### **Fugitive Pedagogy**

Thomas Nelson

My happiness is not the means to any end. It is the end. It is its own goal. It is its own purpose.

Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and

a clear predecessor to her later masterpieces. The Fountainhead and Atlas Shrugged. In Anthem, Rand examines a frightening future in which individuals have no name, no independence, and no values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism

have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him--a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd--to think and choose for himself, to discover electricity, and to love the woman of his choice. Now he has been

marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word--"I."

Ninth-grader Philip Malloy's suspension for humming "The Star-Spangled Banner" during homeroom becomes a national news story.

Stony the Road Lulu.com

They came on a mission of mercy, but now they're in a fight for their lives. High schooler Will Peterson and three friends journeyed to Central

America to help rebuild a school. In a poor, secluded mountain village, they won the hearts of the local people with their energy and kindness. But in one sudden moment, everything went horribly wrong. A revolution swept the country. Now, guns and terror are everywhere—and Americans are being targeted as the first to die. Will and his friends have got to get out fast. But streets full of killers . . . hills patrolled by armies . . . and a jungle rife with

danger stand between them and the border. Their one hope of escape lies with a veteran warrior who has lost his faith and may betray them at any moment. Their one dream is to reach freedom and safety and home. If they can just survive.

The inspiring story behind the national anthem and the American flag comes alive in this "page-turning narrative [with] generous archival illustrations" (Kirkus, starred review).

“O say can you see” begins one of the most recognizable songs in the US. Originally a poem by Francis Scott Key, the national anthem tells the story of the American flag rising high above a fort after a night of intense battle during the War of 1812. But there is much more to the story than what is sung at ball games. What was this battle about? Whose bombs were bursting, and why were rockets glaring? Who sewed those broad stripes and bright stars? Why were free black

soldiers fighting on both sides? Who was Francis Scott Key anyway, and how did he have such a close view? An illustrated history for young readers, *Star-Spangled* tells the whole story from the perspectives of different key figures—both American and British—of this obscure but important battle. The book includes an author’s note, a timeline, a glossary, endnotes, a bibliography, and an index. A Kirkus Best Book of 2020 [Revolutionary Mothers](#) Harvard University Press

Poses an argument in support of capitalism that reveals the ways in which capitalist practices enable Christians to follow Jesus's mandates about alleviating poverty and protecting the earth, in a guide that challenges popular misconceptions while supporting a middle-ground perspective between a hedonist life and extreme acts of self-denial. 25,000 first printing.

 Sixteen-year-old Starr Carter moves between two

worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the

local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? **Give Me Liberty! An American History**

Abrams  
Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey,

endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of

imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition. *The Hate U Give* Random House  
The American-born author describes her family's experiences and

impressions when they were forced to relocate to a camp for the Japanese in Owens Valley, California, called Manzanar, during World War II, detailing how she, among others, survived in a place of oppression, confusion, and humiliation. Reissue.

The fascinating story of America's national anthem and an examination of its powerful meaning today. Most Americans learn the tale in elementary school: During the War of 1812, Francis Scott Key witnessed the daylong bombardment of Baltimore's Fort McHenry by British navy ships; seeing the Stars and Stripes still flying proudly at first light, he was inspired to pen his famous lyric. What Americans don't know is the story of

how this everyday "broadside ballad," one of thousands of such topical songs that captured the events and emotions of early American life, rose to become the nation's one and only anthem and today's magnet for controversy. In *O Say Can You Hear?* Mark Clague brilliantly weaves together the stories of the song and the nation it represents. Examining the origins of both text and music, alternate lyrics and translations, and the song's use in sports, at times of war, and for

political protest, he argues that the anthem's meaning reflects—and is reflected by—the nation's quest to become a more perfect union. From victory song to hymn of sacrifice and vehicle for protest, the story of Key's song is the story of America itself. Each chapter in the book explores a different facet of the anthem's story. In one, we learn the real history behind the singing of the anthem at sporting events; in another, Clague explores Key's complicated relationship

with slavery and its repercussions today. An entire chapter is devoted to some of the most famous performances of the anthem, from Jimi Hendrix at Woodstock to Roseanne Barr at a baseball game to the iconic Whitney Houston version from the 1991 Super Bowl. At every turn, the book goes beyond the events to explore the song's resonance and meaning. From its first lines Key's lyric poses questions: "O say can you see?" "Does that banner yet wave?" Likewise,

Clague's *O Say Can You Hear?* raises important questions about the banner; what it meant in 1814, what it means to us today, and why it matters. [The Book of Lies](#) Nova Publishers  
"The Anthem Companion to Robert N. Bellah" is the first major collection of essays on the life and work of Robert N. Bellah (1927–2013), one of the foremost sociologists of religion of the twentieth century. Bellah's work was central to many fields: the sociology of Japanese religion; the

relationship between sociology and the humanities; the relationship between American religion and politics; the cultures of modern individualism; evolution and society. Bellah's seminal work on "civil religion" in the early 1970s created a huge debate across the disciplines that continues into the present times; his coauthored book "Habits of the Heart" (1985) was a best seller and the object of sustained discussion in the general public sphere; his last magnum opus,

Religion in Human Evolution, published at 84, was a monument to an extraordinary scholarly and intellectual career. The object of this collection of essays by top American and European scholars from the social sciences and humanities is to highlight the richness of Bellah's work. Each essay has a double character: it introduces a single topic in an accessible and complete way and then presents a reflection on the viability and import of Bellah's ideas for interpreting

contemporary phenomena.

**The Giver** Anthem Press In 1942, blonde and blue-eyed Milada is taken from her home in Czechoslovakia to a school in Poland to be trained as "a proper German" for adoption by a German family, but all the while she remembers her true name and history.

[O Say Can You Hear?: A Cultural Biography of "The Star-Spangled Banner"](#) Scholastic Inc.

A classic work of American literature that

has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the

age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the

National Book Critics Circle Award.

UNC Press Books  
The provocative and authoritative history of the origins of Christian America in the New Deal era We're often told that the United States is, was, and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s.

To fight the "slavery" of FDR's New Deal, businessmen enlisted religious activists in a campaign for "freedom under God" that culminated in the election of their ally Dwight Eisenhower in 1952. The new president revolutionized the role of religion in American politics. He inaugurated new traditions like the National Prayer Breakfast, as Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official

motto. Church membership soon soared to an all-time high of 69 percent. Americans across the religious and political spectrum agreed that their country was "one nation under God." Provocative and authoritative, *One Nation Under God* reveals how an unholy alliance of money, religion, and politics created a false origin story that continues to define and divide American politics to this day. *Refugee* St. Martin's Press  
A tour de force from

acclaimed author Alan Gratz (*Prisoner B-3087*), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A *New York Times* bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in

America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their

stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home. *Songs of America* BEYOND BOOKS HUB What does it take to change the world? The “epic adventure” (Booklist) of a band of unlikely heroes on a quest to save one innocent life who may end up saving us all. For decades, Judge Margot Burr-Nadir has worked tirelessly, case by case, to administer justice from the federal bench of

the Eastern District of the United States. Her position already seems like the highest possible honor. So she is surprised when a call comes from the President of the United States inviting her to accept his nomination to the Supreme Court—not least because in choosing her, in an unprecedented attempt to heal a divided nation, the President has reached across party lines. For Margot, this should be among the brightest spots of an already charmed existence. But the call

comes on a family trip to visit their oldest daughter, Story, who has, without warning, vanished as if spirited away in the middle of the night by forces unseen. Margot soon finds herself thrust onto the national stage in the middle of every parent's worst nightmare. The desperate search for Story's whereabouts soon intersects with the mission of teenagers Simon Oliver, Louise Conklin, and a young man known only as the Prophet. Together, they have escaped from the

Float Anxiety Abatement Center in Chicago on the trail of man known as The Wizard: an unimaginably wealthy, almost mythical figure of unspeakable evil who has for years been taking whatever he wants without reaping the consequences. Stopping him, this band of young people hopes to accomplish what their elders can't or won't do: fix a broken world. Noah Hawley's new novel is an adventure that finds unquenchable lights in dark corners. Unforgettably vivid

characters and a plot as fast and bright as pop cinema blend in a Vonnegutian story that is as timeless as a Grimm's fairy tale. It is a leap into the idiosyncratic pulse of the American heart, written with the bravado, literary power, and feverish foresight that have made Hawley one of our most essential writers. The Things They Carried Houghton Mifflin Harcourt NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who

returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.  
[The World Book Encyclopedia](#) Houghton

Mifflin Harcourt  
NOW A NEW YORK TIMES, USA TODAY, AND PUBLISHER'S WEEKLY BESTSELLER "Dyson writes with the affection of a fan but the rigor of an academic. ... Using extensive passages from Jay-Z's lyrics, 'Made in America' examines the rapper's role as a poet, an aesthete, an advocate for racial justice and a business, man, but devotes much of its energy to Hova the Hustler." —Allison Stewart, *The Washington Post* "Dyson's incisive

analysis of JAY-Z's brilliance not only offers a brief history of hip-hop's critical place in American culture, but also hints at how we can best move forward." —Questlove  
JAY-Z: *Made in America* is the fruit of Michael Eric Dyson's decade of teaching the work of one of the greatest poets this nation has produced, as gifted a wordsmith as Walt Whitman, Robert Frost and Rita Dove. But as a rapper, he's sometimes not given the credit he deserves for just how great an artist he's

been for so long. This book wrestles with the biggest themes of JAY-Z's career, including hustling, and it recognizes the way that he's always weaved politics into his music, making important statements about race, criminal justice, black

wealth and social injustice. As he enters his fifties, and to mark his thirty years as a recording artist, this is the perfect time to take a look at JAY-Z's career and his role in making this nation what it is today. In many ways,

this is JAY-Z's America as much as it's Pelosi's America, or Trump's America, or Martin Luther King's America. JAY-Z has given this country a language to think with and words to live by. Featuring a Foreword by Pharrell
