The easy way to brush up on your English skills Is it good or well? There, their, or they're? Some people don't have to think twice about using proper English, but for the rest of us it can get tricky and confusing. Whether you're writing or speaking, it's all too easy to fall prey to simple mistakes that will represent you in a less-than-desirable light—which can potentially cost you a job or put you in an embarrassing social situation. Avoiding complicated grammar rules, Basic English For Dummies sticks to the basics and makes it easy to get up and running on what you need to know to partake in successful everyday communication, no

matter your audience or medium. Inside, you'll find plenty of examples and exercises, guidance on how to structure sentences to make yourself easily understood, and so much more. In no time, you'll leave the 'me or I?' debate at the door and speak and write confidently and correctly. Plus, you'll expand your vocabulary, find the right tone and style you want to convey in your communication, and avoid common English language pitfalls. Includes quizzes and self-tests Provides guidance on composing letters, emails, texts, and phone calls Explains in plain English how to improve your English skills Gives you instruction and

exercises on putting your skills to practice right away. If English is your first language, but you missed or have forgotten the nuances that were taught in school, *Basic English For Dummies* is your go-to guide. It is also ideal for those learning English as a second language.

The eText allows students online access to the student book so they can practice English on the go! Students can access audio selections, do full text searches, highlight important information, create notes and save bookmarked pages. The eText can be used on your computer, iPad, and Android tablet once you have redeemed the Access Card. This eText represents an electronic version of the well-known print edition, *Fundamentals of English Grammar, 4th Edition* ISBN 978-013246932-6. A classic developmental skills text for lower-intermediate and intermediate English language learners, *Fundamentals of English Grammar* is a

comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the fourth edition more fully develops communicative and interactive language-learning activities. Some of the new features are:

- Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught
- Structure-based listening exercises ranging from casual speech to more academic content
- A wide selection of readings that highlight the target grammar structures
- Greatly expanded speaking practice with extensive pair, group, and class

Basic English Grammar Pearson Education ESL An Introduction to

English grammar provides a comprehensive overview of all aspects of English grammar, and can be used in the classroom, for self-study, or as a reference book. The book is organised in two parts - on grammar and its applications - and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further

graded exercises.

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

Basic English Grammar Student Book B with Online Resources, 4e
Prentice Hall

Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with

carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. **New to This Edition** * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. *

New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight

the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.
