Amazon.co.uk ...The Third Bullet by Stephen Hunter Bob Lee Swagger is up to his neck in espionage and life threatening danger as he investigates the death of a man in Baltimore by hit-and-run. Information results in the man just returning from Dallas asking pointed questions concerning the JFK assassination. The Third Bullet (Bob Lee Swagger, #8) by Stephen Hunter When weighed against his own legacy, Swagger's life is an insignificant expense—but to blunt the threat, he'll first have to ambush the sniper. As each man hunts the other across today's globe and through the thickets of history, The Third Bullet builds to an explosive climax that will finally prove what Bob Lee Swagger has always known: it's never too late for justice. The Third Bullet by Stephen Hunter (Bob Lee Swagger #8) But it's enough to get legendary former Marine sniper Bob Lee Swagger interested in the events of November 22, 1963, and the third bullet that so decisively ended the life of John F. Kennedy and set the stage for one of the most enduring controversies of our time. Swagger begins his slow night stalk through a much-traveled
