Chord Changes with Full Harmonic Analysis, Chord-Scales and
Arrows & Bracket Analysis Hal Leonard Corporation
The most widely used piano technique book ever written, The
Virtuoso Pianist was designed to develop agility and strength in
all the fingers as well as flexibility of the wrists. Translated from

the original French, this Masterwork edition is designed for
intermediate level pianists, includes Exercises 1-20 and is clearly
engraved for easy reading. Contains Hanon's original
introduction. Book 2 (Alfred edition 682) is also available, and
contains Exercises 21-43.

100 Jazz Lessons Hal Leonard Corporation
(Musicians Institute Press). The sixth book in Peter Deneff's
popular Hanon series, Jazz Chord Hanon provides 70 essential
exercises in a variety of styles to benefit beginning to
professional jazz keyboardist, all based on the requisite Hanon
studies. The exercises address: comping, major and minor
progressions, chromatic and diatonic workouts, altered chords,
progressively complex voicings, the Circle of Fifths, and more.
Doing these exercises is guaranteed to build fluency in all twelve
keys! Includes suggested fingerings and practice tips.

Master the art of stride piano playing, using the never-before explained techniques of masters like Fats Waller, James P. Johnson, and Donald Lambert to turn any song into a stride masterpiece. Stride piano stormed the New York jazz scene of the 1920s and 30s, growing from its ragtime and blues roots to become what many consider to be the fullest, most trick-filled and exciting jazz piano style ever invented. With over 50+ stride techniques and 150+ carefully explained examples plus performance tips, this book shows how to make your piano sparkle like never before. The book also includes Kast's highly acclaimed mini crash course in music theory, which serves as great background preparation for all musical styles. Audio recordings of all the tricks in the book can be heard or downloaded from the companion website at no additional charge.

An Introduction to Modal Improvisation Mel Bay Publications
A slight condensation of Hanon's first exercises. The simplification in layout and range make the exercises appear less difficult to a young student.

Stride Hanon Hal Leonard Corporation
Eleven units organized to progress in difficulty; featuring arrangements of classical music, traditional pieces, and popular and jazz pieces, by various composers.

For Intermediate to Early Advanced Piano Hal Leonard
This is the first book that teaches piano practice methods systematically, based on my lifetime of research, and containing the teachings of Combe, material from over 50 pianobooks, hundreds of articles, and decades of internet research and discussions with teachers and pianists. Genius skills are identified and shown to be teachable; learning piano can raise or lower your IQ. Past widely taught methods based on false assumptions are exposed; substituting them with efficient practice methods allows students to learn piano and obtain the necessary education to navigate in today's world and even have a second career.
