"...OF GREAT VALUE FOR
ANYONE WISHING TO
UNDERSTAND CURRENT
ZIMBABWEAN REALITY."--
AFRICA TODAY. An
overview of Zimbabwe's
principle literary figures,
this study examines the
ways in which the

prevailing social setting &
each writer's personal
background determined
the characteristics of their
literature. Equal attention
is devoted to the earlier
school of black writers as
well as those who gained
prominence after
independence, such as
Chenjerai Hove (1990
Noma Award winner),
Shimmer Choyda (1990
Commonwealth Writers
Prize winner), & the
female author Tsitsi
Dangarembga. (NEW
PERSPECTIVES ON

AFRICAN LITERATURE, 6)

Bewitchment must die Are
you operating under
powers beyond your
control? Do you make
unexplainable mistakes?
Do you fail even when all
that should make you
succeed is in place? Are
you disoriented, confused
and clumsy? Then you are
bewitched and need to be
delivered fast. But how?
Read this book carefully

and pray the prayer points aggressively to defeat bewitchment.

Shona Praise Poetry Hans Zell Pub

Business to business markets are considerably more challenging than consumer markets and as such demand a more specific skillset from

marketers. Buyers, with a responsibility to their company and specialist product knowledge, are more demanding than the average consumer. Given that the products themselves may be highly complex, this often requires a sophisticated buyer to understand them. Increasingly, B2B relationships are conducted within a global context. However all textbooks are region-specific despite this growing move towards global business relationships – except this

one. This textbook takes a global viewpoint, with the help of an international author team and cases from across the globe. Other unique features of this insightful study include: placement of B2B in a strategic marketing setting; full discussion of strategy in a global setting including hypercompetition; full chapter on ethics and CSR early in the text; and detailed review of global B2B services marketing, trade shows, and market research. This new edition has been fully revised and

updated with a full set of brand new case studies and features expanded sections on digital issues, CRM, and social media as well as personal selling. More selective, shorter, and easier to read than other B2B textbooks, this is ideal for introduction to B2B and shorter courses. Yet, it is comprehensive enough to cover all the aspects of B2B marketing any marketer needs, be they students or practitioners looking to improve their knowledge.

November 2015)** Alpha Edition
Zimbabwe's guerrilla veterans have burst into the international media as the storm troopers in Mugabe's new war of economic liberation. In this book, Norma Kriger gives the unfolding contemporary drama a historical background, and shows continuities between the present and past. Between 1980 and 1987, guerrilla veterans and the ruling party colluded with and manipulated each other to

build power and privilege in the army, police, bureaucracy and among workers. Both relied chiefly on violence and appeals to their participation in the anti-colonial liberation war as they sought to vanquish their then political opponents. Today, violence and a liberation war discourse continue to be salient as Mugabe's party and its guerrilla veterans struggle to maintain power through land invasions and purges of a new political opposition. This study

gives a critical review of guerrilla programs and the war-to-peace transitions literatures, thus changing the way we view post-conflict societies.

Pre-colonial and Post-colonial Drama and Theatre in Africa Lang, Peter, AG, Internationaler Verlag Der Wissenschaften

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge

base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Teacher in New Africa Routledge

From the #1 New York Times best-selling author of the Medical Medium series, a revised and expanded edition of the book that started a health revolution.. Anthony

William, the Medical Medium, has helped millions of people heal from ailments that have been misdiagnosed or ineffectively treated or that doctors can't resolve on their own. Now he returns with an elevated and expanded edition of the book where he first opened the door to healing knowledge from over 30 years of bringing people's lives back. With a massive amount of healing information that science won't discover for decades, Anthony gets to the root of people's pain

or illness and what they need to do to restore their health now--which has never been more important. His tools and protocols achieve spectacular results, even for those who have spent years and many thousands of dollars on all forms of medicine before turning to him. They are the answers to rising from the ashes. Medical Medium reveals the true causes of chronic symptoms, conditions, and diseases that medical communities continue to misunderstand or struggle

to understand at all. It explores the solutions for dozens of the illnesses that plague us, including Lyme disease, fibromyalgia, adrenal fatigue, ME/CFS, hormonal imbalances, Hashimoto's disease, MS, RA, depression, neurological conditions, chronic inflammation, autoimmune disease, blood sugar imbalances, colitis and other digestive disorders, and more. This elevated and expanded edition also offers further immune support, brand-new recipes, and even

more solutions for restoring the soul and spirit after illness or life events have torn at our emotional fabric. Whether you've been given a diagnosis you don't understand, or you have symptoms you don't know how to heal, or someone you love is sick, or you're a doctor who wants to care for your own patients better, Medical Medium offers the answers you need. It's also a guidebook for everyone seeking the secrets to living longer, healthier lives. "The truth about the

world, ourselves, life, purpose--it all comes down to healing," Anthony William writes. "And the truth about healing is now in your hands."

Africa's Intangible Heritage and Land

Manchester University Press

This book argues that the basic component of any society's social security and sustainability is cultural capital and its ability to fully recognise diversity in knowledge production and advancement. However, with regard to African

societies, since the dawn of racial slavery and colonialism, cultural capital ñ indigenous knowledge in particular ñ has iniquitously and acrimoniously suffered marginalisation and pejorative ragtags. Increasingly since the 1990s, cultural capital informed by African knowledge systems has taken central stage in discussions of sustainability and development. This is not unrelated with the recognition by America and Europe in particular

of the central role that cultural capital could and should assume in the logic of development and sustainability at a global level. Unfortunately, action has often failed to match words with regard to the situation in Africa. The current book seeks to make a difference by exploring the role that African cultural capital could and should assume to guarantee development and sustainability on the continent and globally. It argues that lofty pan-African ideals of collective

self-reliance, self-sustaining development and economic growth would come to naught unless determined and decisive steps are taken towards full recognition of indigenous cultural capital on the continent.

Langaa RPCIG

Annotation "The essays in this volume come from

well-respected academics working in a variety of fields. The ideals and concepts of manhood are examined as they are reflected in important Zimbabwean literary texts. However, if literature provides a rich vein for the analysis of masculinities, what makes this collection so interesting is the interplay of literary analysis with chapters that provide a critical examination of the ways in which ideals of manhood have been employed in, for example, leadership and the nation,

as a justification for violent engagement, in the field of AIDS and HIV, etc."--BOOK JACKET.

The Bantu, Past and Present; an Ethnographical & Historical Study of the Native Races of South Africa Simon and Schuster

This reimagining of the Robin Hood legend tells the story of the young boy behind the bandit hero's rise to fame. Will Shackley is the son of a lord, and though just thirteen, he's led a charmed, protected life and is the heir to Shackley House, while his

father is away on the Third Crusade with King Richard the Lionheart. But with King Richard's absence, the winds of treason are blowing across England, and soon Shackley House becomes caught up in a dangerous power struggle that drives Will out of the only home he's ever known. Alone, he flees into the dangerous Sherwood Forest, where he joins an elusive gang of bandits readers will immediately recognize. How Will helps a drunkard named Rob become one of the most

feared and revered criminals in history is a swashbuckling ride perfect for anyone who loves heroes, villains, and adventure. From the Hardcover edition. *The Baseball Maniac's Almanac* Baobab Throughout the scriptures, we have discovered some outstanding characters who remain symbols of excellence till date. The characters attained great feats and broke new ground after experiencing a life changing encounter with God. The author, with

the pen of a ready-writer skilfully draws powerful principles from their experiences. These principles are laid bare for the modern day Christian to apply in their personal walk with God. This book will help you experience the divine presence which will move your life forward. You would receive spiritual vision. The way of divine encounter will take you to a realm where demons will see you and tremble and evil powers will be frightened stiff when they discover the transforming

power of an encounter with God. The book will flag off a new passion for God in your life.

Zambezia Cambridge University Press

In this collection of essays written from different critical perspectives, African playwrights demonstrate through their art that they are not only witnesses, but also consciences, of their societies.

Kuverenga chishóna: Passages, translations and vocabulary Baobab

As a teenager, Danny Fisher had all he ever wanted -- a dog, a grown-up summer job, flirtatious relationships with older women -- and a talent for ruthless boxing that quickly made him a star in the amateur sporting world. But when Danny's family falls on hard times, moving from their comfortable home in Brooklyn to Manhattan's squalid Lower East Side, he is forced to leave his

carefree childhood behind. Facing poverty and daily encounters with his violent, anti-Semitic neighbors, Danny must fight both inside and outside the ring just to survive. As his boxing becomes legendary in the city's seedy underworld, packed with wiseguys and loose women, everyone seems to want a hand in Danny's success. Robbins's colorful, fast-talking characters evoke

the rough streets of Depression-era New York City. Ronnie, a prostitute ashamed of how far she's fallen and desperately in need of friendship; Sam, a slick bookie who wants to profit from Danny's boxing talent; and Nellie, a beautiful but lonely girl who refuses to believe Danny is beyond redemption -- each of whom has a different vision of Danny's future --

will help steer his rocky course. Gritty, compelling, and groundbreaking for its time, *A Stone for Danny Fisher* is a tale of ambition, hope, and violence set in a distinct and dangerous period of American history. A classic, sexy bestseller by Harold Robbins, reintroduced to a whole new generation of readers.
