Michael Jackson's Complete Guide to Single Malt Scotch, 7th edition, reviewed by Nicholas Hoare BEST WHISKEY OF 2017 - Little Book Malt Whisky A quick primer on single malt scotch: "Single malt" means that the whisky comes from one distillery and is made from 100-percent malted barley. So Glenfiddich 12, for example, may be a blend of a... 12 Best Single Malt Scotch Whisky Brands to Buy in 2020 Malt whisky is whisky made from a fermented mash consisting primarily of malted barley. If the product is made exclusively at a single distillery (along with other restrictions), it is typically called a single malt whisky. Although malt whisky can be made using other malted grains besides barley, those versions are not called malt whisky without specifying the grain, such as rye malt whisky or ... Malt whisky - Wikipedia Malt whisky is the 'original' whisky of Scotland. Although other grains were used, barley was grown specifically for making beer and whisky. However, with the success of

blended whisky in the late 19th century, little was drunk as single malt outside the Highlands until the 1980s, when 'the vintages of the North' were rediscovered by an enthusiastic public and began to be made available by distillery owners. Single Malt Scotch Whisky : The Whisky Exchange The Glenlivet competes with Glenfiddich for the title of best-selling malt whisky on the planet, but don't let its ubiquity put you off. This cracking new expression is a great introduction to the Glenlivet spirit character: stewed apples melting into candied pineapple with a drop of water, white flower scents and mint Toffos on the finish. Best single malt whisky: Eight to try - Decanter Casks of grain generally are less than for comparative aged malt whiskies however the gap is narrowing - 10/15 years ago the price point for grain whisky was a lot further away from malt whisky than it is today. Malt: You're obviously a new company, family-owned with support from your initial crowd funders, which includes me. Mark obviously ...
