Advanced English for Lawyers, Plain & Simple. International Legal English for Lawyers, Law Professionals & Law Students: (TOLES Edition) LAWYER'S ENGLISH LANGUAGE COURSEBOOK. The Lawyer's English Language Coursebook The Lawyer's English Language Coursebook A Manual of Style for Contract Drafting International Legal English Teacher's Book is an essential companion for any teacher wishing to use International Legal English in the classroom. The book offers invaluable background information about the law topics discussed, giving teachers the confidence to explore these topics with their students. The Teacher's Book guides the teacher through the exercises in the book and suggests optional consolidation activities along the way. It includes 45 extra photocopiable activities and adds a whole new communicative dimension to the course, with lots of ideas for discussion and role-plays.

Professional English in Use Law John Wiley & Sons English is the dominant language of international business relations, and a good working knowledge of the language is essential for today's legal or business professional. Legal English provides a highly practical approach to the use of English in commercial legal contexts, and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and oral legal communication in typical legal situations in a straightforward manner. As well as including chapters on grammar and punctuation for legal writing, the book features sections on contract-drafting, language for negotiation, meetings and telephone conversations. This edition contains additional troubleshooting tips for legal writing, guidance on good style, and new sections on writing law essays and applying for legal positions.

All you need to improve your vocabulary Cambridge University Press

Buy a new version of this textbook and receive access to the Connected eBook on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. Learn more about Connected eBooks The Art of Advocacy: Briefs, Motions, and Writing Strategies of America's Best Lawyers presents more than 150 examples of masterful advocacy to show lawyers how to write winning motions and briefs. The book focuses on the strategic and substantive

choices that top litigators make, drawing examples from important, timely, and controversial cases. Detailed annotations give readers insight into what makes each document so effective. In addition to presenting a host of storytelling, stylistic, and organizational strategies, the book's examples demonstrate how to build and rebut different types of arguments. The Appendices provide a wealth of additional resources, including Karl Llewellyn's previously unpublished advice from 1957 about the art of advocacy, which one top law professor described as the "best advice on legal writing I've ever seen." Features Compiles more than 150 examples of masterfully written legal advocacy and analysis Succinct introductory text presents the facts of each case Detailed annotations by the author highlight How to tell your client's story How to build and counter six types of legal argument How to organize your arguments How to develop a theme Excerpts from high-interest cases, such as The battle over "Obamacare" A massive copyright suit involving YouTube BP's oil spill in the Gulf of Mexico Facebook's infamous feud with the Winklevoss twins Apple's billion-dollar patent dispute with Samsung Lance Armstrong's attempt to retain his Tour de France titles Major cases involving gay rights and affirmative action For year-long courses, a stellar option for second-semester students Perfect for practicing litigators who want to see a playbook of moves and strategies from top lawyers and from major cases Stresses strategic choices and the art of building compelling substantive arguments Focuses on briefs and motions Developing a theme Framing issues Isolates examples of specific arguments—doctrinal, textual, legislative history policy, and so on Innovative layout

Teacher's Book Cambridge University Press 'English for Tax Professionals' is a Business English course book designed to address the specific language needs of tax consultants, tax lawyers, tax accountants, auditors, tax agency officials and numerous other tax professionals. The Book offers a 100% target language set in the right context, along with the guidance on how to learn new vocabulary, concise revision of key structures, speaking activities, writing tasks and a complete glossary of terms. The Teacher's Book is an essential companion to the Student's Book, created with a view to enabling teachers with little or no experience in teaching taxation topics to deliver an effective and confident 'English for Tax Professionals' class. The Book benefits more experienced teachers by significantly reducing their lesson preparation time, enhancing their teaching skills and providing a rich source of additional activities. The Book offers detailed and clear instructions on how to teach the course, along with relevant background information on taxation topics discussed and numerous Extra Activities, designed to provide the context and opportunity for further practice. Key Features: classroom tested careful selection of relevant topics systematic

vocabulary building by thematic areas guided speaking and writing exercises grammar revision in taxation context a clear and recognisable unit pattern a complete glossary of terms *A Manual of Style for Contract Drafting* Pearson Higher Ed An essential handbook for international lawyers and students Focusing on vocabulary, Essential Legal English in Context introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar because of close spellings but in fact have different meanings. For instance, what is the distinction between "taking the stand" and "taking a stand?" What is the difference between "treaties" and "treatises"? Featuring illustrations and hands-on exercises, Essential Legal English in Context is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm. Instructors can use the handbook in an introductory US legal English course.

Legal Language American Bar Association Legal English is a professional language. This means that a good command of ordinary English does not automatically make a student proficient in legal English. Many foreign law students on English language programmes experience problems when suddenly all their lectures, textbooks, discussions and written work have to be in English. A lack of familiarity with legal English can seriously impede their progress. And a command of legal English is not just a desirable academic skill. It has become an absolute 'must' for today's legal professionals working in internationally orientated law firms. This book offers: vocabularies providing sets of legal terminology associated with the legal system, civil procedure, EU law, tort, contract law and company law; text putting the terms in the vocabularies into their legal context; case discussion questions in order to practice using the terminology; knowledge questions to ensure that the reader has understood the legal concepts. This book is designed for law students who have followed their law studies in a language other than English. Textbooks on English law are too detailed for those

who want to understand English legal terminology rather than English law itself. Legal dictionaries are useful but, as the words are ordered alphabetically, terms are treated in isolation. **Law and Popular Culture** West Academic Publishing Admirably clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001 Bryan A. Garner's *Legal Writing in Plain English* has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, *Legal Writing in Plain English* draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book's principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more classroom-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward.

Legal Concepts in Language Oxford University Press

This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

LAWYER'S ENGLISH LANGUAGE COURSEBOOK. Wolters Kluwer #1 NEW YORK TIMES BESTSELLER • Michael Brock is billing the hours, making the money, rushing relentlessly to the top of Drake & Sweeney, a giant D.C. law firm. One step away from partnership, Michael has it all. Then, in an instant, it all comes undone. A homeless man takes nine lawyers hostage in the firm's plush offices. When it is all over, the man's blood is splattered on Michael's face—and suddenly Michael is willing to do the unthinkable. Rediscovering a conscience he lost long ago, Michael is leaving the big time for the streets where his attacker once lived—and where society's powerless need an advocate for justice. But there's one break Michael can't make: from a secret that has floated up from the depths of Drake & Sweeney, from a confidential file that is now in Michael's hands, and from a conspiracy that has already taken lives. Now Michael's former partners are about to become his bitter enemies. Because to them, Michael Brock is the most dangerous man on the streets.

The Street Lawyer Cambridge University Press

This practical handbook provides a comprehensive overview of professional legal language and practical skills. Prepared by native English-speaking lawyers, the book includes professional legal English terminology, practice-oriented examples and sample documents for use in your daily practice. Structured to provide a legal focus, a language focus as well as a practical focus, it helps you apply your professional legal expertise competently in various English-language situations.

Teacher's Book University of Chicago Press

English for Law in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Law is a skills-based course designed specifically for students of law who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist legal language they need to participate successfully within a legal studies faculty. Extensive listening exercises come from law lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key legal vocabulary that students will need. The Teacher's Book includes: Comprehensive teaching notes on all exercises to help teachers prepare effective lessons Complete answer keys to all exercises Full transcripts of listening exercises Facsimiles of Course Book

pages at the appropriate point in each unit Photocopiable resource pages and ideas for additional activities The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers.

Handbook for Professional Legal Language and Practical Skills Cambridge University Press

Leadership is a mindset, not a title or position. In *Fundamentals of Lawyer Leadership*, we explore the aspects of leadership that law students can develop and improve during their time in law school. This textbook begins with the underpinnings of leadership, what it means, and how history guides our view of it. In Part One – Leadership of Self: Growing into Leadership, the leadership journey requires a look inward to examine who you are, what type of lawyer you want to be, and how you will lead. In Part Two – Leadership with Others: Effective Group Dynamics, the book covers topics such as building and nurturing relationships, developing emotional and cultural intelligence, establishing effective teams, and inspiring others. Finally, in Part Three – Leadership within Community: Service and Impact, the book examines the role of the lawyer in society and how you can use your skills to have influence even when you are not in charge. Contributing your energy to worthy causes about which you are passionate will bring purpose and satisfaction to your life. Just as developing legal skills is a life-long endeavor, growing as a leader is a process that evolves over a lifetime. Highlights of this new coursebook: Thorough discussion of core leadership topics as they relate to lawyers. Learning objectives and journal prompts for each topic. We believe that journaling is the most effective way to integrate leadership topics into each student's unique leadership style. Relevant and accessible applications. Each topic has at least one interactive exercise that can be used in class to compliment the concepts covered in the text. Professionalism and ethics woven throughout this book. Students see where many principles of leadership and professionalism are grounded in the ABA Model Rules of Professional Conduct. Real world scenarios. Many of the examples and lessons come from practicing lawyers, and these perspectives give students a glimpse into the practice of law and prepares them for situations they may face. Career advancement tips. The topics covered in this leadership book not only prepare law students to be successful as a leader in the community, but also better prepare students for success in the profession, whether building their own practices or moving up the ladder in their firms/companies. Modular formatting. This book was written in modules so that it can be used beyond a dedicated leadership course. Topics can be used for professional development programming or clinical training. Knowledge beyond law school. This book is excellent for organizations, firms, and companies, in module form or the whole book, to teach leadership development for practicing lawyers. Anyone teaching leadership development will find something in this book to help them. Professors and students will benefit from: A framework for teaching leadership development concepts: Leadership of Self, Leadership with Teams, and Leadership within Community. By thinking about leadership development in these three stages, students begin with a focus on identifying and understanding their strengths and weaknesses and develop a plan to strategically improve where beneficial. The book provides a roadmap for teaching these concepts in an easy-to-understand manner that allows for flexibility and adaptability to each professor's vision of a leadership course for law students. Text Designed for both new and experienced professors. This book gives law professors the structure and resources to lead students through discussions of leadership topics. Many will find they are familiar with the concepts even though they did not take a similar class in law school or may not have received formal leadership training. Many examples relate to law school settings and the leadership lessons that can be learned from those experiences. Emphasis on Professional development, lawyers' ethical obligations, and service and other themes throughout the chapters to reinforce the importance of each to a lawyer leader. Comprehensive coverage of the skills that lawyers need upon graduation and as they transition into the workplace. Discussion of the role of lawyers in society that teaches students to learn to think about the traditional role of lawyers as leaders in society and how that role has developed and changed over time. The book also discusses the need for leadership from lawyers in the future. Exploration of the potential for lawyers acting as leaders to influence others. This book explores ways to look for those

opportunities and be better prepared for them. An enriching experience for students to experience significant personal growth as they discover more about who they are and which of their characteristics and traits are strengths and weaknesses in different circumstances.

TOLES Legal English Wolters Kluwer

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Plain English for Lawyers West Academic Publishing

Since the publication of its first edition, this textbook has become the definitive student introduction to the subject. As with earlier editions, the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society. In addition, this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life. The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill. This introductory text covers a wide range of topics in a clear, sensible fashion giving full context to each. For this reason *An Introduction to Law* is ideal for all students of law, be they undergraduate law students, those studying law as part of a mixed degree, or students on social sciences courses which offer law options.

A Course for Classroom or Self-Study Use NYU Press

In this linguistic study of law school education, Mertz shows how law professors employ the Socratic method between teacher and student, forcing the student to shift away from moral and emotional terms in thinking about conflict, toward frameworks of legal authority instead.

Drafting Contracts Carolina Academic Press LLC

"Absolute Legal English is a practical and stimulating course book for students of law and practising lawyers who wish to work in an international legal environment and need to extend their language skills. It is particularly useful for candidates preparing for the ILEC exam"—back cover.

The Lawyer's English Language Coursebook Lawbility Ltd.

Introduction to International Legal English is an intermediate level course for law students or newly-qualified lawyers who need to use English in their legal work or studies. Suitable for classroom use or self-study, the course prepares learners for using English in a commercial law environment. Using authentic legal texts and case studies supplied by TransLegal®, Europe's leading firm of lawyer-linguists, the course develops an understanding of the law and consolidates language skills. Featuring both academic and professional contexts, Introduction to International Legal English is an ideal starting point for preparing for the Cambridge ILEC examination.

LAWYER'S ENGLISH LANGUAGE COURSEBOOK. The Lawyer's English Language Coursebook The Lawyer's English Language Coursebook A Manual of Style for Contract Drafting American Bar Association

Global Corruption Peter Lang

American Legal English: Using Language in Legal Contexts provides a basic introduction to the U.S. legal system for non-native speakers of English. It combines elements of law with language to enhance non-native English speakers' ability to communicate with their legal counterparts in English. Reading, writing, listening, and speaking activities are included in each chapter. While a good basic knowledge of general English is presumed, there is no assumption that the students have any knowledge of the U.S. legal system or legal terminology. Collaborative, communicative activities are used throughout the text to engage student interest and involve them in the learning process. Realia, in the form of cases and statutes, is included so that students become comfortable with legal English and its sometimes difficult syntax. The text can be used for both law students and legal practitioners, in either intensive programs or those of longer duration. Non-attorney English for Specific Purposes instructors who have some interest in the legal field will be able to use the book and rely on the expertise of their students to create an effective learning environment in a Law and Language course. The organization of the book is by legal content, beginning with a broad overview of the system and how it works, then moving to specific areas of law such as torts or contracts. The book culminates in a mock trial, which provides students an opportunity to employ all of the skills and knowledge they have acquired during study of the preceding chapters. .
