The world's greatest business leaders make it all look easy because they keep it simple: measurable, repeatable methods that generate exceptional results in both strong markets and weak, good economies and bad. Leadership expert Brian Tracy has guided countless thousands of professionals, executives, and leaders of all stripes to truly startling results through his business books, seminars and consulting work. In *How the Best Leaders Lead*, Tracy breaks down the art and science of business leadership into the seven fundamental responsibilities that outstanding leaders master. Essential for success in any organization and every leadership position, they are: Setting and achieving goals Fostering innovation Problem solving and decision making Setting priorities Setting high standards and leading by example Inspiring and motivating others Performing and achieving results This book will take you through a thorough self-analysis with which you will discover what is truly important to you—and identify the specific steps you must take to achieve it. You'll then listen Tracy's life-changing lessons culled from the leading edges of business, the annals of history and military strategy, and the wisdom of the

world's most powerful leadership and management thinkers past and present. Leadership is an exact science but a simple one, born of clear vision and courage, self-knowledge and integrity, focus and confidence. With acute insight and Tracy's accessible guidance, *How the Best Leaders Lead* brings those powerful attributes and leadership greatness easily within your reach. [How the Best Leaders Lead](#) Mitchell Beazley

Written by two of the world's leading beer experts, with the help of a team of international contributors, *The Pocket Beer Book* takes you from the Bock beers of Germany to the Trappist beers of Belgium, the complex bitters and stouts of Britain to the cutting-edge brews of North America. This expert selection covers the extraordinary variety the world's beers now have to offer. Tasting notes, organised by country, provide succinct commentary on the chosen beers and cover the brewery and each beer's key characteristics. With 4,300 beers featured, this book encompasses more familiar established beers as well as exciting new discoveries from the myriad craft breweries that are emerging around the world, covering 80 countries. Punctuating the tasting notes is information on "beer destinations", specific places where you can best experience a beer in situ. An extensive introductory chapter to the book also

covers styles of beer and food and beer pairings.
