Jason Bourne and a former ally join forces to take down a murderous tech giant in the latest electrifying entry in Robert Ludlum's New York Times bestselling series. Abby Laurent is an investigative reporter. The last time she worked with Jason Bourne she almost lost her life, but now she's deep into the biggest story of her career. If she can

prove her case, she'll rock governments from DC to Europe. Obviously with that much on the line there are a lot of people who are willing to take her off the board. She has only one option--find Bourne and convince him to help her. *Robert Ludlum's (TM) The Bourne Sanction* Grand Central Publishing David Webb must once again assume the identity of assassin Jason Bourne as he matches wits with his mortal enemy, Carlos, a deadly and elusive terrorist known as "the Jackal," in a final confrontation.

The Bourne Supremacy Penguin

The world's most ruthlessly efficient assassin, Jason Bourne, has carved a bloody swathe through all his opponents but now he's facing the one force he can't defeat - his own past. The world's most ruthlessly efficient assassin, Jason Bourne, has carved a bloody swathe through all his opponents but now he's facing the one force he can't defeat - his own past - in the latest thrilling entry in Robert Ludlum's New York Times bestselling series. Three years ago, Jason Bourne embarked on a mission in Estonia with his partner and lover, a fiery UK-based Treadstone agent codenamed Nova. Their job was to rescue a Russian scientist and activist, the leader of an anti-Putin protest movement, who'd recently been smuggled out of St.

Petersburg in the midst of an FSB manhunt. They failed. Now, three years later, everything has changed for Bourne. Nova is gone, killed in a mass shooting in Las Vegas. Bourne is a lone operative working in the shadows for Treadstone. He's ready for a new mission when his handler bring him shocking news. The Estonian mission was a set up. Their target had not been killed. She is still in hiding in Russia and the Russian State Intelligence Agency is desperately seeking her. Bourne must find her first, but his race to correct the errors of the past will lead him to one inevitable conclusion: Some secrets should stay buried.

The Man Behind Jason Bourne Justin, Charles & Co.

THE BOURNE IDENTITY: He has no past.

And he may have no future. His memory is blank. He only knows that he was fished out of the Mediterranean Sea, his body riddled with bullets. There are a few clues: evidence that plastic surgery has altered his face, a Swiss bank account containing four million dollars, and a name: Jason Bourne. But he is marked for death, racing for survival through the layers of his buried past into a world of murderous conspirators - led by the world's most dangerous assassin, Carlos. And no one can help Bourne but the woman who once wanted to escape him. **THE BOURNE SUPREMACY:** In a Kowloon Cabaret, scrawled in a pool of blood, is a name the world wanted to forget: Jason Bourne. The Chinese vice-premier has been slain by a legendary assassin. World leaders ask the same

fearful questions: Why has Jason Bourne come back? Who is the next to die? But US officials know the truth: there is no Jason Bourne. The name was created as cover for David Webb on his search for the notorious killer Carlos. Someone else has taken the Bourne identity and unless he is stopped, the world will pay a devastating price. So Jason Bourne must live again. **THE BOURNE ULTIMATUM:** The world's two deadliest spies in the ultimate showdown. Two men, each mysteriously summoned by telegram, witness a bizarre killing. The telegrams are signed Jason Bourne. Only they know Bourne's true identity and understand the telegram is really a message from Bourne's mortal enemy, Carlos, the world's deadliest and most elusive terrorist. And they also know that he

wants a final confrontation with Bourne. Now David Webb must do what he hoped he would never have to do again - assume the terrible identity of Jason Bourne.

The Bourne Supremacy Penguin

In Robert Ludlum's ground-breaking career, no other character so captured and held the world's imagination as Jason Bourne. He appeared in three of Robert Ludlum's own #1 bestselling novels - The Bourne Identity, The Bourne Supremacy, and The Bourne Ultimatum - and they remain amongst Ludlum's most-read and most-loved books to this day. Now, for the first time ever, the Estate of Robert Ludlum has acceded to the demands of readers around the world, turning to bestselling author Eric Van Lustbader to bring Jason Bourne

back to life in a thrilling new novel. Jason Bourne is known and feared in the deadly world of covert-ops as one of the most highly skilled assassins for hire. Bourne, however, was merely an identity assumed by CIA agent David Webb, a personality implanted by the CIA to facilitate a dangerous operation, but one that threatened to subsume David Webb entirely. Years after the events of The Bourne Identity, Webb is no longer an active CIA agent and is now a professor of Eastern Studies at Georgetown University, living a quiet life, far from the dangers of his previous life. Until one day he finds himself the target of an assassin nearly as skilled as himself and is framed for the brutal murder of his two closest associates and friends. Fighting for his life against unseen

assailants, as well as the full resources of the CIA who believe he has gone dangerously rogue, the Bourne identity asserts itself, leaving Jason Bourne in control. Now Bourne must use all his skills to stay alive as he battles against a determined assassin, the combined skills of the world's intelligence networks, and a shadowy figure in the background, skillfully manipulating events and people, in a far deadlier and more dangerous game than any of them realize.
