Washington Institute for
Learning & Brain

Sciences, The Village
Effect - Susan Pinker
Author A lot of research
has been done regarding
the benefits of social
contact. The brain is a
social organ as many
neuroscientists assert,
and we are greatly
affected by the degree of
face-to-face contact we
engage in. "The Village

Effect" underscores this, highlighting many studies which illustrate this concept. The Village Effect: How Face-to-Face Contact Can Make Us ...
