## FLORES MAYO

**Hate list** Severn House Publishers Ltd

Pretty Little Liars meets Burn for Burn in this thrilling debut from Wattpad star Ann Valett. Chloe Whittaker is out for revenge. Last year her best friend Monica's life was unceremoniously ruined by the most popular students at their high school, so this year Chloe plans to take each and every one of them down. She's traded in her jeans and T-shirts for the latest designer clothes, erased anything on social media that would tie her to Monica (and blow her cover), and carefully figured out how she will befriend the members of the clique, find out their deepest and darkest secrets, and reveal them to the world. Chloe has the perfect plan . . . but there's one thing she didn't prepare for. And that's falling for someone she's determined to destroy. The closer she gets to uncovering the secrets the in-crowd is determined to cover up, the more she realizes that she is going to have to choose between betraying her oldest friend or the boy who's captured her heart

**The Complete History of Why I Hate Her** Bonnier Publishing Fiction Ltd.

Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, Letters of Note is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

*Close Your Eyes* Albin Michel

Wish you weren't here . . . When Jill wakes up in a hospital bed with her leg in a cast, the last six weeks of her life are a complete blank. All she has been told is that she was involved in a fatal accident while on a school trip in Italy and had to be jetted home to receive intensive care. Care that involves a lawyer. And a press team. Because maybe the accident . . . wasn't just an accident. With no memory of what happened or what she did, can Jill prove her innocence? And can she really be sure that she isn't the one to blame?

*Exposing Hate* Hyperion

The authors present an inside look at the tragic events and astounding forgiveness surrounding the deadly October 2006 shooting at the Nickel Mines Amish schoolhouse.

*To Hate Adam Connor* Random House

Does the opening "pling pling plinggg" of Bette Midler's The Rose fill you with existential dread? Do you cringe at the mere whiff of what Phil Collins is spewing In the Air Tonight? Have you ever bolted from a restaurant because Celine Dion's cover of All By Myself was threatening to drive you over the edge? Well, turn around, bright eyes because Tom Reynolds is here with I HATE MYSELF AND WANT TO DIE, a laugh-out-loud-til-youre sobbing compendium of the world's most hideously depressing pop songs and a guide to what makes them so heartwrenchingly, earsplittingly sad and bad. With chapters like I Was a Teenage Car Crash, Im Trying to be Profound and Touching but Really Suck At It, Perfect Storms, and I Mope, Therefore I Am, Reynolds details the history of melodic misery, from the days of Bobby Darin to the era of Evanescence. Complete with a ranked Countdown of Doom and wonderfully dreary drawings, I HATE MYSELF AND WANT TO DIE is the one book that fans and foes of woeful tunes wont want to live without.

*Bitter End* Dafina

Sixteen-year-old Valerie, whose boyfriend Nick committed a school shooting at the end of their junior year, struggles to cope with integrating herself back into high school life, unsure herself whether she was a hero or a villain.

*Clique Bait* Sourcebooks, Inc.

Lorsque Valérie franchit le seuil du lycée, elle sait que rien ne sera plus jamais pareil. Cinq mois plus tôt, Nick, son petit ami, a ouvert le feu dans la cafétéria de l'école, tuant une dizaine d'élèves avant de se suicider. Des élèves agaçants, pénibles et arrogants qui figuraient sur la liste que Valérie et Nick ont tenue pour se défouler. Pourquoi ce qui n'était qu'un jeu est devenu un drame ? Comment va-t-on accueillir son retour au lycée ? Est-elle aussi coupable que Nick ?

*In the Name of Hate* HarperCollins Australia

A shocking thriller about a group of friends who go to a cabin to play a murder mystery game...only to have the game turned against them, from the #1 New York Times bestselling author of This Is Where It Ends. FIVE friends go to a cabin. FOUR of them are hiding secrets. THREE years of history bind them. TWO are doomed from the start. ONE person wants to end this. NO ONE IS SAFE. Five friends take a trip to a cabin. It's supposed to be one last getaway before going their separate ways—a chance to say goodbye to each other, and to the game they've been playing for the past three years. But they're all dealing with their own demons, and they're all hiding secrets. And as they start to play the murder mystery game that brought them together in the first place, the lines between the game and reality blend, with deadly consequences. Someone knows their secrets. Someone wants to make them pay. Soon, it's a race against time before it's game over—forever. Are you ready to play? "Immersive and captivating. Thrilling in every sense of the word."—KAREN M. **Hate list** HarperCollins

"Repeat after me: I. Hate. Sales." Sales is the bane of the freelancing life. As freelancers, all we want to do is crack on and do the work we enjoy doing (whatever that work/specialism may be), but in order to do that, we have to sell ourselves to people first. ...Ack. One of the biggest challenges that freelancers face is the sales process. Don't just take my word for it: various polls conducted in freelance communities show that "finding new leads/customers/clients" is what freelancers self-identify as their biggest weakness and the area of self-employment that they struggle with the most. We see it as an intimidating and overwhelming prospect, with many of us considering 'selling yourself' as a slimy, sleazy process. We have to go out to business events, hand out business cards and brag about ourselves to complete strangers, right? Wrong. Well, you can do that, sure. ...Or you can sell yourself in a way that really isn't sales-y at all. The best way to sell is not to sell. Let that

sink in. The best way to sell is not to sell. It sounds completely and utterly counterintuitive, but it's the truth. Hence the name of this book: Anti-Sell. And in this book, I'll tell you how and why it works, and how to do it. Its chapters cover the following: There's a long list of sales, marketing, networking and lead generation tactics and tips, to give you an idea of some of the traditional ways - but also a number of alternative ways - to get your name and your face out there, How you can tie the sales process into your passions and your strengths - so that sales won't even feel like sales, Getting you thinking differently about the types of events/communities to go to and get involved with, resulting in potentially being the only [insert specialism here] person in the room, rather than spending your time networking alongside your competitors, How being visible, altruistic and contributory within communities is an incredible way to be recognised as the go-to person in your field, There's tips and advice on how to find 'good-fit' clients, as well as why honing in on a niche makes you a lot easier to refer, Plus it covers a whole bunch of other sales-related topics, such as testimonials, awards, how to handle 'freebie' requests, competing against agencies for work, and keeping your cool in stressful moments, Right at the end, there's a list of recommended books for further reading, to help you to take your non-sales-y sales tactics even further, Throughout the book there's also 'Anti-Sell Stories': 8 case studies contributed by real-life freelancers, each of whom details how they've fought the fight with sales (and won). An important note: I'm not a salesperson. I'm a freelancer, just like you. This book runs through my story, my journey and my tactics on how I've managed to win work without selling myself too much (or selling my soul too much, for that matter). So if you're a freelancer who hates the idea of sales and selling yourself, then hopefully this book will suit you and serve you well. Happy Anti-Selling, folks.

*Say Something* Hachette UK

In *Hate List*, Jennifer Brown delivered a powerful story about grief, friendship, and forgiveness in the aftermath of a school shooting. Now, she explores an evocative new narrative while digging deeper into the themes first touched upon in her debut novel. David Judy knows what it's like to be bullied. Shy and gentle, with a soft voice and "a girl's name for a last name," he is a prime target. Thankfully, there's one girl David feels at ease with -- Valerie, the girl who's been dating his neighbor and sometimes-friend, Nick. Valerie is kind to David and pulls him into their circle of outcast friends, where he finally feels like he (sort of) belongs. So when David starts to suspect that Nick and his friend Jeremy are planning a revenge plot against their tormentors, he wrestles with whether or not to tell someone. By the time he finally works up the courage to say something...it's too late. David tries to put what he knows behind him -- to forget and move on -- but that's hard to do as senior year starts and he watches his old friend, Valerie, struggle in a deep, dark place of guilt and confusion. It's time to speak up. David may not be able to end bullying, but by standing up, he might just make a difference. And that's what matters.

*Nothing to See Here* Simon and Schuster

Ashleigh's boyfriend, Kaleb, is about to leave for college, and Ashleigh is worried that he'll forget about her while he's away. So at a legendary end-of-summer pool party, Ashleigh's friends suggest she text him a picture of herself -- sans swimsuit -- to take with him. Before she can talk herself out of it, Ashleigh strides off to the bathroom, snaps a photo in the full-length mirror, and hits "send." But when Kaleb and Ashleigh go through a bad breakup, Kaleb takes revenge by forwarding the text to his baseball team. Soon the photo has gone viral, attracting the attention of the school board, the local police, and the media. As her friends and family try to distance themselves from the scandal, Ashleigh feels completely alone -- until she meets Mack while serving her court-ordered community service. Not only does Mack offer a fresh chance at friendship, but he's the one person in town who received the text of Ashleigh's photo -- and didn't look. Acclaimed author Jennifer Brown brings readers a gripping novel about honesty and betrayal, redemption and friendship, attraction and integrity, as Ashleigh finds that while a picture may be worth a thousand words . . . it doesn't always tell the whole story.

**Hate is Such a Strong Word...** Lake Union Publishing

A heartwarming and blisteringly funny tale of family, friendship and fire, now available in a smaller and competitively priced format.

*Letters of Note* Albin Michel Jeunesse

*Standing Up Against Hate* tells the stories of the African American women who enlisted in the newly formed Women's Army Auxiliary Corps (WAAC) in World War II. They quickly discovered that they faced as many obstacles in the armed forces as they did in everyday life. However, they refused to back down. They interrupted careers and left family, friends, and loved ones to venture into unknown and sometimes dangerous territory. They survived racial prejudice and discrimination with dignity, succeeded in jobs women had never worked before, and made crucial contributions to the military war effort. The book centers around Charity Adams, who commanded the only black WAAC battalion sent overseas and became the highest ranking African American woman in the military by

the end of the war. Along with Adams's story are those of other black women who played a crucial role in integrating the armed forces. Their tales are both inspiring and heart-wrenching. The book includes a timeline, bibliography, and index.

**I Hate Myself** Twenty-First Century Books (CT)

On a mission and fresh out of the mental institution, Yvonna returns to Washington, D.C. and forces Treyana to help her get down to business and finish what she started.

**The Hate U Give** Text Publishing

The spirits of Nordic folklore come calling in this entrancing tale of family secrets and ancient mysteries by the #1 Amazon Charts bestselling author of *The Haunting of Brynn Wilder*. In Metsan Valo, her family home on Lake Superior, Anni Halla's beloved grandmother has died. Among her fond memories, what Anni remembers most vividly is her grandmother's eerie yet enchanting storytelling. By firelight she spun tall tales of spirits in the nearby forest and waters who could heal--or harm--on a whim. But of course those were only stories... The reading of the will now occasions a family reunion. Anni and her twin brother, their almost otherworldly mother, and relatives Anni hasn't seen in forever--some with good reason--are all brought back together under one roof that strains to hold all their tension. But it's not just Annie's family who is unsettled. Whispers wind through the woods. Laughter bursts from bubbling streams. Raps from unseen hands rupture on the walls. Fireflies swarm and nightmares stir. With each odd occurrence, Anni fears that her return has invited less a welcoming and more a warning. When another tragedy strikes near home, Anni must dive headfirst into the mysterious happenings to discover the truth about her home, her family, and the wooded island's ancient lore. Plunging into the past may be the only way to save her family from whatever bedevils Metsan Valo.

*Follow Me Back* McGill-Queen's Press - MQUP

Znepokojivý, silný a hluboce dojemný příběh. Před pěti měsíci střelil Valeriin přítel Nick na spolužáky v kantýně. Valerie se ho pokusila zastavit a jeden život tak zachránila, ale kvůli seznamu, který pomáhala sepsat, je podezřelá ze spoluúčasti. Byla na něm jména lidí, které oba nenáviděli. Pro ni to byla jen slova, pro něj však cíle k odstranění. Po létě stráveném v ústraní se teď Val vrací do školy. Musí se vypořádat nejen s Nickovou smrtí, ale především s důsledky toho, co udělal...

*Standing Up Against Hate* Hachette UK

Memory enables us to make experience meaningful and to form coherent identities for ourselves and intelligible perceptions of others. Indeed, our ability to imagine, anticipate, and create the future is directly commensurate with our ability to retrieve and recollect past experiences. But for all its vital importance in human cognition, for all that it seems so ordinary and obvious, memory remains in many ways as complex and mysterious today as it seemed to ancient philosophers. We need only to think about the "tip-of-the-tongue" experience to wonder how memories are formed, where they reside in our brains, and why some are retained, while others are forgotten. What is the difference between long- and short-term memory? Can memory be strengthened? Memories Are Made of This is an account of current memory science that offers answers to these and a host of other questions, comprehensively distilling much diverse and rigorous science. It delves into the biology of memory functions and researches into the mechanics and genetics of memory and the importance of emotions, particularly those resulting from trauma, in the memory process. Of special focus are investigations of cognition in other species. Are we the only animals who remember and forget? If not, are there commonalities in the memories of different species? The book also surveys our understanding of the effects of injury and disease on memory and concludes with an assessment of emerging pharmacological efforts to preserve and protect our memories and, in turn, ourselves.

*Even If We Break* Hachette UK

When Yvonna's ghetto fabulous world in Southeast D.C is rocked after her father brutally murders her high school sweetheart, she learns a lot about the people around her and the secrets they keep, including one involving her best friend and deceased boyfriend. Unable to move past her anger, she flees to Baltimore, but four years later she still can't forgive. She decides to return home and exact revenge on those on her 'Hate List'. She tackles her mission to ruin lives - until the last name on her list. Will the love she feels for him stop her or drive her to wild extremes?

**Hate List** Bonnier Publishing Fiction Ltd.

There's a sexy actor living next door... wouldn't you take a peek? Adam Connor is an award-winning actor and undeniable heartthrob. He's also recently divorced, a single dad and he happens to live right next door to Lucy. And it might be rude to stare but Lucy just can't help it. The ladder might have been a little much though... One night when she's indulging her stalker side, Lucy sees something terrible and has no choice but to intervene. She had the best of intentions but Adam can't see past it and has her arrested. After that night, they're sworn enemies. Even though Adam knows he actually owes Lucy a lot and she can't pretend she doesn't still find the hot dad act quite appealing...
