### The Mueller Report Independently Published

NOTE: This is a summary guide and is meant as a companion to, not a replacement for, the original book. ABOUT BOOK: The wait is over. Robert Mueller, a lifelong Republican, has concluded his investigation and submitted its findings to Attorney General William Barr. Barr has told Congress that Mueller found no proof of collusion between the Trump campaign and Russia, and did not come to a conclusion on obstruction of justice—neither concluding the president committed a crime nor exonerating him. But Mueller's report was over 300 pages and Barr's summary was only four pages, raising questions about the conclusions of a historic investigation. ABOUT THE AUTHOR; Robert Mueller served as director of the FBI from 2001 to 2013. In 2017, he was named special counsel to investigate Russian interference into the 2016 presidential election. INTRODUCTION. The Mueller Report Is 448 Pages Long. You Need to Know These 7 Key Things. The special counsel, Robert S. Mueller III, produced a report of more than 400 pages that painted a deeply unflattering picture of President Trump but stopped short of accusing him of criminal wrongdoing. Here are seven takeaways.

### The Mule Random House

Read the book Democrats doesn't want you to read. There has never been a more important political investigation than Robert S. Mueller III's into President Donald Trump's possible collusion with Russia. This comprehensive and coherently argued book reveals how Mueller report vindicated President Trump and even makes him the most transparent president in US history. PLEASE note that this thorough book is mostly blank but it's entirely satire.

### The Obstruction Investigation Independently Published

The New York Times Bestseller This is the full text, Volumes 1 and 2, of special counsel Robert Mueller's investigation. It is THE REPORT AND NOTHING BUT THE REPORT, in a beautifully typeset edition, with full searchability in ebook formats, presented exactly as released by the Attorney General of the United States, with no

positioning—such as a celebrity introduction—that would give it a bias or impede its clarity. One of the most-talked-about investigations in American history, the subject of constant media discussion and speculation, non-stop and controversial attacks from the president, and the eager anticipation of a public wondering what the truth is, this long-awaited publication is an historic event. The Mueller Report continues Melville House's "tradition of publishing pivotal public documents."—The New York Times

### The Mueller Report Independently Published

Special Counsel Robert Mueller's report, delivered to the public in April 2019, is a lengthy 448 pages and spans two volumes. Mike Townsky's 18-minute summary distills the Mueller Report into its key information and analysis.

### The (Redacted) Mueller Report Skyhorse

Special Counsel Robert Mueller's report, delivered to the public in April 2019, is a lengthy 448 pages and spans two volumes. Mike Twonsky's 18-minute summary distills the Mueller Report into its key information and analysis.

### The Mueller Report Hardcover Extra Summary Editon Melville House

A NEW YORK TIMES BESTSELLER Written and designed by the staff of The Washington Post and illustrated by artist Jan Feindt, The Mueller Report Illustrated: The Obstruction Investigation brings to life the findings of special counsel Robert S. Mueller III in an engaging and illuminating presentation. When it was released on April 18, 2019, Mueller's report laid out two major conclusions: that Russia's interference in the 2016 presidential election had been "sweeping and systematic" and that the evidence did not establish that Trump or his campaign had conspired with the Kremlin. The special counsel left one significant question unanswered: whether the president broke the law by trying to block the probe. However, Mueller unspooled a dramatic narrative of an angry and anxious president trying to control the criminal investigation, even after he knew he was under scrutiny. Deep inside the 448-page report is a fly-on-the-wall account of the inner workings of the White House, remarkable in detail and drama. With dialogue taken directly from the report, The Mueller Report

Illustrated is a vivid, factually rigorous narrative of a crucial period in Trump's presidency that remains relevant to the turbulent events of today.

### Where Law Ends Courier Dover Publications

Written by Special Counsel Robert S. Mueller III the "Report On The Investigation Into Russian Interference In The 2016 Presidential Election" has been released. Already generating as many questions as it answered, as well as contradictory statements from politicians and pundits on all sides of the political spectrum, the Mueller Report's revelations and conclusions are sure to be debated for years to come. Now the American people can read the report for themselves and draw their own conclusions.

NEW YORK TIMES BESTSELLER • With unparalleled reporting, a Pulitzer Prize-winning New York Times reporter chronicles the clash between a president and the officials of his own government who tried to stop him. "A meticulously reported volume that clearly benefits from the author's extraordinary access . . . [a] startling dissection of the Trump presidency."—The New York

Times Drawing on secret FBI and White House documents and confidential sources inside federal law enforcement and the West Wing, *Donald Trump v. The United States* tells the dramatic, high-stakes story of those who felt compelled to confront and try to contain the forty-fifth president of the United States as he shredded norms and sought to expand his power, bringing American democracy to the brink. Michael S. Schmidt broke many of the major stories of the Trump era, from the news of Hillary Clinton's use of a personal email account to the report on the memos of former FBI director James Comey's conversations with Trump that led directly to the appointment of special counsel Robert S. Mueller III. In *Donald Trump v. The United States*, Schmidt takes us inside the defining events of a presidency, chronicling the clash between an increasingly emboldened president and the officials of his own government who found themselves trying to thwart the president they had once pledged to serve. Through their eyes and ears, we observe an epic struggle to stop a rogue agent in our nation's highest office. A vital work of journalism, *Donald Trump v. The United States* is a riveting contemporary history and a lasting account of just how fragile and vulnerable American democracy really is.

*The Mueller Report* Independently Published

The Crucial #1 New York Times Bestseller "The Mueller report is that rare Washington tell-all that surpasses its pre-publication hype...the best book by far on the workings of the Trump presidency." —Carlos Lozada, *The Washington Post* The only book with exclusive analysis by the Pulitzer Prize-winning staff of *The Washington Post*, and the most complete and authoritative available. Read the findings of the Special Counsel's investigation into Russian interference in the 2016 election, complete with accompanying analysis by the Post reporters who've covered the story from the beginning. This edition from *The Washington Post/Scribner* contains: —The long-awaited Report On The Investigation Into Russian Interference In The 2016 Presidential Election —An introduction by *The Washington Post* titled "A President, a Prosecutor, and the Protection of American Democracy" —A timeline of the major events of the Special Counsel's investigation from May 2017, when Robert Mueller was appointed, to the report's delivery —A guide to individuals involved, including in the Special Counsel's Office, the Department of Justice, the FBI, the Trump Campaign, the White

House, the Trump legal defense team, and the Russians —Key documents in the Special Counsel's investigation, including filings pertaining to General Michael T. Flynn, Paul Manafort, Michael Cohen, Roger Stone, and the Russian internet operation in St. Petersburg. Each document is introduced and explained by *Washington Post* reporters. One of the most urgent and important investigations ever conducted, the Mueller inquiry focuses on Donald Trump, his presidential campaign, and Russian interference in the 2016 election, and draws on the testimony of dozens of witnesses and the work of some of the country's most seasoned prosecutors. The special counsel's investigation looms as a turning point in American history. The Mueller Report is essential reading for all citizens concerned about the fate of the presidency and the future of our democracy.

**The Mueller Report** Simon and Schuster

On May 17, 2017, Robert S. Mueller III was appointed by acting Attorney General Rod J. Rosenstein to serve as Special Counsel by Order 3915-2017. The Special Counsel investigation of 2017 to 2019, also referred to as the Mueller probe, Mueller investigation and Russia investigation, was a United States counterintelligence investigation of the Russian government's efforts to interfere in the 2016 presidential election. According to its authorizing document, the investigation's scope included allegations that there were links or coordination between Donald Trump's presidential campaign and the Russian government as well as "any matters that arose or may arise directly from the investigation." It included a criminal investigation which looked into potential obstruction of justice charges against Trump and others within the campaign and administration. Conducted by the Department of Justice Special Counsel's Office headed by Robert Mueller, a Republican and former Director of the Federal Bureau of Investigation (FBI), the Special Counsel investigation began eight days after President Trump dismissed FBI director James Comey, who had been leading existing FBI investigations since July 2016 into links between Trump associates and Russian officials.

*The Mueller Report* Cosimo Reports

The long awaited Muller Report is finally published and made

available to the public. The results of Special Counsel Robert Mueller's investigation provide answers to questions that caught the attention of the entire American public. Since the first evidence of Russian interference in the 2016 presidential election came up, the Democratic public has raised suspicion in President Trump's involvement. The special counsel was appointed to examine these allegations and to determine the fact regarding the biggest political scandal in the recent American history. On April 18, 2019, a redacted version of the Muller report was released to Congress and the public. In this report Robert Muller presented his findings regarding the Russian interference interfere in the 2016 United States presidential election, allegations of conspiracy or coordination between Donald Trump's presidential campaign and Russia, and allegations of obstruction of justice. *The Final Report of the Special Counsel into Donald Trump, Russia, and Collusion* Independently Published

NOW A NEW YORK TIMES, WASHINGTON POST, WALL STREET JOURNAL, USA TODAY, AND PUBLISHERS WEEKLY BESTSELLER.

There has never been a more important political investigation than Robert S. Mueller III's into President Donald Trump's possible collusion with Russia. His momentous findings can be found here, complete with: The 300+ pages of the historic report, as released by the Justice Department An introduction by constitutional scholar, eminent civil libertarian, and New York Times bestselling author Alan Dershowitz. The relevant portions of Title 28 of the Code of Federal Regulations, the 1999 provisions written by former acting Solicitor General Neal Katyal, which establish and regulate the powers of the special counsel. Rod Rosenstein's 2016 order appointing Robert Mueller III as special counsel and outlining the scope of his investigation. Attorney General William Barr's four-page summary of the report, as sent to Congress. Barr's explanation of the four reasons for redacting the report, and a key for identifying them in the color-coded report The wait

is over. Robert Mueller, a lifelong Republican, has concluded his investigation and submitted its findings to Attorney General William Barr. Barr has told Congress that Mueller found no proof of collusion between the Trump campaign and Russia, and did not come to a conclusion on obstruction of justice—neither concluding the president committed a crime nor exonerating him. But Mueller’s report was over 300 pages and Barr’s summary was only four pages, raising questions about the conclusions of a historic investigation. Special Counsel Robert Mueller III’s probe into Russian influence on the 2016 election of Donald Trump—including links between the campaign and Russian interests, obstruction of justice by President Trump, and any other matters that may have arisen in the course of the investigation—has been the focal point of American politics since its inception in May 2017. Democrats in the US House of Representatives hoped to use the report to begin impeachment proceedings, with the support of those critical of the president. Media tracked Mueller’s every move, and the investigation was subject to constant speculation by political pundits everywhere. It resulted in the indictments of Michael Flynn, Paul Manafort, Roger Stone, and many others. President Trump and his supporters affirmed that the investigation was a “witch hunt” and the product of a plot by the political establishment—the “deep state”—to delegitimize his presidency. Mueller’s findings—at least according to Barr—allowed the latter to claim victory. But now, thanks to a subpoena from House Judiciary Committee chairman Jerry Nadler for the full report, a resolution from the House of Representatives to release the full report to the public (though blocked in the Senate by Mitch McConnell), and popular demand, it’s time for public to judge if that is true. The Mueller investigation will join Watergate, and the Mueller Report will join the 9/11 Commission Report, the Warren Report, and the Starr Report, as one of the most important in history. The Mueller Report is required reading for everyone with interest in American politics, for every 2016 and 2020 voter, and every American. It’s now available here as an affordable paperback, featuring an introduction from eminent civil libertarian, Harvard Law Professor Emeritus, and New York Times bestselling author Alan Dershowitz, who provides a constitutional, civil law-based commentary sorely needed in today’s media landscape.

[Volume II \(Redacted Version\)](#) Simon and Schuster

Now you can read the Mueller Report for yourself. This historic document may reflect a pivotal moment in American history. Never before has a US President been investigated for possible collusion with a foreign government. In 450 pages Robert Mueller sets forth his findings in a meticulous fashion. This report is submitted to the Attorney General pursuant to 28 C.F.R. § 600.8(c), which states that, “[a]t the conclusion of the Special Counsel’s work, he ... shall provide the Attorney General a confidential report explaining the prosecution or declination decisions [the Special Counsel] reached.” The Russian government interfered in the 2016 presidential election in sweeping and systematic fashion. Evidence of Russian government operations began to surface in mid-2016. In June, the Democratic National Committee and its cyber response team publicly announced that Russian hackers had compromised its computer network. Releases of hacked materials--hacks that public reporting soon attributed to the Russian government--began that same month. Within the Executive Branch, these investigatory efforts ultimately led to the May 2017 appointment of Special Counsel Robert S. Mueller, III. The order appointing the Special Counsel authorized him to investigate “the Russian government’s efforts to interfere in the 2016 presidential election,” including any links or coordination between the Russian government and individuals associated with the Trump Campaign. As set forth in detail in this report, the Special Counsel’s investigation established that Russia interfered in the 2016 presidential election principally through two operations. First, a Russian entity carried out a social media campaign that favored presidential candidate Donald J. Trump and disparaged presidential candidate Hillary Clinton. Second, a Russian intelligence service conducted computer-intrusion operations against entities, employees, and volunteers working on the Clinton Campaign and then released stolen documents. The investigation also identified numerous links between the Russian government and the Trump Campaign. Although the investigation established that the Russian government perceived it would benefit from a Trump presidency and worked to secure that outcome, and that the Campaign expected it would benefit

Who wants to lug that bulky Mueller Report around? Flipping

through it is a nightmare. And what a waste of paper! Printing, carrying, organizing and searching through the lengthy 448-page Mueller Report is logistically inefficient. Whether printed on paper or viewed on a screen, the hurdles and limitations of navigating are cumbersome and frustrating. This book displays the complete text of Robert Mueller’s 448-page U.S. Department of Justice Report on the Investigation into Russian Interference in the 2016 Presidential Election, Volumes 1 and 2, compressed onto 113 pages. The white margins have been cropped out and the downsized pages laid on a 4x1 grid. The text is small but readable for most people. When the book is open, the reader can view 8 pages at a time on a 2-page spread. For quick and easy reference, descriptive headers on every page provide the volume, section, and original page numbers, as well as descriptions of the subjects on the page. The original Mueller Report provides no comparable guide. Flipping through this volume also provides perspective on the size and locations of redacted material that single-page viewing cannot convey. This book is a handy alternative to other printed versions of this important document.
