It was an era of counter-intelligence, dogfights, and drinking songs, but that was before the world changed. That was before the Elementals. When a routine mission goes awry, the 5th Squadron finds itself trapped in an unreal world called The Source. Here, giant bat-like creatures dominate the world, keeping the Universe, and all of its parallel realities, in a precarious balance. But despite its serene appearance, it is a violent, predatory land. Trapped along with Germany's greatest flying ace, they all must work together to find a way back home, but the home they left is no longer the world they knew. Never before seen images!

Morgan Llywelyn, internationally acclaimed author of 1916 and Lion of Ireland, returns with a powerful fantasy saga that sweeps from the dawn of history to our own near future. It is the story of Earth and her elements, and of the men and women whose fate lies in her hands. . . . Water. The ice caps melt, the seas rise, and Kesair, a woman of Atlantis, leads a handful of survivors on a desperate search for land - and a new beginning. Fire. All the world centers around the empire of Crete, where Meriones, a humble musician, performs before the mighty in their palaces. Until the land shakes, the volcano speaks with a voice of fire, and Meriones finds his life changed forever. Earth. Old beyond

imagining, the Earth knows neither hate nor pity. And from Annie Murphy, a strong-willed New England housewife, it demands a sacrifice both unexpected and irrevocable. Air. The ozone dwindles, and the forests die, a new plague walks the world. And on a day just after tomorrow, thousands of years after Kesair's struggle, another small party of survivors, led by George Burningfeather, comes together on a desolate Indian reservation. As the ice melts and the sea rises once more, they fight one last battle for the Earth – for mankind and hope. The Elementals is the epic, ongoing tale of humanity's turbulent relationship with the Earth – as only Morgan Llywelyn could tell it. Earth SF MAZHAR

Here is your riddle: I am greater than god. I am more evil than the devil. The poor have me, The rich need me, And death comes to those who eat me. Who am I? *** I am ever hungry, And live if you feed me. I am never thirsty, And die if you quench me. What am I? *** I see much, but change little. I am firm, irresolute, Powerful, but gentle; I have enough strength to rip apart mountains, Yet be moved by gentle stirrings, I am life itself, And I give life to others. Who am I? Im a five letter word that has no end, One through three can amend, One, four and five are something alive, Two and three occur near thee. What am I? *** I am light as a feather, Yet no man can hold me for long. My presence causes life, My absence death. *** I welcome the day with a show of light, I stealthily came here in the night. I bathe the earthy stuff at dawn, But by the noon, alas! Im gone. *** The last, but not the least, little one: Lighter than what I am made of, More of me is hidden than is seen, I am the bane of the mariner, A tooth within the sea. Speak my name.
