Harry Hole faces a new rising enemy. 'A page-turner you won't want to put down' Time Out Harry knows he shouldn't get involved. A report of a rare and unusual gun - a type favoured by assassins - being smuggled into the country sparks Detective Harry Hole's interest. Evil is closer to home than he knows. Then a former WW2 Nazi sympathizer is found with his throat cut. Next, someone close to Harry is murdered. Why had she been trying to reach Harry on the night she was killed? As Harry's investigation unfolds, it becomes clear that the killer is hell-bent on serving his own justice. And while the link between the cases remains a mystery, one thing is certain: he must be stopped. But can Harry stop him in time? *JO NESBO HAS SOLD OVER 55 MILLION BOOKS WORLDWIDE* *Watch out for KILLING MOON, the new Jo Nesbo book, out now*

New Harry Hole Thriller Random House

With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo's Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him "the best investigator in the department and the worst public servant." First-class thrillers with high voltage suspense and complex plotting, *The Snowman*, *The Leopard* and *Phantom* are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. "Jo Nesbo is my favorite thriller writer and Harry Hole my new hero." —Michael Connelly "Exuberantly, ingeniously gruesome." —The Telegraph
The Metal Heart Random House

NEW YORK TIMES BESTSELLER WINNER OF THE RIVERTON PRIZE Brilliant, rogue police detective Harry Hole—at the centre of 11 bestselling crime novels including *The Snowman* and *The Thirst*—is back and once again hunting the mastermind killer who has haunted his entire career. This time his reasons are intensely personal. Harry Hole is not in a good place. Rakel—the only woman he's ever loved—has kicked him out, permanently. He's been given a chance for a new start with the Oslo Police, but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer Harry helped put behind bars. Finne is free after a decade in prison and Harry is certain he has taken up where he left off. But things will get worse. When Harry wakes up the morning after a drunken night with blood on his hands that's clearly not his own, it's the beginning of what will be a waking nightmare the likes of which even he could never have imagined.

The Kingdom Random House

New adventures await Doctor Proctor, Lisa, and Nilly as they try to protect Oslo, Norway, from invading aliens, enormous snakes in the sewers, seven-legged Peruvian sucking spiders, and sinister waffle irons.

The Devil's Star Random House

LAPD Detective Harry Bosch tackles three tough cases that span a

legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

Silent (but Deadly) Night Hachette UK

A swashbuckling thriller, part two of THE HIGH SEAS TRILOGY, set on the oceans of the eighteenth century -- drama, horror, adventure... Steer clear of that ship, warns the mysterious gentleman who shares the coach to Dover with John Spencer and his father. Death she'll bring you. It's the way of a ship that was christened in blood. This is an ominous introduction to the schooner John is about to be entrusted with for a voyage north to London. But he's too charmed by the pretty Dragon to heed the advice. The ship looks clever and quick, and John, now sixteen, can't wait to sail her. She was a smugglers' vessel once, but that was in the past. Now she's the Spencers' Dragon, and she will proudly carry wool for honest trade. But soon John will be forced to consider the gentleman's warning. Could a ship that's seen a smuggling run truly be spoiled for anything else? And what does John really know about his bonny crew of four? Alive with breathtaking action and unforgettable characters, this companion to The Wreckers is masterfully entertaining -- a rousing nautical adventure full of danger and surprise.

Nemesis Random House

INTERNATIONAL BESTSELLER • An “addictive page-turner” (Los Angeles Times)—Inspector Harry Hole attempts to exonerate his would-be son Oleg in this installment of the New York Times bestselling series. When Harry Hole moved to Hong Kong, he thought he was escaping the traumas of his life in Oslo and his career as a detective for good. But now, the unthinkable has

happened—Oleg, the boy he helped raise, has been arrested for killing a man. Harry can't believe that Oleg is a murderer, so he returns to hunt down the real killer. Although he's off the police force, he still has a case to solve that will send him into the depths of the city's drug culture, where a shockingly deadly new street drug is gaining popularity. This most personal of investigations will force Harry to confront his past and the wrenching truth about Oleg and himself. Don't miss Jo Nesbo's latest Harry Hole thriller, *Killing Moon!*
Cockroaches Houghton Mifflin Harcourt

A young woman is murdered in her Oslo flat. One finger has been severed from her left hand, and behind her eyelid is secreted a tiny red diamond in the shape of a five-pointed star a pentagram, the devils star. Detective Harry Hole is assigned to the case with his long-time adversary Tom Waaler and initially wants no part in it. But Harry is already on notice to quit the force and is left with little alternative but to drag himself out of his alcoholic stupor and get to work. A wave of similar murders is on the horizon. An emerging pattern suggests that Oslo has a serial killer on its hands, and the five-pointed devils star is key to solving the riddle.
