Oh, The Places You'll Go! Nosy Crow
Abstract: This book presents the findings, conclusions, and recommendations of the Committee on Child Development Research and Public Policy within the National Research Council. The panel examined research and existing programs which address the areas of adolescent sexuality,

pregnancy, and childbearing with the intent of making recommendations for policy making, program design, program evaluation, and research. The panel's report is presented in chapters addressing the following topics: trends in adolescent sexuality and fertility, society and changing roles of adolescents, determinants of sexual behavior, effects of adolescent childbearing, interventions, and priorities for data collection, research, policies, and programs. An accompanying volume

contains the working papers on which the report was based. The working papers address three broad areas, which are: 1) influences on early sexual and fertility behavior, 2) consequences of early sexual and fertility behavior, and 3) programs and policies related to teen pregnancy and sexuality.

The Programme HarperCollins

“Wow! Shades of Fahrenheit 451 and Orwell’s 1984. Painfully real and urgent. Read this book.” —Michael Grant, New York Times bestselling author of the *Gone* series Bestselling author Joelle Charbonneau’s eerily timely, high-stakes page-turner is destined to start important conversations at this particular moment in our history. Meri Beckley lives in a world without lies. When she looks at the peaceful Chicago

streets, she feels pride in the era of unprecedented hope and prosperity over which the governor presides. But when Meri’s mother is killed, Meri suddenly has questions that no one else seems to be asking. And when she tries to uncover her mother’s state of mind in her last weeks, she finds herself drawn into a secret world with a history she didn’t know existed. Suddenly, Meri is faced with a choice between accepting the “truth” or embracing a world the government doesn’t want anyone to see—a world where words have the power to change the course of a country and where the wrong ones can get Meri killed.

From the author of the New York Times bestselling *The Testing* trilogy comes a

sweeping new fantasy series, perfect for fans of Victoria Aveyard and Sarah J. Maas. Twins Carys and Andreus were never destined to rule Eden. With their older brother next in line to inherit the throne, the future of the kingdom was secure. But appearances—and rivals—can be deceiving. When Eden’s king and crown prince are killed by assassins, Eden desperately needs a monarch, but the line of succession is no longer clear. With a ruling council scheming to gain power, Carys and Andreus are faced with only one option—to take part in a Trial of Succession that will determine which one of them is worthy of ruling the kingdom. As sister and brother, Carys and Andreus have always kept each other safe—from their secrets, from the court, and from

the monsters lurking in the mountains beyond the kingdom’s wall. But the Trial of Succession will test the bonds of trust and family. With their country and their hearts divided, Carys and Andreus will discover exactly what each will do to win the crown. How long before suspicion takes hold and the thirst for power leads to the ultimate betrayal?

Twisted facts and bent truths take center stage in this sequel to *Verify*, which #1 New York Times bestselling author Ellen Hopkins calls “a thought-provoking tale

of intrigue, beautifully crafted.” Meri Buckley has lost everything. She lost her mother to a fight much bigger than herself. Her father to grief, fear, and denial. And the truth—to an overbearing government that insists that censorship and secrecy is the only path to peace. But though Meri and her band of truth-seeking Stewards did lose the first battle in their quest to enlighten the public, they have not yet lost the war. Meri can start the revolution she seeks, if the powerful figures who profit from the status quo don't find her—and kill her first.

In the electrifying conclusion to the Testing trilogy, the United Commonwealth wants to eliminate the rebel alliance fighting to destroy The Testing for good. Cia is ready to lead the charge, but will her lethal classmates follow her into battle?

The Resistance Rtc Publishing

In the series debut *The Testing*, sixteen-year-old Cia Vale was chosen by the United Commonwealth government as one of the best and brightest graduates of all the colonies . . . a promising leader in the effort to revitalize postwar civilization. In *Independent Study*, Cia is a freshman at the University in Tosu City

with her hometown sweetheart, Tomas--and though the government has tried to erase her memory of the brutal horrors of *The Testing*, Cia remembers. Her attempts to expose the ugly truth behind the government's murderous programs put her--and her loved ones--in a world of danger. But the future of the Commonwealth depends on her.

Need Houghton Mifflin Harcourt

From acclaimed novelist Jonis Agee, whom *The New York Times Book Review* called “a gifted poet of that dark lushness in the heart of the American landscape,” *The River Wife* is a sweeping, panoramic story that ranges from the New Madrid earthquake of 1811 through the Civil War to the bootlegging days of the 1930s. When the earthquake brings Annie Lark’s Missouri house down

on top of her, she finds herself pinned under the massive roof beam, facing certain death. Rescued by French fur trapper Jacques Ducharme, Annie learns to love the strong, brooding man and resolves to live out her days as his “River Wife.” More than a century later, in 1930, Hedie Rails comes to Jacques’ Landing to marry Clement Ducharme, a direct descendant of the fur trapper and river pirate, and the young couple begin their life together in the very house Jacques built for Annie so long ago. When, night after late night, mysterious phone calls take Clement from their home, a pregnant Hedie finds comfort in Annie’s leather-bound journals. But as she reads of the sinister dealings and horrendous misunderstandings that spelled out tragedy for the rescued

bride, Hedie fears that her own life is paralleling Annie’s, and that history is repeating itself with Jacques’ kin. Among the family’s papers, Hedie encounters three other strong-willed women who helped shape Jacques Ducharme’s life—Omah, the freed slave who took her place beside him as a river raider; his second wife, Laura, who loved money more than the man she married; and Laura and Jacques’ daughter, Maddie, a fiery beauty with a nearly uncontrollable appetite for love. Their stories, together with Annie’s, weave a haunting tale of this mysterious, seductive, and ultimately dangerous man, a man whose hand stretched over generations of women at a bend in the river where fate and desire collide. The River Wife richly evokes the nineteenth-century South at

a time when lives changed with the turn of a card or the flash of a knife. Jonis Agee vividly portrays a lineage of love and heartbreak, passion and deceit, as each river wife comes to discover that blind devotion cannot keep the truth at bay, nor the past from haunting the present.

The book you've all been waiting for - the incredible conclusion to the Legend series Respect the Legend. Idolize the Prodigy. Celebrate the Champion . . . But never underestimate the Rebel. Eden Wing may be a top student at his academy in Ross City, Antarctica, but most people still know him only as

Daniel Wing's little brother. A decade ago, Daniel was known as Day, the boy from the streets who led a revolution that saved the Republic of America. But these days, he's all too ready to leave his past behind. As the two brothers struggle to accept who they've each become, a new danger creeps into the distance that's grown between them, and Eden soon finds himself drawn so far into Ross City's dark side, even his legendary brother can't save him. At least, not on his own . . . With unmatched suspense and her signature cinematic storytelling, #1 New York Times bestselling author Marie Lu plunges readers back into the unforgettable world of Legend for a truly grand finale.
