They Found the Secret
 Whitaker House
 "The ways of God are not our ways, and the spiritual life is almost the contrary of what we fancy it." So declares author Luis Martinez, the Mexican bishop and mystic whose wise spirituality, rooted in St. John of the Cross and St. Therese of Lisieux, shows you here how to enter into

an intense, sustained communion with God. Bishop Martinez doesn't offer new rules of prayer or demand that you abandon the forms of meditation that suit you. He simply reminds you that our God is a hidden God. To find Him, says Martinez, we have to seek Him, but through His ways, not ours. If we do that, the gaze of faith will always find Him right where He hides: in the

spiritual desolation that led us wrongly to believe He was far away. Martinez shows you how to live in the obscurity of faith, detached both from consolations and desolations, and why this is best for your soul. The Christian who learns to do this leaves behind the perturbations of the world that shake the faith of those who don't In the obscurity of faith, the Divine Master will listen to

you, speak to you, and instruct your soul, but without the noise of words. Says Martinez: "Once you know how to profit from faith and to live by faith, you will always find God. You will have solved your problem; you will have discovered the great secret of the interior life." Let these pages teach you that secret!

 This is a
 restless world.
 Many people
 are outwardly
 restless. Few
 are outwardly
 composed,
 apparently at
 peace, but
 most people
 are at war
 inside. To be
 composed
 outwardly and
 to be boiling

inside is a characteristic of the world. Through discipline and self-control, a person can be composed outwardly. Only the Holy Spirit can bring rest inside. Even many who are indwelt by the Holy Spirit are restless. They do not know inward peace. If they know it, they know it at such a superficial level. In the new creation is to produce, through the working of the cross and the working of the Holy Spirit, people who

are at rest, regardless of the circumstance and regardless of what and where they are. Those who have walked with God for some time and have made progress in the areas of self-denial and unconditional surrender to the Lord, know something of God's rest. Turbulent times await the children of God in the future. Turbulent times are on now, and those who

know God's rest are needed to manifest His grace. Rest is needed today for all believers. Rest is needed today for you. May the Lord lead you into His rest. Amen.

Open Secrets Tate Publishing Originally published in 1925, THE GAME OF LIFE AND HOW TO PLAY IT from which SPIRITUAL SECRETS FOR PLAYING THE GAME OF LIFE is derived has become a world-wide spiritual classic. Shinn explains that life is not a battle; it is a game. Life is a game of giving and receiving in

which our mind is the most powerful tool we have, and it is a tool that much be used properly in order to attain happiness and peace. In a down-to-earth style, filled with anecdotes, Shinn covers how to win at the game of life to achieve prosperity, healing, forgiveness, faith, and Divine Design. **10 Lessons from the "one Thing" Passages** Hachette Books Everyone is controlled by

something. Who is controlling your life, you, the devil, or the Holy Spirit? The Bible says we are controlled by the Holy Spirit. But how can someone know who is in control? Our flesh will always manipulate, make demands, and pressure us to fulfill its desires. The Holy Spirit is always gentle, meek, and humble. He will lead and guide us in a still small voice. By contrast, the devil's voice is

<p>sharp, hard, and pressing. The Holy Spirit will always lead us into all truth and bring clarity and understanding to our minds. Satan has only one purpose: to lie, deceive and confuse us. In THE SECRETS OF SPIRITUAL POWER, Joyce Meyer shows you how to obey the Holy Spirit. And by doing this you will experience spiritual power as well as love, joy, peace, patience, kindness, goodness,</p>	<p>gentleness, faithfulness, and self-control. <i>The Secrets to Life Transformation & Self Discovery</i> HarperCollins In Secrets About Life Every Woman Should Know, Barbara De Angelis, one of the nation's premier relationships experts, turns her attention to the most important relationship a woman could ever have: the one with herself. In this remarkable blend of timeless wisdom and</p>	<p>practical advice, De Angelis presents ten profound secrets for creating the kind of true freedom we all seek--the freedom that comes from knowing how to stop sabotaging our happiness, how to tap into an inner state of confidence, clarity, and peace, and ultimately how to protect that state from life's many ups and downs.
