The Penguin Guide to Recorded Music Penguin Group
 Edward Elgar occupies a pivotal place in the British cultural imagination. His music has been heard as emblematic of Empire and the English landscape. The recent success of Anthony Payne's elaboration of the sketches for Elgar's Third Symphony has prompted a critical reevaluation of his music. This Companion provides an accessible and vivid account of Elgar's work in its historical and cultural context. Established authorities on British music and scholars new in the field examine Elgar's music from a range of critical perspectives, including nationalism, post-colonialism, decadence, reception and musical influences. There are also chapters on interpretation, including his own (Elgar was the first major composer to commit a representative quantity of his own work to record), and on Elgar's relationships with the BBC and with his publishers. The book includes much new material,

drawing on original research, as well as providing a comprehensive introduction to Elgar's major musical achievements.

Introduction & Allegro for Strings Alfred Music

Contents are: Adagio (from Quartet No. 10) * Allegretto (from Quartet No. 7) * Allegretto (from Quartet No. 13) * Allegro (from Quartet No. 2) * Allegro (from Quartet No. 6) * Allegro (from Quartet No. 8) * Andante (from Quartet No. 1) * Andante (from Quartet No. 4) * Andante (from Quartet No. 6) * Andante (from Quartet No. 13) * Menuetto (from Quartet No. 1) * Menuetto (from Quartet No. 3) * Menuetto (from Quartet No. 4) * Menuetto (from Quartet No. 9) * Presto (from Quartet No. 7) * Scherzo (from Quartet No. 15).

Introduction and Allegro Oxford University Press, USA

This new completely revised edition of the Penguin Guidesurveys the major classical recordings issued and reissued over the past five decades, many of which have dominated the catalogue because of their sheer excellence, irrespective of their recording

dates. More thorough than ever before, it indicates key recordings on CD, as well as on DVD, with their extra video dimension, and enhanced SACD, including those in surround sound. If you want the finest available version of any major classical work (including DVDs of opera and ballet) you will find it listed and acutely assessed in these pages. THE PENGUIN GUIDE TO RECORDED CLASSICAL MUSIC OFFERS- The pick of the latest releases, as well as all key established recordings The greatest historic recordings, many in outstanding new transfers (including the very first recording of Beethoven's Fifth Symphony) An in-depth survey of the best of the budget-priced CDs, including countless new issues A comprehensive new collection of 'Portraits' of the major artists - singers, conductors and instrumentalists

Quartet for strings (in one movement) opus 89 Alfred Music Publishing

An invaluable guide for lovers of classical music designed to enhance their enjoyment of the core orchestral repertoire from 1700 to 1950 Robert Philip, scholar, broadcaster, and musician,

has compiled an essential handbook for lovers of classical music, designed to enhance their listening experience to the full. Covering four hundred works by sixty-eight composers from Corelli to Shostakovich, this engaging companion explores and unpacks the most frequently performed works, including symphonies, concertos, overtures, suites, and ballet scores. It offers intriguing details about each piece while avoiding technical terminology that might frustrate the non-specialist reader. Philip identifies key features in each work, as well as subtleties and surprises that await the attentive listener, and he includes enough background and biographical information to illuminate the composer's intentions. Organized alphabetically from Bach to Webern, this compendium will be indispensable for classical music enthusiasts, whether in the concert hall or enjoying recordings at home.

The Penguin Guide to Bargain Compact Discs A-R Editions, Inc.

There is an undeniable fascination in reading the words that composers write. Whenever a composer puts finger to typewriter rather than pencil to manuscript paper, we inevitably hope that he might proffer us some insights into the workings of the creative musical mind ? that source of much mystery since the act of composition left the realm of low artisanship for that of High Art some two or three centuries ago. Composers who deal with words as naturally as they write notes are, however, a breed of exceeding rarity. Ronald Stevenson belongs amongst them and the proof of it is to be found amply in this book.

"The book includes musical instruments and their history; and covers living composers and performers, with over 150 added for this edition."--BOOK JACKET.

Introduction and allegro Alfred Music Publishing

Covering a wide range of modern digital recordings of high quality, this valuable reference, now completely revised and expanded, assesses the huge and growing range of mid-priced, bargain, and super-bargain CDs of classical music, including doubles, duos, and twofers.

Introduction and allegro for strings OUP Oxford

Folk Strings is a collection of folk melodies from around the world

arranged for strings. Unlike classical music, which normally has an "authentic" version, folk music often exists in many versions, with differences in the melody or lyrics. Sometimes several countries lay claim to a melody because a group of people moved to a new country and took their music with them. Most folk songs were sung and played for many years before they were written down, and their original composer is usually unknown. This collection includes melodies in a variety of moods and with rhythmic patterns which are representative of their country of origin. The arrangements in Folk Strings can be effective with players at a variety of levels. In order to provide maximum flexibility, the collection is available in a number of instrumentations.

Introduction & Allegro for strings Alfred Music Publishing

More Folk Strings is a collection of melodies from around the world, in a variety of moods and with rhythmic patterns and harmonies that are representative of their country of origin. Because of the flexible scoring used in More Folk Strings, players at a variety of levels can make music together and less experienced players can play the solo (melody) parts, which use little or no shifting and are in accessible keys. Some pieces in the collection are easier than others. The collection is available in a number of instrumentations for string quartet or string orchestra, for violin ensemble, viola ensemble, cello ensemble, for two, three, or four violin, viola or cello players in any combination of these instruments, and for solo violin, solo viola, and solo cello. The piano accompaniment may be used with any of the combinations. In More Folk Strings for String Quartet or String Orchestra, the melody is passed around so that all members of the ensemble can have the opportunity to play the tune. Score and parts are marked with "melody" and "harmony" to help players bring out the melody at the appropriate moment. Teachers' notes provide lyrics and background information on each folk song in addition to rehearsal and performance suggestions.
