ELLEN OSCAR

Claws of the Panda M.E. Sharpe

Filled with rare images and untold stories from filmmakers, exhibitors, and moviegoers, *Forbidden Hollywood* is the ultimate guide to a gloriously entertaining era when a lax code of censorship let sin rule the movies. *Forbidden Hollywood* is a history of "pre-Code" like none other: you will eavesdrop on production conferences, read nervous telegrams from executives to censors, and hear Americans argue about "immoral" movies. You will see decisions artfully wrought, so as to fool some of the people long enough to get films into theaters. You will read what theater managers thought of such craftiness, and hear from fans as they applauded creativity or condemned crassness. You will see how these films caused a grass-roots movement to gain control of Hollywood-and why they were "forbidden" for fifty years. The book spotlights the twenty-two films that led to the strict new Code of 1934, including *Red-Headed Woman*, *Call Her Savage*, and *She Done Him Wrong*. You'll see Paul Muni shoot a path to power in the original *Scarface*; Barbara Stanwyck climb the corporate ladder on her own terms in *Baby Face*; and misfits seek revenge in *Freaks*. More than 200 newly restored (and some never-before-published) photographs illustrate pivotal moments in the careers of Clara Bow, Joan Crawford, Norma Shearer, and Greta Garbo; and the pre-Code stardom of Claudette Colbert, Cary Grant, Marlene Dietrich, James Cagney, and Mae West. This is the definitive portrait of an unforgettable era in filmmaking.

British History For Dummies Atlantic Books

Set against the backdrop of imperial Russia, this tale of forbidden romance is the stuff of a great historical novel. It presents the account of the love between Count Nicholas Sheremetev, Russia's richest aristocrat, and Praskovia Kovalyova, his serf and the greatest opera diva of her time.

Cuba for the Misinformed Dewi Lewis Publishing

This account of historical politics in Ukraine, framed in a broader European context, shows how social, political, and cultural groups have used and misused the past from the final years of the Soviet Union to 2020. Georgiy Kasianov details practices relating to history and memory by a variety of actors, including state institutions, non-governmental organizations, political parties, historians, and local governments He identifies the main political purposes of these practices in the construction of nation and identity, struggles for power, warfare, and international relations. Kasianov considers the Ukrainian case in the context of a global increase in the politics of history and memory, with particular emphasis on a distinctive East-European variety. He pays special attention to the use and abuse of history in relations between Ukraine, Russia and Poland.

The Forbidden Tomb (The Hunters 2) Hachette UK

DIV With National Socialism's arrival in Germany in 1933, Jews dominated music more than virtually any other sector, making it the most important cultural front in the Nazi fight for German identity. This groundbreaking book looks at the Jewish composers and musicians banned by the Third Reich

and the consequences for music throughout the rest of the twentieth century. Because Jewish musicians and composers were, by 1933, the principal conveyors of Germany's historic traditions and the ideals of German culture, the isolation, exile and persecution of Jewish musicians by the Nazis became an act of musical self-mutilation. Michael Haas looks at the actual contribution of Jewish composers in Germany and Austria before 1933, at their increasingly precarious position in Nazi Europe, their forced emigration before and during the war, their ambivalent relationships with their countries of refuge, such as Britain and the United States and their contributions within the radically changed post-war music environment. /div

Secret Spaces, Forbidden Places Portobello Books

Should there be greater access to Britain's countryside? For a thousand years British people have been battling against the 'Trespassers will be Prosecuted' mentality of landowners. Now, however, the law of trespass is under challenge. After mass trespasses and days of protest against 'Forbidden Britain', we have a government committed to creating a general right of public access over at least part of rural Britain. But such a 'right to roam' will be fiercely resisted by some. What would it really mean for agriculture, forestry and wildlife, as well as recreation? Who would benefit and who would lose out? In this illuminating book Marion Shoard, dubbed the 'Rachel Carson of the British conservation movement', answers these questions and places them in what turns out to be a fascinating historical, philosophical and political context. The result provides essential reading for anyone concerned about the balance of power in a changing Britain as well as the fate of our changing countryside.

A Critical Essay on Why Blacks Use the N Word and Whites Are Forbidden Independently Published

For over 400 years, Taiwan has suffered at the hands of multiple colonial powers, but it has now entered the decade when its independence will be won or lost. At the heart of Taiwan's story is the curse of geography that placed the island on the strategic cusp between the Far East and Southeast Asia and made it the guardian of some of the world's most lucrative trade routes. It is the story of the dogged determination of a courageous people to overcome every obstacle thrown in their path. *Forbidden Nation* tells the dramatic story of the island, its people, and what brought them to this moment when their future will be decided.

Taro is a boy from a coastal village in rural Japan, fated to become a fisherman like his father. But in just one night, Taro's world is turned upside down - and his destiny is changed forever. Skilled in the art of silent and deadly combat, ninjas are the agents of powerful nobles who rule sixteenth-century Japan. So why did a group of these highly trained assassins creep into a peasant's hut and kill Taro's father? And why did one ninja rescue Taro from their clutches, saving his life at enormous cost? Now on the run with this mysterious saviour and his best friend Hiro, Taro is determined to learn the way of the ninja to avenge his father's death. But if they are to complete their perilous journey, Taro must first evade the wrath of the warring Lords, decipher an ancient curse, resist forbidden love - and come to terms with the blood-soaked secrets of a life lived in moonlight.

Bestseller! Now with extended coverage of modern British history Britain's past brought right up to date This book is a riotous, irreverent account of the people and events that have shaped Britain.

Always get those kings and queens confused? Never sure what happened when? You need this book. Inside you'll find rip-roaring stories of power-mad kings, executions, invasions, high treason, global empire-building, and forbidden love - not bad for a nation of stiff upper lips. Praise for British History For Dummies "It puts the history of Britain into the sort of perspective I've always hoped for."

—Terry Jones, Monty Python star and co-author of *Who Murdered Chaucer?* "Honestly—you can't beat British History For Dummies." —Bernard Cornwell, author of the Sharpe novels Discover how to Famous and infamous Britons Key royal, military, and cultural eras Power in Britain: Who lost it, who took it The rise and fall of Britain's global empire History as it connects to Britain today

The Oxford Illustrated History of Modern China Thorndike Press Large Print

It was the eleventh day of the school holidays and Rebecca was bored. But events take a dramatic turn for the better (or worse) when she finds herself transported to a distant planet whose people are terrorized by jelly-like monsters called Ghosts. Suggested level: primary, intermediate.

The History Thieves Bloomsbury Publishing USA

"Did Phoenician, Chinese and Spanish ships populate pre-Māori New Zealand? Did a tall white people with golden hair settle New Zealand 2,000 years ago?"--Back cover.

Khyber Knights The Capitol Net Inc

Moved by the desire for adventure and a yearning to help the Ute Indians, twenty-year-old Shiloh Wainright impulsively accepts a teaching position at the White River Indian Agency in northwestern Colorado. The new job, however, isn't what she imagined it would be, and Shiloh soon finds herself caught in the cross fire between the Utes, their unyielding Indian Agent, and the unrealistic demands of the US government. Her unexpected encounter with Jesse Blackwater, an embittered half-breed Ute and childhood friend, only complicates matters as they battle their growing feelings for each other amidst the spiraling tensions threatening to explode into a catastrophic Indian uprising. Set amongst the wilds of the Colorado Rockies in 1879, this is a tale of a forbidden love and a faith tested in the cauldron of intolerance and the harsh realities of life on the untamed frontier. Bestselling author Kathleen Morgan deftly explores themes of mercy, fidelity to one's beliefs despite what others think or do, and compassion for those different from oneself as she plumbs the depths of the human heart and the healing power of God's love.

History of Taiwan Oxford University Press, USA

THE HUNTERS If you seek, they will find... The treasure: For two thousand years, Alexander the Great's legendary tomb - and the extraordinary riches within - has remained hidden, but recent events hold the key to locating the fabled vault. Only one team can solve the mystery that has plagued historians for centuries. The mission: The Hunters - an elite group assembled by an enigmatic billionaire to locate the world's greatest treasures - are tasked with finding the tomb. Following clues to Egypt, they encounter hostile forces determined to stop them. What started as a treasure hunt quickly becomes a rescue mission that will take the lives of hundreds and leave a city in ruins. As the danger mounts, will the Hunters rise to the challenge? Or will the team be killed before they find the ultimate prize? High-octane action. Brilliant characters. Classic Kuzneski.

Ukraine's Forbidden History BRILL

Booker short-listed author

Forbidden History John Wiley & Sons

Few places on Earth were more dangerous in 1983 than Peshawar, Pakistan. With a savage war being waged a few miles away between the Soviet Union and the Afghan mujahideen, Peshawar had become the new Casablanca. When she wasn't being bombed, her narrow streets hosted a swirling human cocktail of turbaned freedom fighters, tight-lipped foreign mercenaries, naïve foreign aid workers, cruel Pathan warlords, and more spies than ever lurked in Berlin. Riding through this fiery forge was CuChullaine O'Reilly. The journalist who turned equestrian explorer was already familiar with Peshawar and the surrounding lawless portions of Pakistan's North West Frontier Province. A convert to Islam, the wandering horseman was unfazed by religious obstacles, fluent in the patois of the tribesmen, and able to partake of any local offering from luke warm goat fat to sullied ditch water. Setting off from Peshawar, O'Reilly began an equestrian odyssey into a mediaeval portion of the world devoid of mercy and machinery. His mission was to ride over some of the world's highest mountain ranges, thread his way through untamed tribes, and miraculously get back to war-torn Peshawar. Yet the adventure he sought demanded a high price. His horse died and was eaten by eager natives. He was kidnapped, tortured, imprisoned in Pakistan's most infamous prison, and met murderers, bandits, whores, and princes. Yet despite these setbacks, O'Reilly never lost hope that he would complete his mounted exploration of the remote and dangerous heart of Asia. Lavishly illustrated with dozens of drawings and maps, the resulting book was compiled from the field notes, maps and diaries the author brought back from his travels. It includes an in-depth glossary of native words, and the largest collection of ethnological, historical, political, sexual, and religious information ever gathered about life in Pakistan's North West Frontier Province. "Khyber Knights" is thus a rare talisman against a world grown soft and predictable. Its pages burn with a bawdy portrayal of the darkest secrets of this cruel and beautiful region. It is a tissue of mishaps and romantic adventures, poetic passages and natural beauties, set to the echoing of horses' hooves. Told with grit and realism by one of the world's foremost equestrian explorers, "Khyber Knights" has been penned the way lives are lived, not how books are written. It makes every effort to rip the reader's nerves to rags with its ruthless devotion to the unvarnished truth about life in the North West Frontier. You do not read "Khyber Knights". You survive it!

Forbidden Stanford University Press

"This global affairs veteran has carved out a solid, mature path, including for 'flawed democracies' like the U.S. We'd all be wise to follow." — Vancouver Sun From the author of the Globe and Mail bestseller, *Claws of the Panda*, comes a book quite literally for our times. Restoring Democracy in an Age of Populists and Pestilence is a thoughtful account of how we can save democracies from the despots and populists who provide easy answers to complicated situations, dumbing political discourse down to sandbox antics. Manthorpe argues that democracy is more resilient than it appears, and is capable of overcoming the attacks from within and without that have sapped its vigour since the end of the Cold War. He begins with a description of the events of 1989, one of the seminal years in modern history. This saw the end of the Cold War, and the apparent conclusive victory of democracy and its civic values. But the view of these changes as a triumph of democracy

— as summed up in Francis Fukuyama's essay "The End of History" — was short-lived. Russia, shorn of its Soviet empire, and the Chinese Communist Party, re-examining its survival after the Tiananmen Square Massacre, began devising ways to counter-attack the West's triumphalism and these met with considerable success. Internal pressures and contradictions — wealth disparity being chief among them — threaten the survival of many democratic systems. Abandoned industrial workers turn to the repeated platitudes designed to appeal to those left behind without actually offering them the ways and means to catch up. Immigrants, refugees, and the reformist fixations of isolated liberal elites have provided ammunition for would-be despots. Adding to the pressures building on the political norms of our democracies, the COVID-19 pandemic has brought economic and social stand-still for which no country is prepared.

Memory Crash Cormorant Books

In this highly original approach to the study of the construction of culture, this collection of previously unpublished essays explore the topography of the secret and the forbidden, focusing on specific moments in recent cultural and political history. By bringing together writers from different disciplines and different locations, this volume provides a rich and diverse mapping of how the secret and forbidden operate across different subjects and different geographies, extending far beyond physical locations. It is present in domains ranging from language, literature, and cinema to social and political life. This refreshing and thought-provoking collection of essays will prove invaluable for researchers and students.

The Pearl Baker Books

DIVIDIVA secret that could destroy two legendary families threatens to change the course of true love in Caroline B. Cooney's mesmerizing novel/divDIV Annabel Jayquith and Daniel Ransom meet at a party. They fall instantly in love, unaware that their lives are inextricably bound together by the crime that shocked a nation./divDIV Daniel is the high-profile son of a slain US senator who had presidential ambitions. Annabel is the daughter of a billionaire businessman. Like Daniel, Annabel is haunted by the discovery of her family history—a past she never knew existed./divDIV Annabel is rich and beautiful, but eighteen-year-old Jade O'Keeffe is poor and alone. She hates her mother, the fabulously successful TV talk-show host Theodora Jayquith, for giving her up for adoption. But most of all, she hates Annabel, Theodora's spoiled, much-loved niece. And Jade is going to make them all pay./divDIV As Daniel's search for the truth about his father's unsolved murder puts him in the crosshairs of Jade's revenge, a killer slips from the shadows. Now a secret that could bury two powerful families could also destroy Annabel and Daniel's growing love. /div/div

Rebecca's World Yale University Press

"Described as 'one of the most vulgar forms of barbarism, ' by Rep. John Kasson (R-IA) in 1882, a series of laws passed by the United States Congress between 1879 and 1943 resulted in prohibiting the Chinese as a people from becoming U.S. citizens. Forbidden citizens recounts this long and shameful legislative history"--Page 4 of cover.

Forbidden Nation Palgrave MacMillan

Until 1991 Ukraine was the largest nation in the world without independence. Long fought over by neighbouring Poles, Germans, Russians and eumanians, its recent history has been marked by extreme violence and over a quarter of its population were killed between 1930 and 1945 through famine, execution and war. This new work combines oraly history, archive and contemporary photographs to tell the horrifying story of the country and its people and their struggle for freedom. Includes 96 duotone plates.

Maritime Taiwan St. Martin's Griffin

A lively survey of Cuba's past and present, and a "must-have" companion to any Cuba travel guide "Cuba has the same effect on American administrations that the full moon has on werewolves." -- Wayne Smith, former head of US Interests Section in Havana "Cuba for the Misinformed is extraordinarily educational and enlightening." - Midwest Book Review For more than 50 years, the US government and mass media have misrepresented, hidden or ignored the truth about Cuba. In *Cuba for the Misinformed*, Mick Winter brings together a fascinating array of facts and anecdotes about Cuba's history, its government, its people, and the actions that the United States has taken against the well-being of those people. Citizens of other countries do know many of these facts. That is why every year at the United Nations almost every country on the planet (the 2012 vote was 188-3) demands that the United States end its embargo of Cuba. As you read this book, you will recognize that for more than fifty years something very interesting has been happening just ninety miles offshore from the United States. You may not agree with everything-- or even anything-- that has happened since the Cuban revolution, but you will likely admit that this small island country of eleven million people has had a global effect that reaches far beyond its size. This book presents information that is little-known (particularly to most Americans) about Cuba and its relationship with the United States. It offers this information clearly, succinctly and in a style that's enjoyable to read, and backs it up with helpful footnotes and links to resources. Whether you're a student, educator or journalist; planning a trip to Cuba (this book is an essential companion to your Cuba tour book); anticipating future business dealings; or simply want to know more, you'll find *Cuba for the Misinformeda* treasure of interesting--and often fascinating--information, facts and anecdotes about Cuba and its people.
