiment in the Arab Legion and this story is full of fascinating detail of desert life and Bedouin beliefs. A business book that crosses boundaries it highlights the key leadership skills displayed by Muhammad and allows you to share in his wisdom. John Adair weaves the story of Muhammad's life together with aspects of Bedouin culture and ancient proverbs to provide key points for leaders and aspiring leaders. He discusses tribal leadership and essential attributes such as integrity, moral authority and humility. Learning and

leadership go hand in hand. You are not born a leader, but you can become one and it is never too late to learn. John Adair's study of Muhammad and the tribal tradition of leadership is an essential addition to the leadership debate.

Published in 1861, this was one of the first personal narratives by a slave and one of the few written by a woman.

[Incidents in the Life of a Slave Girl](#)

Cambridge University Press

Incidents in the Life of a Slave Girl is an autobiography by a young mother and fugitive slave published in 1861. Harriet Ann Jacobs used the pseudonym Linda Brent. The book documents Jacobs' life

as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced on plantations as well as their efforts to practice motherhood and protect their children when their children might be sold away.

*Incidents in the Life of a Slave Girl*  
Written by Herself Civitas Books

After hiding in her grandmother's attic for seven years, Harriet Ann Jacobs was finally able to escape servitude—and her master's sexual abuse—when she fled to the North. Once there, she became a very active abolitionist, and her correspondence with Harriet Beecher

Stowe inspired her to write *Incidents in the Life of a Slave Girl* about her years as a slave. She published the narrative in 1861 under the pseudonym Linda Brent, and the book was written as a novel with fictionalized characters to protect Jacobs from retribution by her former owners. (Dr. Flint, i.e., the real Dr. James Norcom, is Linda Brent's master in the novel.) The story emphasized certain negative aspects of slavery—especially the struggles of female slaves under sexually abusive masters, cruel mistresses, and the sale of their children—in order to play on the sympathies of white middle-class women in the North. *Incidents in the Life of a Slave Girl* was published at the beginning of the American Civil War. It contributed to the Union's and

abolitionists' war effort, but is today seen as an important first-hand account from an escaped slave woman and an important abolitionist. After the Civil War, Jacobs continued to support the African-American cause, particularly education, until her death in 1897. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity,

first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Incidents in the Life of a Slave Girl, Written by Herself* Verso Books

Shola von Reinhold's decadent queer literary debut immerses readers in the pursuit of aesthetics and beauty, while interrogating the removal and obscuring of Black figures from history.

*Incidents in the Life of George Haydock* Cambridge University Press

"God . . . gave me a soul that burned for freedom and a heart nerved with determination to suffer even unto death in pursuit of liberty."In this excerpt from

a letter written by Harriet Jacobs to her friend, the abolitionist Amy Post, Jacobs expresses her determination to continue her quest for freedom. Dated October 9, 1853 - less than two years after Jacobs was freed - the letter was written in response to Post's suggestion that Jacobs tell the story of her abuse and exploitation as an enslaved black woman. Eight years later, in 1861 - the same year that marked the beginning of the Civil War - *Incidents in the Life of a Slave Girl*, Written by Herself was published in Boston. According to the chronology of Jacobs's life compiled by her autobiographer, Jean Fagan Yellin, the events described in *Incidents* narrated by "Linda Brent" mirror key incidents of Jacobs' life.

This is a far-ranging study which contextualises both the historical figure of Harriet Jacobs and her autobiography as a created work of art.

### **Incidents in the Life of a Slave Girl**

Kogan Page Publishers

A comprehensive, tour-de-force analysis of the birth of slavery, racism, and white supremacy in the American South—and how it shaped our modern world. “A must-read for all social justice activists, teachers, and scholars.” —Roxanne Dunbar-Ortiz, author of *An Indigenous*

Peoples' History of the United States Long heralded as a classic study of the origin of white privilege from the activist who first coined the term, Theodore W. Allen's work remains an indispensable resource for making sense of our conflicted present, a reference point for everyone from Roxanne Dunbar-Ortiz and Nell Irvin Painter to Reni-Eddo Lodge and Aníbal Quijano. When the first Africans arrived in Virginia in 1619, there were no "white" people there. Nor, according to colonial records, would there be for another sixty years. In this seminal work, available for the first time here in a single volume, Allen tells how America's ruling classes created the category of the "white race" as a means of social control. Since that early invention, white privileges have enforced

the myth of racial superiority, a fact central to maintaining rulingclass domination over ordinary working people of all colors throughout the history of the Atlantic world. Spanning centuries and nations, Allen's analysis takes us from the plantations of Northern Ireland and the mines of Peru to the sugar fields of Brazil and colonies of Chesapeake Bay, Virginia. His account records lives of hardscrabble immigrant survival, Faustian bargains with white supremacy, the tragedy of human bondage, and the stubborn, unbreakable resistance to the global color line.

The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African

American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception, as well as

the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field.
