Frogkisser! Tor Books

The long-awaited fifth installment in Garth Nix’s New York Times bestselling Old Kingdom series, for readers who enjoy series by Rae Carson, Kristin Cashore, Scott Westerfeld, and Cassandra Clare. Goldenhand takes place six months after the events of Abhorsen and follows the novella Nicholas Sayre and the Creature in the Case, which is featured in Across the Wall. Lirael lost one of her hands in the binding of Orannis, but now she has a new hand, one of gilded steel and Charter Magic. On a dangerous journey, Lirael returns to her childhood home, the Clayr’s Glacier, where she was once a Second Assistant Librarian. There, a young woman from the distant North brings her a message from her long-dead mother, Arielle. It is a warning about the Witch with No Face. But who is the Witch, and what is she planning? Lirael must use her new powers to save the Old Kingdom from this great danger—and it must be forestalled not only in the living world but also in the cold, remorseless river of Death.

Forest Born Allen & Unwin

Rin, Razo's little sister, is haunted by the forest she has always loved. When Razo invites her back to the city to be one of Queen Ani's waiting women, she happily accepts . . . only to end up on the adventure of her lifetime, following the queen, Enna and Dasha into the countryside in search of a fire-starting enemy that no one can see. As she learns more about the three women's magical talents, she finds her own strength comes from places both expected - the forest - and unexpected - the sound of her own voice. A brilliant addition to the Books of Bayern, this book is a treat for fans of this series, and stands alone for readers who might be discovering the joys of Shannon Hale's writing for the first time.

Sir Hereward and Mister Fitz Old Kingdom

Six months have passed since Lirael and Sameth fought off the Destroyer and saved Nicholas Sayre's life. Still recovering from his horrible ordeal, Nicholas is nonetheless eager to return to the Old Kingdom and his friends. But first he must endure a country house party organised by his powerful uncle, with the wealthy, eccentric Dorrance as the guest of honour. Nick hates the idea, especially since the people there don't believe in magic or necromancy. Even worse, they have a

strange creature locked up in a display case. Things take a truly horrific turn when Nick is kidnapped, and his Charter-infused blood is fed to the creature, which promptly goes on a rampage, drinking blood from anyone it encounters to build its strength. With the Abhorsen days away and no way to stop a savage, incredibly strong Free Magic monster, what can Nick do to stop Dorrance and the creature in the case?"

Techno-wizardry! Assassins! Pirates! Rebels! Duels! Secrets, lies, sex and True Love! What more can anybody ask for?' (Kirkus Reviews (starred review)) 'Nix's fantasy has enough gadgets, escapes, battles, duels, deaths, and near-death experiences to keep die-hard adventure story readers enthralled. "Outstanding...Amid a space opera resurgence, Bear's novel sets the bar high." —Publishers Weekly (starred review) A space salvager and her partner make the discovery of a lifetime that just might change the universe in this wild, big-ideas space opera from Hugo Award-winning author Elizabeth Bear. Halmey Dz and her partner Connla Kurucz are salvage operators, living just on the inside of the law...usually. Theirs is the perilous and marginal existence—with barely enough chance of striking it fantastically big—just once—to keep them coming back for more. They pilot their tiny ship into the scars left by unsuccessful White Transitions, searching for the relics of lost human and alien vessels. But when they make a shocking discovery about an alien species that has been long thought dead, it may be the thing that could tip the perilous peace mankind has found into full-out war. Energetic and electrifying, *Ancestral Night* is a dazzling space opera, sure to delight fans of Alastair Reynolds, Iain M. Banks, and Peter F. Hamilton—"Bear's ability to create breathtaking variations on ancient themes and make them new and brilliant is, perhaps, unparalleled in the genre" (Library Journal, starred review).

Across the Wall Allen & Unwin

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Since childhood, Sabriel has lived outside the walls of the Old Kingdom, away from the power of Free Magic, and away from the Dead who refuse to stay dead. But now her father, the Abhorson, is missing, and Sabriel must cross into that world to find him. With Mogget, whose feline form hides a powerful, perhaps malevolent spirit, and Touchstone, a young Charter Mage, Sabriel travels deep into the Old Kingdom. There she confronts an evil that threatens much more than her life and comes face-to-face with her own hidden destiny. . . .
