## CHRISTENSEN BRANDT

### Confessions of a Prairie Bitch

Canongate  
Books

You know what I want? I want to be able to have fun wherever I am. I want to laugh. All. The. Time. I want to have one holiday every year with my family where we have no plans and nowhere else to be. I want to watch less television and read more books. I want to be able to whinge about never being able to be alone any more, then, after someone organises a hotel room voucher for me, I want to spend the evening eating chips (that I don't like) from a cylinder and missing my children to the point of tears. From weight to wee, children to crap dates, nothing is off limits for Chrissie Swan, self-confessed 'over-sharer'. Celebrity, friendship, love, being a working mum, 'having it all' and the general chaos of life – Is It Just Me? is Chrissie at her hilarious, candid and fearless best. 'Chrissie writes what we're all thinking. Her honesty and humour are a gift. And a

relief!' —Mia Freedman 'Smart, sassy, funny. Chrissie is the best girlfriend everyone should have. And with this book, now they can.' —Matt Preston 'Bubbly and outspoken Chrissie Swan is one of Australia's busiest and most adored working mums.' —Fiona O'Brien, Adelaide Review 'Sex, friendships, weight, real estate – Swan writes about them all in a chatty, confessional tone as if she's sharing confidences with girlfriends over coffee.' —Sunday Age *Confessions of a Dork* Lord Moody Publishers At 15, Gloria longs for adventure, something beyond her ordinary suburban life. When a mysterious new boy strolls into school, bent on breaking all the rules, Gloria is ready to fall under his spell. Uman is funny, confident, and smart. He does what he wants without a care for what anyone thinks. The only people for him, he says, are the mad ones, the ones who never yawn or say a commonplace thing but burn, burn, burn. He is everything Gloria wants to be. He can whisk her away and show her a more daring, more exciting life in which the only limits are the boundaries of her own

boldness. But Uman is not all he seems. And by the time she learns the truth about him, she's a long way from home . . . and the whole country wants to know: Where's Gloria? For fans of Dreamland by Sarah Dessen, Stolen by Lucy Christopher, and the Mara Dyer books by Michelle Hodkin. Praise for Twenty Questions for Gloria "The witty banter . . . will appeal to teens who love books with quirky dialogue and zingy one-liners, which also provide a refreshing and authentic counterpoint to the darker themes that run through the story. . . . For fans of Rainbow Rowell's Eleanor & Park."—SLJ "Bedford's (Never Ending, 2014) skillful writing and unusual format will draw in teens who identify with the urge to cast off the mundane and find their place in the world."—Booklist "Dropping clues with absolute control over the novel's trajectory, Bedford builds tension from the initial interview to the surprising final scene."—Horn Book "Feels like it should be a Sherlock Holmes style novel and I mean that in the best way possible because it has that allure and mystery, and yet still keeps it humble with its

quirky characters, romance-on-the-side . . . it's an amazing novel to read."—The Guardian, UK  
 "A gripping tale . . . should definitely be on your reading list."—Escapades of a Bookworm (UK) "An outstanding novel which poses big questions while immersing the reader in a fast-moving narrative."—The School Librarian (UK)

### **Confessions of a Funeral Director**

HarperChristian + ORM  
 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us. Freak Like Me Anchor  
 If you were enthralled by Fifty Shades of Grey you need to read Confessions of a Working Girl, the real-life story of Miss S, a modern Working Girl. Miss S is smart, sassy, sexually frustrated and broke. With the rent money due, she spots an ad for a student

job with a difference - in the massage parlour at the bottom of her road. Suddenly she can earn money doing something she is good at and get all the sex she needs. Offered a job on the spot by Mrs B, an ex-working girl herself, Miss S quickly gets to grips with the rest of the girls. They include: Bella the house 'Domme', Carrie the resident shrink, Tina the house snitch, and Suzie the amateur porn star. That's not to mention the cast of clients: Mr Suck it Bitch, Mr Gay, Mr Pacemaker, Mr Councillor and Mr Willy Whacker... Confessions of a Working Girl is the true and intimate diary of Miss S's extraordinary first year in a brothel and reveals exactly what a Gemini half hour really involves... *Angus, Thongs and Full-frontal Snogging* Profile Books  
 Plus-sized sixteen-year-old Maisie Martin never thought she had the figure to compete in a beauty pageant, but this vacation is about to change everything. Maisie has spent most of her life hiding her body from everyone: her gorgeous best friend, her pageant-winning sister, and definitely her longtime crush. Never one to jump in the water, Maisie is

planning on taking it easy while her friends chill at the beach. But then her BFF starts flirting with the boy she's always loved, her older sister comes home and steals the spotlight, and Maisie has found herself pushed aside like usual. Except now, she's had enough. After forging new friendships, Maisie takes the deep dive and enters the local Miss Teen Queen. Now, with all eyes on her, can Maisie prove she has a place in the spotlight? This contemporary young adult novel is as relatable as it is charming and Maisie's realistic journey towards confidence and self-love will draw readers in as she learns how to celebrate all of herself.

### **Confessions of a Bookaholic** HarperCollins UK

Originally published: London: Pan Books, 2014.  
**What I Like About Me** Oxford University Press  
 'I always wanted kids - but then again, I always wanted a loft conversion. Both are pretty easy to put off as they're very expensive and tend to wreck your house.' Stand-up comedian Sam Avery (aka the Learner Parent) started his award-winning blog when his twin boys were born. A million

nappies, Peppa Pig episodes and a lot less sleep later, he shares all the lows, highs and hilarious in-betweens of his experiences of first-time parenthood in this, his highly anticipated first book. Sam's honest, messy and laugh-out-loud account of trying for a baby (which transpired to be babLES) and figuring out what to do with them once they arrived - right up to the toddler years of talking, walking and tantrum-ing - will have you crying with laughter between your own nappy changes and nursery runs.

### **O Me of Little Faith**

National Geographic Books

P: Who is the real terrorist in this room? M: What're you saying? In a claustrophobic concrete cell, two men face each other across a bare table. One is a wanted terrorist, the other a British intelligence officer. But this is no ordinary interrogation, and as they talk deep into the night and violent secrets are revealed, the line between interrogator and confessor begins inextricably to blur. Who, then, is the real terrorist? And will they pay for their guilt in blood? Are These My Basoomas I

See Before Me? W. W. Norton & Company Shortlisted for the Political Books Awards 'Best Parliamentary Memoir 2018' You are not an executive who can make and enforce decisions. You are a legislator who votes on making laws. You are not a counsellor, a housing officer, benefits clerk, bank or trading standards officer, but you are often expected to provide a new home, sort out benefits, provide a loan or settle a dispute about a computer game bought for little Jimmy that doesn't work. You are, in fact, a 21st century Member of Parliament representing about 125,000 good folk from your constituency by taking your seat in probably the finest parliament in the world (despite what you may read or hear in the media). You are elected by a simple majority from roughly 50,000 people who mark their 'X' by your name at a general election, hoping that you will be able to make a difference somehow. Then, when as a new MP, you walk through the Members Lobby filled with a vision of how you will leave your mark on this place and this nation, what you are almost

certainly unaware of is that your constituents, your government, the press and the very institution of the Palace of Westminster have other plans for you.

### **Confessions of a Sociopath** Random House

The Comma Queen returns with a buoyant book about language, love, and the wine-dark sea. In her New York Times bestseller *Between You & Me*, Mary Norris delighted readers with her irreverent tales of pencils and punctuation in *The New Yorker's* celebrated copy department. In *Greek to Me*, she delivers another wise and funny paean to the art of self-expression, this time filtered through her greatest passion: all things Greek. *Greek to Me* is a charming account of Norris's lifelong love affair with words and her solo adventures in the land of olive trees and ouzo. Along the way, Norris explains how the alphabet originated in Greece, makes the case for Athena as a feminist icon, goes searching for the fabled Baths of Aphrodite, and reveals the surprising ways Greek helped form English. Filled with Norris's memorable encounters with Greek

words, Greek gods, Greek wine—and more than a few Greek men—Greek to Me is the Comma Queen's fresh take on Greece and the exotic yet strangely familiar language that so deeply influences our own.

Come Back to Me Simon and Schuster

The bold memoir from a diagnosed sociopath. Shocking but funny, Confessions of a Sociopath is a fascinating insight into the mind of a self-confessed predator. 'Gripping and important . . . quite the memorable roller coaster ride' – Jon Ronson, author of The Psychopath Test M. E. Thomas is a high-functioning non-criminal sociopath. She is charismatic, ambitious and successful. You would be charmed by her if you met her, might even be seduced by her. You would not realize that she is studying you to find your flaws, that she is ruthlessly manipulative, has no empathy and does not feel guilt or remorse. But she does like people – she likes to touch them, mould them and ruin them. She could be your friend or your boss. She could be you . . . Now she writes with breathtaking honesty about her life. She also draws on the

latest research to explain why at least one in twenty-five of us are sociopaths – and shows why that's not a bad thing.

**Girls in Tears** Hachette UK

Ellie, Magda and Nadine are back but they're not very happy! Ellie's glorious romance with Russell is teetering on the rocks. Magda's lost her pet and is desperately upset. And Nadine is fed up with the other two lecturing her about the dangers of meeting someone on the Internet, her e-mail boyfriend sounds wonderful! Buckets of tears are wept and hundreds of tissues sniffled into. Can the girls survive these testing times?

LIKE ME: CONFESSIONS OF A HEARTLAND COUNTRY SINGER

*For Richer, for Poorer* HarperCollins UK

In this O Me of Little Faith Ebook, author Jason Boyett brings you a transparent and personal account of his own of struggles with doubts and unbelief in living out his faith. With humor and frankness, Boyett uses personal anecdotes and a fresh look at Scripture to explore the realities of pursuing Christ through a field of doubt. After three decades of knowing God, understanding Christianity, and living a Christian life, Boyett has come to the place where he can voice the tough questions and travel the road of uncertainty with blinders off, candor on. The message along the way is one of encouragement: Relax. Rely on the grace of a merciful God, a kind father who realizes that his finite creatures must have doubts, should have questions, and will have trouble making sense of an infinite Creator. Ultimately, Boyett concludes that doubt and faith are not polar opposites, but actually work together, existing side-by-side. Uplifting, entertaining, hopeful, O Me of Little Faith will strike a chord with you and any Christian who's

dealing with the uncertainties of living life in pursuit of a God who occasionally seems to disappear.

Confessions of an HR Pro  
Hachette UK

Sound familiar? 1. You spot a cute boy (we'll call him Boy A). 2. You dream about Boy A. 3. You do whatever it takes to make Boy A notice you. 4. Even though Boy A doesn't pursue you, you hang on to your dream of Boy A until he (a) moves to the North Pole with no access to a cell phone or computer, (b) dies and is buried or cremated, or (c) begins dating another girl. 5. You mend your broken heart by hating Boy A and finding another cute boy (Boy B). You replace Boy A with Boy B and begin all over again . . . Paula has gone through an entire alphabet—and more—of boys over the years. As she shares her journal entries and stories—the good, the bad, and the ugly—you'll be encouraged to trust God with your love life and buckle up for the ride! Written for teen girls, Confessions of a Boy-Crazy Girl will help you on your own journey from neediness to freedom. Part of the True Woman publishing line, whose goal is to encourage

women to exude God's beauty by embracing his design for womanhood Reckless Biteback Publishing  
A SUNDAY TIMES BESTSELLER 'Irreverently funny ... kept me giggling all week.' Scotland on Sunday "Do you have a list of your books, or do I just have to stare at them?" Shaun Bythell is the owner of The Bookshop in Wigtown, Scotland. With more than a mile of shelving, real log fires in the shop and the sea lapping nearby, the shop should be an idyll for bookworms.

Unfortunately, Shaun also has to contend with bizarre requests from people who don't understand what a shop is, home invasions during the Wigtown Book Festival and Granny, his neurotic Italian assistant who likes digging for river mud to make poultices.

**Greek to Me: Adventures of the Comma Queen** Hal

Leonard Publishing Corporation  
Published anonymously in 1824, this gothic mystery novel was written by Scottish author James Hogg. The Private Memoirs and Confessions of a Justified Sinner was published as if it were the presentation of a century-

old document. The unnamed editor offers the reader a long introduction before presenting the document written by the sinner himself.

Confessions of A Recovering MP Penguin

Chrissie Hynde, for nearly four decades the singer/songwriter/undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From "Tattooed Love Boys" and "Brass in Pocket" to "Talk of the Town" and "Back on the Chain Gang," her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one-woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir Reckless, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we've come to expect, exactly where she came from and

what her crooked, winding path to stardom entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls “the heavy bikers” and “the get-down boys.” Her flight from Ohio to London in 1973 essentially to escape the former and

pursue the latter. Her scuffling years as a brash reviewer for *New Musical Express*, shop girl at the Malcolm McLaren and Vivienne Westwood boutique 'Craft Must Wear Clothes But The Truth Loves To Go Naked', first-hand witness to the birth of the punk movement, and serial band aspirant. And then ,at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the indelible first album “The Pretenders,” and the rocket ride to “Instant” stardom, with all the disorientation and hazards that involved. The it all comes crashing back down to earth with the

deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock’s great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled *Reckless*, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

**Is It Just Me?** Pan Macmillan

The delightful story told by British teen Georgia Nicholson through her journals--a Michael L.
