The Art of Using the Love of Aesthetics We Are Born With to Keep Our Viewer's Interest in Our Image. Createspace Independent Publishing Platform

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! *Love Me Gently* is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

A Novel

Mk Books
The author of *Love Is the Killer App* explains why likeability is the key to happiness and success and demonstrates how anyone can develop the ability to create positive feelings in others and how to enhance one's personal L Factors through the application of four basic principles--how to be friendly, how to be relevant, how to show empathy, and how to keep it real. Reprint. 30,000 first printing.

Remember Who You Truly Are

Marvel Entertainment
Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with Hazel and rekindle their old flame all while reclaiming his name in the streets. What

happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?

See You Soon Broadway Independently Published

All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

Stir Up the Gift Within Currency

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Love Is the Killer App: How to Win Business and Influence Friends." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Let's Stay Together Lorhainne Eckhart

Reporters Derry Danaher and Amadee Beauchene fall in love while working at the Milwaukee Ledger when sorrowful events change everything.

A Love Story

John Wiley & Sons
A Holocaust in Kashmir destroys two lives till love unites them. Again. From the Amazon #1 Best-Selling Author, comes a tender coming-of-age love story of two Kashmiri Pandits, whose lives are torn asunder by Islamist terrorists. Meet Reshma and Sanjay, who grow up in Kashmir, and consider the beautiful valley their only home in the entire world. Till the early 1990s. When terrorists for no rhyme or reason make them lose everything. Their lovely homes in Srinagar, their relatives, their friends... and themselves. Forcing them to live in exile, in penury, and worse--without the

comfort of each other. Can Sanjay stand up to radical Islam and win? Can Reshma heal herself and re-connect with her love ever? Share the pain and sufferings of the two lovers as they pick up the shattered pieces of their lives bit-by-bit with grit, determination and just pure love in their hearts. "You Can't Kill My Love" is a story of passionate love and enduring bravery in a world where innocents think they stand no chance against indoctrinated terrorists. But they could just be so wrong! If you like reading Romantic Suspense novels, buy a copy or download a sample now!

You Can't Kill My Love Love is the Killer App
How to Win Business and Influence Friends

Many of us live a mundane existence in which we get up, go to work, come home, and go to sleep. This cycle keeps repeating each and every day. The worst part is that we likely work a job that we don't enjoy doing, but we keep working that job in order to provide for our family. Stop right now and pay attention, because it doesn't have to be that way. This book; *Stir Up the Gift Within*, encourages people to use their talents to do what they love. It teaches people exactly how to find their talents so that they can use them to pursue their passions in life. There are bigger dreams and goals lurking inside each and every one of us; we need to stir up that gift within us. The difference between successful people and ordinary people is that successful people take action and pursue their dreams. Ordinary people tend to accept what life has thrown at them without trying to make any changes or go against the ideals of society in order to seek out that better life. All successful people found a way to use their talents to do what they love. The hardest part was learning how to do it, and that is exactly what you will learn in this book.

Godspeed Flaming Hearts Press LLC

A RUNAWAY BRIDE Grace Marshall fled the church moments before her ceremony, leaving her twin sister buttoned into the wedding dress. A risky move for a good reason, and now she has to deal with the fallout. She expects the town and her family to be angry, but not this cowboy she just met. Who is he to judge? WITH SECRETS TO HIDE Horse trainer Mike Torres Thompson fabricated new identities for his siblings in order to keep them together after their parents died. Different location, different

names, different lives. Once these last two kids are on their feet and those feet moving out his door, he can pursue his own dream of a ranch for abused horses. Then he meets Grace, and all his carefully-formed plans run away like a mustang. Or a bride. Neither denies their physical attraction, but love? Can the runaway bride and the responsible family man overcome their pasts and learn to trust? Will they be able to take a leap of faith toward a future together? -----

Author's note: While this is the second book in the series, it can be read at any time as a stand alone. I hope you enjoy them all, in whatever order you read them. WHAT REVIEWERS ARE SAYING ABOUT MEGAN'S BOOKS: THE WEDDING RESCUE, Love in Little Tree Book 1 4 Stars (at the Long and Short Reviews site; 3 stars on Amazon), Long and Short Reviews The Wedding Rescue is a full bodied romance filled with a lot of emotional layers. "The bestselling author of Love Is the Killer App unveils a methodology that sales managers and account executives can use to solve their team's toughest problems by combining the wisdom and creativity of everyone who has a stake in the sale. B2B sales reps often find that their deals get stuck at a crucial point in the decision-making process. This book is Tim Sanders's guide to breaking through the resistance and getting the deal unstuck using a scalable, repeatable process that he calls "Dealstorming." By including a diverse group of individuals in the organization who has a stake in the sale, questioning existing assumptions, and channeling the collective experience of the

group, sales teams can uncover creative solutions to closing otherwise impossible deals. In Sanders's experience as a sales executive and consultant, utilizing this process has led to a stunning 70 percent close ratio. Take, for example, the way Alyssa Wichman of CareerBuilder used dealstorming to break a deadlock with staffing firm Allegis. When she found out that Allegis was sponsoring a golf tournament to raise money for their favorite nonprofit, she and her team sat down to come up with ways to meet the Allegis executives there, going so far as to take over manning a beer cart on the course to speak with the execs on the ninth hole. They were impressed she'd gone to such lengths to have a few minutes with them, so they agreed to a meeting the following week. "--

Book Three of the Love's Territory Series John Wiley & Sons Even the actions of a single person can help to change the world. How? Through simple acts of leadership and compassion. Open up this book, and discover the true stories of people whose actions have caused a chain reaction at work and in their communities. Among them: A manager who gives an employee some supportive praise, and as a result literally saves his life (page 231). A small group of bank tellers who spearhead a movement to raise millions of dollars for breast cancer, making it the biggest fundraiser in North America, and enhancing their company's reputation (page 213). A sales manager who gets a copy of a groundbreaking book that leads to a transformation of the company's operations. As a result, hundreds of millions of pounds of carpet waste avoid the landfill, and the company sparks a revolution in its industry (page 12). A "responsibility revolution" is shaking up corporate America. In this provocative and insightful book, bestselling author Tim Sanders reveals why companies must to go beyond making a profit and start making a difference. Every one of us, regardless of title or position, can inspire our companies to change the way they do business, helping them to become a positive force for enriching people, communities, and the environment. When this happens, not only do we help save the world, we help save our companies from becoming irrelevant. We also become part of what Sanders calls the Responsibility Revolution. Companies that don't participate in this revolution risk becoming obsolete. Today customers, employees, and investors are demanding that companies focus on their social responsibilities—not just their bottom lines. Sixty-five percent of

American consumers say they would change to brands associated with a good cause if price and quality were equal; 66 percent of recent college graduates will not work for companies with poor social values. And more than sixty million people are willing to pay a premium for socially and environmentally responsible products. In SAVING THE WORLD AT WORK, Tim Sanders offers concrete suggestions on how all of us can help our companies join the Responsibility Revolution. Drawing on extensive interviews with hundreds of employees and CEOs, and illuminated by countless stories of people who are making a difference in the workplace and in the world, Sanders offers practical advice every individual and company can use to make the world a better place—now and in the future.

The Love Killer Createspace Independent Pub

A beautiful southern belle brings this bad-boy billionaire to his knees. But is Charlie Lord ready for the relationship he never saw coming? Indulge in this spicy romance read today! Say You Love Her: An LA Love Story is the third novel in the steamy LOVE in the USA Contemporary Romance Series by author Z.L. Arkadie. *Addicted to a Savage 2* Createspace Independent Publishing Platform

A look at why we are interested in what we see in art. Are we born with aesthetic preferences that are shaped by cultural influences? Is our natural attraction to Beauty another weapon in our arsenal of species' survival? This book examines many so-called rules of composition in the visual arts to find natural reasons for their existence. It is designed to aide the visual artist and those who appreciate their work by bringing attention to subtle cues of attraction cultivated by our ancient and immediate ancestors. It calls upon recent work in neuroaesthetics and other scientific disciplines to back up its speculative claims, and asks the reader to contribute opinions of their own on the books' website at naturallycomposed.com. There are many examples of photos in the book, and the reader is again asked to insert their own examples to enforce or refute the claims.

The Chartreuse Clue Currency

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to

shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

You've Got Time Dutton

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to

making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

Do you aspire to be a more effective leader who guides your team or organization to higher levels of lasting success? Would you like to look forward to each day and know that you are having a positive impact on the world around you? This is possible for

everyone, regardless of your title or position. In fact, *Serve to Be Great: Leadership Lessons from a Prison, a Monastery, and a Boardroom* will train you to make this a reality. Although it's not an easy process, it is a worthwhile one. By making a shift in your approach to leadership, you can become a highly effective leader who enjoys your work and makes the world a better place. The shift is simply a matter of gradually becoming more focused on how you can serve others and increase your capacity to do so. Being an extraordinary leader does not require a MBA or PhD. The reality is that anyone can be a great leader. Author Matt Tenney has survived – and thrived – in situations where most people would have been quickly broken. In *Serve to Be Great*, he offers his life experiences and unique insights to help leaders apply the powerful principles of servant leadership. Servant leaders are not weak or timid. Motivated by the aspiration to serve, they achieve true power by empowering others to achieve excellence. This is a practical guide to becoming a leader people want to follow. By shifting focus from short-term gain to serving others, leaders can create great workplace cultures that deliver superior, long-term results. *Serve to Be Great* is the perfect playbook for realizing the ultimate in personal and business success. In keeping with the spirit in which *Serve to Be Great* was written, all author proceeds from the sale of the book will be donated to charity.

The Untold Chronicles Tabatha Kiss

"Beauty is skin deep, but ugly is to the bone."That's what Kat's grandfather used to say. With the global games only a few months away, her jump team encounters serious financial troubles. Their only chance is for Kat to take the enticing, though questionable investment offer from Lorenzo Watt. One look at his handsome face reminds her of Granddah's warning. She wonders if Lorenzo is worth the risk of a deeper look.Lorenzo knows his looks are a commodity, an asset to charm and manipulate gorgeous women into marrying off-worlders. To him, it's just a job that repays a debt. Complications arise when he is assigned to lure Kat into being a starbride. He didn't expect her to be quite so challenging, nor did he anticipate the lure of her beauty.
