From the bestselling co-author of Chicken Soup for the Soul comes a revolutionary programme to help you cut back or quit drinking entirely - on your own and in the privacy of your own home. Existing established published resources have utterly failed to help most alcoholics. Only a tiny percentage of those with alcohol abuse issues ever receive any sort of treatment, including Alcoholics Anonymous, which provides a dated programme of recovery that many find difficult to accept or practical to implement. There has also been no dramatic decline in alcoholism over time, suggesting that we are desperately in need of a fresh approach. The 30-Day Sobriety Solution offers the answer to anyone who feels their drinking has become unmanageable. Inspired by Canfield's work in self-esteem and success training and developed into a programme by Dave Andrews, it integrates positive psychology, neurolinguistic programming, cognitive therapy, meditation, positive self-talk and the correction of negative self-perceptions, amongst numerous other techniques. At the core of this programme are the two concepts of a no alcohol '30-Day Reboot', with the option of a non-abstinence track after the first 30 days. This is a model of sobriety that you can achieve in the privacy of your own home in only a few minutes a day.

Have you ever asked yourself why you are on planet Earth? And what the ultimate purpose for your life might be? Well, Jack Canfield asked himself this very question and came up with a surprising answer —part of which included a vision revealing that he is part of a "Golden Motorcycle Gang" —a gang whose intent is to have fun, but also to make significant contributions to the well-being of humanity. During a joyful dinner many years ago in Santa Barbara, California, Jack told his friend William Gladstone about the Gang. Upon hearing this account, William had an epiphany that Jack's story held a powerful underlying truth not only explaining Jack's true purpose, but William's as well. For more than ten years, William encouraged Jack to write a book based on the story of the Gang, so they have now collaborated on this work to show you its relevance to this critical moment in the history of human civilization . . . and also to you, personally. As you read, you will be introduced to some of the extraordinary members of the Golden Motorcycle Gang, including visionary thinkers such as Barbara Marx Hubbard, the originator of the

concept of Conscious Evolution. The mystery and adventure inherent in this book reveals that there is now the opportunity for all of us on planet Earth to make a quantum leap in real time toward choosing the actual course of our evolution. Along the way, we are meant to experience the joy that comes from recognizing who we really are. Perhaps, as you embark on Jack's journey along with him . . . you will find that you are also a member of the Golden Motorcycle Gang! So get ready for the adventure of your life!
