Master the words and phrases necessary for handling everyday situations Practice Makes Perfect: German Vocabulary helps you develop your vocabulary by providing practice in word-building and encouraging you to analyze new words for an ever-increasing vocabulary. Each chapter of this comprehensive book focuses on a theme, such as family or travel, so you can build your language skills in a systematic manner. As you lay the foundation for an increasing vocabulary, you are able to perfect your new words with plenty of exercises and gain the confidence to communicate well in German. Practice Makes Perfect: German Vocabulary offers you: More than 100 exercises Concise grammatical explanations A new chapter on contemporary vocabulary An answer key to gauge your comprehension With help from this book, you can easily speak or write in German about: Different occupations and jobs * German holidays and traditions * Taking the train * Growing your own garden * Where it hurts on your body * Your house * Your family and friends * What you studied in school * Your favorite TV show * Your family's background . . . and much more!

Learning Alsatian through English Assimil Italia

Is conversational German turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new

language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. "How do I get out of this situation?" many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED conversational German stories for beginners along with their translations, allowing new German speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well. We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of German along the way, obviously), this book is for you! How Conversational German Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. An German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational German Dialogues and start learning German right now!

Have you been trying to learn German and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in German, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in German and their translations An example sentence for each word - in both German and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a German speaker... are you ready to get involved in becoming one?

Listen and Learn German T&p Books

It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

A Frequency Dictionary of German Psychology Press

Designed for use with the Dover cassette (99915-7), this 66-page manual is complete in itself and can be used independently to learn the basic words, phrases, and sentences of everyday communication in German. In addition to greetings and other common expressions, it features a wealth of travel-related terms for buying tickets, asking directions, ordering meals, shopping, and sightseeing. All German words and phrases appear with simple phonetic pronunciation guides. The book's compact size makes it easy to carry for reference, and a detailed index simplifies the quick location of words and phrases.

Springer

30 German Short Stories for Complete Beginners One of the smartest ways to improve fluency is to read stories in your chosen language. Finding

appropriate literature can be tough when you're just starting out, but this collection of 30 short stories is a fun and entertaining way of learning German vocabulary and grammar. Each story is around 300 words, making them very quick reads without overwhelming you. Crafted for beginners, this is ideal for newcomers who are trying to approach fluency in a natural way. Rapidly Learn New Vocabulary Classes often emphasize the most proper way of speaking and writing a language, but that's rarely found with native speakers. These stories will help you learn how German is commonly written and conveyed with natural dialogues and expressions. Following each story is a list of interesting words used in the story along with an English translation. No more reaching for an German-to-English dictionary when encountering uncommon words. Grasp the Grammar Each story has a mixture of simple dialogue, descriptive sentences and everything in-between. This allows you to pick up how sentences are commonly written along with how to describe scenery, items and people, giving you an overall and detailed way of understanding the written language. Reading and Listening Skills Each story is only 300 words, giving you an engaging yet simple story that you can quickly read through. We also supply you with a free audio file so that you can follow along and understand how each word is said and how the sentences should be read. This is narrated by a native German speaker, ensuring every inflection is correct. With this book you'll get: 30 short stories--each story just 300 words long, 110 pages 60 minutes of audio from a native German speaker Their English translation after each paragraph If you want to improve your reading fluency as quickly and naturally as possible, then this book is ideal. Not only that, but each story is interesting, and you can read them in a matter of minutes.

[Perfect Phrases in German for Confident Travel](#) Courier Corporation

As society becomes more global, you should equip yourself with knowledge of foreign languages. What better language to start with than German? German has a reputation for being a difficult language to learn especially for English speakers. While there is some truth to that - its grammar rules are more complicated and it has sounds that don't exist in the English language - learning a new language will always be a challenge, no matter what it is, to foreign language learners. This book, Learn German for Beginners, offers an effective way to learn the basics of German. But first, let's be clear about what this book isn't. If you're looking for a book that offers a method for mastering a language in few simple steps, this isn't it. If you want a book that can make you fluent in German in no time, this also isn't it. In fact, if you found a book or any language learning resource promising those kinds of things, throw them away. Learning a new language takes time and dedication. Unless you're gifted, there's no shortcut. So, what can you expect from this book? Chapter 1 is all about the basics. You'll learn about the German alphabet, which is similar to the English alphabet but sounds differently, how to pronounce words the right way, and how to deal with numbers. This chapter will also show you that you already know a significant amount of German words even before you decided to study it. The second chapter deals with nouns and its companion, the articles. It explains how to identify which nouns are masculine, feminine, or neuter and how to form the plural. As an English speaker, the concept of having gendered nouns may be unusual. This chapter is filled with examples so you can start familiarizing yourself with them. In Chapter 3 you will learn about verbs and how to conjugate them. It also explains the different verb tenses that you are most likely to use and encounter as a beginner in the German language. Chapter 4 is about the German case system. This is one of the topics that makes many learners of the German language scratch their head. Cases may seem strange when you first encounter them but if you're still familiar with the concepts of English grammar, understanding cases won't be difficult and you'll only need to memorize the rules. You'll also learn in this chapter how to form your own simple German sentences. In Chapter 5,

you'll learn about adjectives, adverbs, and prepositions. This chapter discusses in detail the different rules on how to properly use these words when you build sentences. Chapters 6 to 10 contains words and expressions that you will find useful for everyday situations and for when you go on a trip to a German-speaking country. Finally, each chapter ends with a set of exercises so you can gauge how well you're doing on your German learning journey. So, if you want to improve your reading, writing, and speaking skills in this language, you need to make a change. Decide for yourself that you want to gain more opportunities. Take this risk. You will not regret it. This book is everything you need as a beginner. So, what are you still waiting for? Start reading this book to fulfill your goals! Scroll to the top of the page and select the buy now button.

Modern German Pronunciation T&p Books

Unlike your average A-to-Z German/English dictionary, Mastering German Vocabulary presents more than 5,000 words in 41 separate categories. This arrangement allows students to understand the relationships of various words. Categories cover the human body, health and medicine, sports, culture and religion, and dozens of other subjects. Engaging example sentences help illustrate the meanings of words and also inform readers on idiomatic expressions, grammatical exceptions, and cultural and geographical information. English-speaking readers will find help in translating those German words and phrases that may be too specialized to be found in ordinary alphabetically arranged bilingual dictionaries. Engaging line art illustrations, charts, and a comprehensive alphabetical word index enhances this volume's usefulness. A fine school supplement for language teachers, students, and language labs, and an aid for anyone who must sometimes get information from German journals and other publications.

Basic German Learn Like a Native

How often have you looked up an English word in a German dictionary only to be confronted by a bewildering array of German equivalents? Which is

the correct word for the context in question? Thirty years' experience in teaching Germanic languages at tertiary level to English-speaking students have made the author acutely aware of this problem. Mastering German Vocabulary explains how to use over 2,200 common German words correctly, using example sentences in German with English translations. In order to aid quick consultation, all German and English words are listed in separate indexes. The book is designed for all upper secondary and tertiary students of German and complements Routledge's grammar, dictionary and vocabulary building textbooks. It is a practical companion for anyone serious about perfecting their German.

German vocabulary for English speakers - 7000 words Routledge

This intensive lexical builder is addressed to B1-B2 intermediate learners of German, who are already capable of reading easy German stories, and who would like to enrich (and/or refresh) their vocabulary up to the advanced level in order to approach more complex German texts. Each piece of vocabulary is embedded in at least three example sentences in order to appeal to active understanding and trigger both short-term and long-term memory. Whenever possible, different meanings of the terms or expressions concerned are also illustrated. The vocabulary lessons are interspersed with concise but essential reminders of German grammar. At the end of the book, readers are offered a bilingual, paragraph for paragraph version of one of E. T. A. Hoffmann's famous stories, namely "Rath Krespel" (1818), translated in English by J. T. Bealby (1885). In each pair of bilingual paragraphs, important words to retain or recognize are emphasized in bold or underlined. Finally, the bilingual version is followed by the original, German only text of Hoffmann's novel - which readers are advised to go through, even if by now they know the narrative - since it is essential to retrieve and fully consolidate all learned German terms into their original context. This paperback comes with a free copy of the e-book version. Should you have any suggestions as to how this book can be improved, please email us at: hermeslanguagereference@gmail.com, or visit us at www.hermeslanguagereference.wordpress.com And of course, as always when it comes to foreign language learning, remember to stay brave!
