## **BETHANY WALLS**

---

**The Forest of the South (Classic Reprint)** Allure Books  
She is nothing more to him than a means to obtain children. When she is released from the stasis she voluntarily entered, the world that greets Emily Harding is far from what she expected. It

more closely resembles a post-apocalyptic novel than the rolling green Tennessee hills she's left behind. Worse than that, it seems that the rule of law is a thing of the past, and that society has devolved into what it was thousands of years ago - feudal tribes warring with each other over precious and rare supplies, which includes females. One

type of female in particular. It is raw, unforgiving, and animalistic. Much like the behavior of the man who takes her captive and holds her there, forcing her to learn that even she is not unaffected by the changes that have been wrought on the world, proving to her time and time again that she is nothing more to him than a means to obtain children. And making her scream in agonizing pleasure as he does so. Publisher's Note: The Alpha's Woman is a dark tale with some explicit themes.

**Feral - Obsession: A Dark Omegaverse Romance** Holt Paperbacks  
Taken. Brutalized. Claimed. My mate became mine during a

heinous experiment designed to punish her for her disobedience. The scientists who locked me in a cage and stole my humanity gave her to me to ravage. To break. But she is far more than a warm body to distract me from my torment. She is mine. They took everything from me - but I won't let them do the same to her. She fears me, but there is nothing I won't give to save her. Even my own life. Despair is the second book in Nora Ash's suspense-filled Omegaverse serial, Feral. Please note: This series gets dark, and it gets dirty. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass. For fans of Anna Zaires' The Krinar Captive, Addison

Cain's Born to be Bound and dark, sexy alpha males comes a suspenseful capture fantasy, complete with rough dominance and total submission. The serial contains a/b/o elements, mating bonds, heats and everything else that goes into a spicy Omegaverse. Eventual HEA guaranteed. (But it's a serial, so expect cliffhangers until the series is complete!)

*Fashioning Japanese Subcultures* Penguin

She was untouchable ... his business partner's wife.

Beautiful Rachel Tanner was everything that Dylan Prescott longed for in a woman. But he had too much honor to even think about tempting her away from the man she loved ...

### **The Little Miss**

Blushing Books Publications

Fern seeks refuge from her mother's pill-popping and boyfriends via Soul Train; Gwin finds salvation in the music of Prince much to her congregation's dismay and Jesenia, miles ahead of her classmates at her gifted and talented high school, is a brainy and precocious enigma. None of this matters to Boss Man, the monster who abducts them and holds them captive in a dilapidated house in Queens. On the night they are finally rescued, throngs line the block gawking and claiming ignorance. Among them is lifetime resident Miss Metropolitan, advice columnist for the local weekly, but how could anyone who fancies

herself a "newspaperwoman" have missed a horror story unfolding right across the street? And why is it that only two of the three girls--now women--were found? The mystery haunts the two remaining "victim girls" who are subjected to the further trauma of becoming symbols as they continuously adapt to their present and their unrelenting past.

### **Her Gentle Giant**

Blushing Books  
Publications

There was just no getting around the fact that Holly Johnson was fat. Not cute or round or pleasantly plump, but fat. But she was also smart and funny and impish. Chance Thompson, on the other hand, is gorgeous. He's also

helpful and supportive. And dominant. Chance is always willing to guide Holly with a well-needed spanking. But is it too much to hope their relationship can lead to more?

### Close Connections

Deep Vellum Publishing Will becoming his submissive ruin their twenty year friendship? Two years after ending her disastrous marriage, Hope Ardwell is in need of funds to start up her own business app. She refuses to accept help from long-time wealthy British friend, Callum Townsend, III. Instead, she signs up for a site called spanked-sugarbabies.com. But when Cal is informed of this by a co-worker, he is quick to put an end to her first meeting with a client before it even

begins. Instead, he offers to be her sugar daddy. Reluctantly, she agrees to a six month trial, but she soon regrets ever making that decision. Cal is her best friend and now her Dom, but she wants him to be so much more. Publisher's Note: This contemporary friends to lovers story contains graphic scenes and a theme of power exchange.

*Social Policy First Hand*  
Blushing Books

Publications

She doesn't want a man, and he doesn't need a woman. So, a marriage of convenience should be perfect, shouldn't it? Mina has come for the summer to help her friend plan her wedding. After suffering through a trauma years ago, she

has made a vow to keep her distance from all men. However, that was before she met Crystal's older, widowed brother. Rad likes his sister's friend. The fact that she gets along with his two small daughters is an added plus, and these two reasons prompt him to propose a marriage of convenience to her. He makes it clear that there will be separate bedrooms, and she agrees. After all, she doesn't want a man in her bed, and he was hurt deeply by his first wife, so it just makes sense. But when her new friend, Gemma, gives birth, Mina suddenly realizes a marriage of convenience to Rad is no longer what she wants. Somehow, he has broken through the

barriers of her past. Can she convince him to make their marriage real? Or will it take no convincing at all? Publisher's Note: This endearing romance contains elements of power exchange. *His Sugarbaby* Gill & Macmillan Ltd

Revisit the world that Carolyn Faulkner brought to life in her erotic BDSM classic, *Prima*. Tria is a young, virginal, untouched girl when she is sold to Thomas. He opens her eyes as he opens her body to anything and everything. Life in the post-plague society is harsh, and punishments are severe. Tria is an extremely severe, non consensual story, featuring spanking, caning, anal punishments, and bondage elements.

**Made to Order Bride**  
A&C Black

Can they go from being 'just friends' to Dom and submissive? Honey Jacobsen and Sabin Northrop have been dancing around each other for nearly a decade. He is a rich and powerful 'businessman' and she, a struggling writer. They are as different as day and night, yet she has loved him for an eternity, realizing they can only be friends. She just isn't his type. Or is she? Late one night, he reveals his true feelings for her, and it is not as her friend. He desires to be her lover and her Dom. When he accidentally discovers her submissive tendencies, that's all it takes for him to make her his. Publisher's Note: This steamy

romance contains a theme of power exchange.

### **Ireland's Wild Plants - Myths, Legends & Folklore**

Workman Publishing Company  
Joyce Carol Oates adds to her extraordinary body of work with this stunning National Book Award Finalist filled with violence, love, racism, and a shared secret in mid-century New York. In the early 1950s in an industrial town, racial boundaries may keep people apart—or bring them together explosively. Iris Courtney, who is white, is the only witness when handsome Jinx Fairchild, a black basketball player, kills a white man in order to protect her. The secret link between Iris and Jinx is not only their attraction to each

other, but a bond of passion and guilt that has formed between them. This one irrevocable, tragic act shapes their lives and alters their destinies in Joyce Carol Oates's finest, emotion-packed novel—a work critics call a masterpiece, the best work of America's best writer of contemporary realism.

**Tria** Blushing Publications  
Faulkner's Folly (1917)A murder takes place in an upper class country house, and draws on a closed circle of suspects of relatives, guests and employees of the murdered man. Again, detective Alan Ford is called to the scene, and he has to work through a maze of mystery, secrets and deceptions...

Islamic Fashion and

Anti-Fashion Blushing Books Publications  
Arianne Messier managed to get away from her abusive husband, settling with her young daughter in a small town in Tennessee at the base of the Smoky Mountains. There, she meets a man who is even bigger than her husband was, and she keeps ending up having to deal with him when she'd really rather not. Hoyt Chandler is a war hero who bears the scars, literally, to prove it. He's a bit crotchety at first and doesn't think he'll ever find a woman who will be able to look past how ruined he is. But could Arianne be that woman? Could it be that they were meant to heal each other? Publisher's Note: This

contemporary romance contains a theme of power exchange.  
The Adventures of Mr. Verdant Green, an Oxford Freshman  
Blushing Books  
"A sexy dark romance that is deliciously twisted!" - Laura Thalassa, bestselling author of The Four Horsemen series. I never wanted a mate. Until I was put in chains. Strapped down. And claimed. I always believed I could analyze any situation until I found a solution. Solve any problem if I just applied my brain. I went to university, studied science and told myself my academic cocoon would protect me from the alphas dominating our society. I was wrong. No textbook prepared me for my meeting with test

subject 351. The biggest, scariest alpha on death row, hauled into my lab to uncover how to control the beast of a man. How to make him submit. Mold him into a weapon. But there is no controlling the feral alpha, and no logic strong enough to save my mind once he unleashes his fury on my body. Once he claims me. Obsession is the first book in Nora Ash's second suspense-filled Omegaverse serial, Feral. Please note: This series gets dark, and it gets dirty. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass.

**Patsy: A Novel** Good Press

A historical examination of tension and conflict on the

Texas-Mexico border, told from the Mexican perspective, that's especially relevant today.

### **Second Chances**

Little Huldra Media

Who said being a dominant Sugar Daddy was going to be easy? Self-made millionaire Reed Douglas wanted a woman in his life, but he didn't have the time for even the barest of social rituals. Tricia Barton flew down to spend some time with her cousins after the death of her mother, hoping a change of scenery would help her slough off the remnants of depression. She never expected to have her life turned upside down by her cousin's undeniably hot and very dominant boss who didn't hesitate to

suggest that she let him keep her in a style to which she definitely didn't want to become accustomed. But one of the few things left out of their very special arrangement was that she ended up finding herself over his lap more often than not!

### **Faulkner's Folly**

Blushing Publications

During the late 18th and early 19th centuries, there was a tubercular 'moment' in which perceptions of the consumptive disease became inextricably tied to contemporary concepts of beauty, playing out in the clothing fashions of the day. With the ravages of the illness widely regarded as conferring beauty on the sufferer, it became commonplace to regard tuberculosis as

a positive affliction, one to be emulated in both beauty practices and dress. While medical writers of the time believed that the fashionable way of life of many women actually rendered them susceptible to the disease, Carolyn A. Day investigates the deliberate and widespread flouting of admonitions against these fashion practices in the pursuit of beauty. Through an exploration of contemporary social trends and medical advice revealed in medical writing, literature and personal papers, *Consumptive Chic* uncovers the intimate relationship between fashionable women's clothing, and medical understandings of the illness. Illustrated with

over 40 full color fashion plates, caricatures, medical images, and photographs of original garments, this is a compelling story of the intimate relationship between the body, beauty, and disease - and the rise of 'tubercular chic'.

### Generation Stables

#### Penguin

Can she conform to his way of life? Does she even want to? Star was raised in a post-apocalyptic, sheltered environment, cherished and educated until she turned eleven. From that day forward, all physical contact ended, and her life changed, but she had no idea why. Until the day she was given a drug to paralyze her temporarily, strapped to a cross, and taken to

him. Tru was a leader among men, created and trained after the demise of the earth to be a fighter and to someday take over the land with his bravery. He ordered her to be his mate many years ago, before she was created. He paid for her to be raised to his specifications and to be educated as he saw fit. And now the time had come for him to reap the rewards. His slave was grown and ready to come to him, to keep house for him, cook his meals, tend to his needs and most importantly, to bear his children. But Star soon finds that her life will never be the same. Tru is a strict disciplinarian and he has given her many rules to follow. Can she conform to his way of life? Does she even want to? Planning

her escape would be difficult, but she promised herself she would find a way.

Publisher's Note: This futuristic, sci-fi adventure is full of graphic scenes and power exchange. Do not read if this is offensive to you.

*Texas Forgotten Books*  
Seven dramatic stories which reveal Faulkner's compassionate understanding of the Deep South. His characters are humble people who live out their lives within the same small circle of the earth, who die unrecorded. Their epitaphs make a fitting introduction to one of the great American writers of the century.

Faulkner's Folly  
*Blushing Publications*  
The saga of the Little Miss is now complete, and all four novellas

are available in one discounted four pack. Four books, eighteen chapters in all, this Victorian age play series follows the story of first, Lacy, as she comes into the household of her new husband, Edmond, only to find out that Edmond wants BOTH a wife AND a v. Training is severe under the stern gaze of Nanny Estelle - and Lacy is one sore and unhappy little girl, as nanny wields the strap, paddle, and cane. Then, Edmond's friend Charles also wants a little girl wife of his own - and Amy, under the tutelage of Nanny Lydia is added to the nursery. Extremely hot, sexual, and severe, The Little Miss series is a classic. Written by Carolyn Faulkner as Abby Collier.

Age-Friendly Cities and Communities Blushing Books Publications

She can be anyone you want her to be. Vivian was raised with one purpose in life: to exact revenge on behalf of her mother.

Manipulative and cruel, Mother has deprived Vivian not only of a childhood, but of an original identity. With an endless arsenal of enticing personalities at her disposal, Vivian is a veritable weapon of deception. And she can destroy anyone. When it's time to strike, she enrolls in a

boarding school on the English moors, where she will zero in on her target: sweet and innocent Ben, the son of the man who broke Mother's heart twenty years ago.

Anyone...except for the woman who created her. With every secret she uncovers, Vivian comes one step closer to learning who she really is. But the more she learns about herself, the more dangerous this cat and mouse game becomes. Because Mother will stop at nothing to make sure the truth dies with her.
