Here are the secrets behind 50 of the best of the magician's tricks.

Unlocking the Secrets of the Shroud Simon and Schuster

In this personal journey through a unique performing art, David Copperfield profiles some of the

world's most groundbreaking magicians. From the sixteenth-century magistrate who wrote an early book on conjuring, to the roaring twenties and the man who fooled Houdini, to the woman who levitated, vanished, and caught bullets in her bare hands, David Copperfield's History of Magic takes you on a wild journey through the remarkable feats of some of the greatest magicians in history. The result is a sweeping tale that reveals how these astonishing performers were outsiders who used magic to escape class, challenge conventions, transform popular culture, explore the innermost workings of the human mind, and inspire scientific discovery. Their incredible stories are complemented by more than 100 never-before-seen photographs of artifacts from Copperfield's exclusive Museum of Magic, including a sixteenth-century manual on sleight-of-hand; Houdini's straitjackets, handcuffs, and water torture chamber; Dante's famous sawing-in-half apparatus; Alexander's high-tech turban that allowed him to read people's minds; and even some coins that may have magically passed through the hands of Abraham Lincoln. By the end of the book, you'll be sure to share Copperfield's passion for the power of magic. --

This coordinated collection of studies provides important critical assessments of recent progress in Life of Jesus research. Topics treated include Jesus and Palestinian politics, the parables and miracles of Jesus, and the Jesus tradition in extracanonical sources.

Shady Characters: The Secret Life of Punctuation, Symbols, and Other Typographical Marks NYU Press

One of the first books written in the U.S. since 1988 that presents the Shroud of Turin as the authentic burial cloth of Jesus of Nazareth. The author, a medical doctor, takes us on a scientific and scriptural search (with more than 70 revealing photographs) that allows us to decide for ourselves whether the ancient cloth has any meaning for us today. A companion video that traces the story of the shroud from Turin to Jerusalem is also available. In 1961, while poking around in a used bookstore in Boston, Lavoie stumbled across a paperback called A Doctor at Calvary, by French surgeon Pierre Barbet. As Lavoie thumbed through the pages, he discovered that Barbet was writing not about Jesus' crucifixion but about the Shroud of Turin, a piece of cloth that contained the bloody image of a naked man. Thus began Lavoie's 30-year quest to uncover the true origins of the Shroud and to reveal its mysteries. In this well-told scientific and theological detective story, Lavoie offers a step-by-step account of his attempts to prove that the Shroud of Turin could well have been the shroud that covered Jesus as he was taken from his cross to his tomb. In order to show that the marks on the cloth are indeed blood stains, Lavoie discusses the nature of blood as it clots, especially when those clots are covered with cloth. Through various experiments, he is able to conclude: "blood clots transfer to cloth as mirror images of themselves; the neatness of the transfers is related to the fact that the man of the shroud died in the vertical position; the time the clots take to transfer to cloth coincide closely with the gospel timetable of the death and burial of Jesus." Lavoie is on his firmest footing when he sticks to his scientific theories, but when he begins to argue in the final chapters that John's gospel and letters indicate that John possessed the shroud and was hiding it from his audience, he treads shakier speculative

ground.

The Sphere of Ingar has been destroyed and pure magic now flows freely throughout the land of Uton. Magic casters arise as do the dark creatures that need magic to exist in this land. As the land changes and its inhabitants adapt, a growing wind of rebellion leads to potential disaster for all the races. The dwarf queen, Yave, declares war on the algors, blaming the desert dwellers for the tragedy which took the life of her eldest son. She leads a revolution against what remains of her own family. Dwarf separatists eager to assert their own superiority follow blindly as she begins her quest for revenge. Ryson Acumen, the pure bred delver who saved the land from Ingar's sphere, attempts to intervene. In response, human towns are attacked by the dwarf army of Dunop. Raids against the elves lead to escalated tensions. Even as the algors plan a response to protect their very existence, the elves threaten to unleash their own weapon of sheer terror against the dwarf city. The overriding need that brought the races together to defeat Ingar is gone as the land of Uton fractures into chaos.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to

every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Hermann Beckh's masterful study of Mark's Gospel offers much more than scholarly argument. It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves. Beckh was in the forefront of entirely new research and recovery of the Gospel, writing more for the future than for his own time. It is not uncommon for biblical scholars to view St. Mark's Gospel as little more than an assemblage of fragmentary sources and a copy of uncertain, early memories. The Gospel is said to have little historical veracity, harmony or guiding structure. Beckh's contemporary, the German writer Arthur Drews, even argued that the text was nothing more than a simplistic solar myth, wherein another Sun-hero pursued his way around the Greco-Roman constellations. Mark's Gospel: The Cosmic Rhythm is a response to such twentieth-century materialistic thinking. He was asked to write the book in the 1920s by the leaders of The Christian Community, who sought to rescue the desecrated Gospel from its opponents. Inspired by Rudolf Steiner and a vast knowledge of ancient languages – Tibetan, Sanskrit, Pali and Avestan along with Hebrew, Greek and Latin – the Rev. Professor Hermann Beckh perceived how the Gospel reflects God's Everlasting Covenant, and meticulously expressed its aesthetic unity, the consonance of its parts and its consequent radiant clarity. His far-reaching understanding of sacred texts in the original languages, always associated with the disciplined meditation he had attained from anthroposophy, led to unprecedented insight. This new edition of his classic study has been revised and redesigned.

[Mark Wilson's Greatest Magic Tricks](#) Running Press Book Publishers

Like all great adventures, this one starts with someone trying to get a girl. After all, King Meneleaus didn't go to Troy for the baklava. Playwright, journalist, comedian and bestselling author Mark Leiren-Young recalls his teenage escapades in this hilarious memoir and coming-of-age story. A geeky bully-magnet, Mark was seventeen and wanted to be a playwright, but even more than that, he wanted to impress Sarah, the girl he'd pined for since elementary school. It's 1980 and, thanks to Doug Henning, magic is hip, so Mark hooks up with Randy, a stoner magician, and Kyle, an ambitious young actor, to chase fame—and the women of their dreams. Seeing a chance at having all of their desires come true, they risk everything to create a show they know will be like Star Wars on stage. But is getting a date worth having your head cut off?
