A Reference Annual EduGorilla Community Pvt. Ltd.

On 1 May 1960, Bombay Province was bifurcated into the two new provinces of Gujarat and Maharashtra, amidst scenes of great public fanfare and acclaim. This decision marked the culmination of a lengthy campaign for the creation of

Samyukta ('united') Maharashtra in western India, which had first been raised by some Marathi speakers during the interwar years, and then persistently demanded by Marathi-speaking politicians ever since the mid-1940s. In the context of an impending independence, some of its proponents had envisaged Maharashtra as an autonomous domain encompassing a community of Marathi speakers, which would be constructed around exclusivist notions of belonging and majoritarian democratic frames. As a result, linguistic reorganisation was also quickly considered to be a threat, posing questions for others about the extent to which they belonged to this imagined space. This book delivers ground-breaking perspectives upon nascent conceptions and workings of citizenship and democracy during the colonial/postcolonial transition. It examines how processes of democratisation and provincialisation during the interwar years contributed to demands and concerns and offers a broadened and imaginative outlook on India's partition. Drawing upon a novel body of archival research, the book ultimately suggests Pakistan might also be considered as just one paradigmatic example of a range of coterminous calls for regional autonomy and statehood, informed by a majoritarian democratic logic that had an extensive contemporary circulation. It will be of interest to academics in the fields of South Asian history in general and the Partition in particular as well as to those interested in British colonialism and postcolonial studies.

The Scout traces the journey of David Headley, son of a Pakistani aristocrat and an American mother who easily straddled both the Islamic and the western worlds. It is a tale of deception and deceit, of audacity and ingenuity and a detailed account of a man who coldly and systematically conducted a series of reconnaissance missions that perfected the most vicious and daring assault ever on the city of Mumbai. Investigated by two professionals in the field of anti terrorist operations, the Scout is a painstakingly researched and authentic account of the life and times of David Headley right until the time of his arrest whilst collaborating with the Al Qaeda and planning a public massacre in Denmark.

The book includes heretofore unknown documents, emails and pictures and exclusive details which offer fascinating reading to everyone from the common man to law enforcement and intelligence officials worldwide.

India 2018 Calibre Press

The highlighting feature of the book is the collection of the most relevant information and latest authentic DATA useful for all your needs.

- The content has been made engaging with the use of Charts, Graphics and Tables.

*Disenchanting India* EduGorilla Community Pvt. Ltd.

India is frequently represented as the quintessential land of religion. Johannes Quack challenges this representation through an examination of the contemporary Indian rationalist organizations: groups who affirm the values and attitudes of atheism, humanism, or free-thinking. Quack shows the rationalists' emphasis on maintaining links to atheism and materialism in ancient India and outlines their strong ties to the intellectual currents of modern European history. At the heart of *Disenchanting India* is an ethnographic study of the organization "Andhashraddha Nirmulan Samiti" (Organization for the Eradication of Superstition), based in the Indian State

of Maharashtra. Quack gives a nuanced account of the Organization's specific "mode of unbelief." He describes the group's efforts to encourage a scientific temper and to combat beliefs and practices that it regards as superstitious. Quack also shows the role played by rationalism in the day-to-day lives of the Organization's members, as well as the Organization's controversial position within Indian society. *Disenchanting India* contributes crucial insight into the nature of rationalism in the intellectual life and cultural politics of India.

This volume provides an overview of cyber economic crime in India, analyzing fifteen years of data and specific case studies from Mumbai to add to the limited research in cyber economic crime detection. Centering around an integrated victim-centered approach to investigating a global crime on the local level, the book examines the criminal justice system response to cyber economic crime and proposes new methods of detection and prevention. It considers the threat from a national security perspective, a cybercrime perspective, and as a technical threat to business and technology installations. Among the topics discussed: Changing landscape of crime in cyberspace  
Cybercrime typology  
Legal framework for cyber economic crime in India  
Cyber security mechanisms in India  
A valuable resource for law enforcement and police working on the local, national, and global level in the detection and prevention of cybercrime, Cyber Economic Crime in India will also be of interest to researchers and practitioners working in financial crimes and white collar crime.

This WHO Global report on psoriasis brings the public health impact of psoriasis into focus. The report is written to help raise awareness of the range of ways that psoriasis can affect peoples' lives. It intends to empower policy-makers with practical solutions to improve the health care and social inclusion of people living with psoriasis in their populations. The report highlights that much of the suffering caused by this common and complex disease can be avoided. Improving access to early diagnosis and appropriate treatment for psoriasis requires universally accessible health-care systems that provide people-centered care for patients with complex, lifelong conditions. Governments also have a key role to play in seeking to address the unnecessary social consequences of psoriasis by the challenging the myths and behaviors that lead to the exclusion of patients from healthcare settings and daily life.

The Development of Its Laws and Constitution Springer Nature

The book that could save a police

officer's life, career and the life of the citizens officers encounter on the job. The "Bible of Law Enforcement Training" is what the 1980 first edition of *Street Survival* was considered throughout the profession. *Street Survival II: Tactics for Deadly Force Encounters*, written by Lt. Jim Glennon, Lt. Dan Marcou with the original author Chuck Remsberg, has a new, sleek, modern look. While paying homage to the original, the update includes more than 200 colored photos and diagrams and delves into the profession's many changes over the past three decades. It includes tactics, effective street communication, detecting preattack indicators, public expectations, the issue of Guardian and Warrior roles, and especially preparing for the realities of force events.

*2 Years Maharashtra Civil Services Mains General Studies Solved Papers 1 to 4 (2018 - 2019) with detailed Explanations* SAGE Publishing India

Lokamanya (revered leader) Bal Gangadhar Tilak (1856 - 1920), the extremist politician of Maharashtra, a region of western India, was one of the first Congress Party leaders to adopt the strategy of mass politics. Interpretations of his role and his achievement differ greatly. Some historians depict Tilak as India's first mass politician who was a creative nationalist myth-maker; other suggest that he was an opportunist who manipulated politics for selfish, elitist purposes. With an eye to resolving these conflicting opinions, Cashman related Tilak's ideology to his political organization. the author concentrates on four mass movements, studying the Lokamanya when he was engaged in political action and comparing his public statements with his political tactics. This approach provides a means of examining the manner in which Tilak

redefined myths and of assessing the value of myths for purposes of political mobilization. Cashman suggests deficiencies in previous interpretations of Tilak. Arguing that the limitations of the mass movements need not be explained by the inadequacies of myths, he demonstrates that instead they reflected the transitional state of Maharashtraian society, which lacked a broad consensus. Tilak was active at a time when there was no common goal, no broader objective, in which sectional interests might be subsumed. He symbolized the uncertain striving of his society for some new direction, whose nature was yet unknown. He did not create the myth of the Lokamanya or the

ideology of nationalism but, responding to social and political pressures, became a prisoner of the myths. Much writing of Indian history has been influenced either by a narrow ideological approach or by a retreat to arithmetical pragmatism. Cashman attempts to restore a balance by reexamining the relationship of myth to politics. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1975.
