A beautiful model describes her connection to the Mafia, which began during her childhood in Rochester, New York, and the years of abuse and fear as the bride of mobster Joe Lamendola before she was able to escape from the darkness. Reprint.

[Confession of a Serial Killer](#) CreateSpace  
True crime anthology that takes a closer look at some of the worst of the worst

serial killers.

[The Night Stalker](#) Penguin

A chilling roundup of bizarre and brutal unsolved murders and mysterious deaths offers valuable information on some of the most dangerous killers still at large in the United States

**Nursing Case Studies** Penguin

John Wayne Gacy was a prolific American serial killer who buried most of his victims in the crawlspace under his house in Cook County, Illinois. What started as an investigation to find one missing teenager ended up being one of the most disturbing true crime cases in

history. With 27 victims found buried mud under his house, 2 elsewhere on his property, and 4 recovered from the Des Plaines River, Gacy had quickly become the most frightening and least funny clown and serial killer that had ever lived. While he mostly dressed up as a police officer while he was cruising for victims, it was his work as a registered clown at children's parties and his charming trickery that earned him the title of "The Killer Clown". He had learned many tricks and charms to con his victims into the rope and handcuffs that would end their life, using what he called "the rope trick" to strangle them to death as he read them passages from the Bible. A sadistic sexual predator with an insatiable need to belittle, torture, and violate young boys and men- this

case is hauntingly unforgettable and disturbing in every sense. When he was caught in December 1978 following a complacent slip-up in target selection, he displayed no signs of remorse for what he had done, instead, blaming his victims for killing themselves and using his fourteen years on death row to prove his innocence. He was a businessman, politician, community leader, family man, and friend who shocked the world with the evil and depravity that nobody knew he was capable of. What exactly did the man who holds the record for having the longest sentence ever imposed on a mass murderer get up to? Let's investigate!  
Bind, Torture, Kill Pinnacle Books  
A dramatic and compelling true-crime psychological thriller This incredible

story shows how John Douglas tracked and participated in the hunt for one of the most notorious serial killers in U.S. history. For 31 years a man who called himself BTK (Bind, Torture, Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of women, taunting the police with frequent communications, and bragging about his crimes to local newspapers and TV stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was ultimately captured, BTK was shockingly revealed to be Dennis Rader, a 61-year-old married man with two children.

*Defending a Monster* Simon and Schuster

“Sam, could you do me a favor?” Thus begins a story that has now become part of America’s true crime hall of fame. It is a gory, grotesque tale befitting a Stephen King novel. It is also a David and Goliath saga—the story of a young lawyer fresh from the Public Defender’s Office whose first client in private practice turns out to be the worst serial killer in our nation’s history. Sam Amirante had just opened his first law practice when he got a phone call from his friend John Wayne Gacy, a well-known and well-liked community figure. Gacy was upset about what he called “police harassment” and asked Amirante for help. With the police following his every move in connection with the

disappearance of a local teenager, Gacy eventually gave a drunken, dramatic, early morning confession—to his new lawyer. Gacy was eventually charged with murder and Amirante suddenly became the defense attorney for one of America's most disturbing serial killers. It was his first case. This new edition of *John Wayne Gacy*, which contains updated material about the case that has come to light since the book's original publication, recounts the gruesome killings and the famous trial that shocked a nation.

[John Wayne Gacy](#) Open Road Media

"Here is a work that emphasizes the full view of the lives of those young people that Gacy took. . . . It is essentially the Gacy story in reverse. Victims first."  
—Jeff Coen, author of *Murder in*

*Canaryville* As investigators brought out the bagged remains of several dozen young men from a small Chicago ranch home and paraded them in front of a crowd of TV reporters and spectators, attention quickly turned to the owner of the house. John Gacy was an upstanding citizen, active in local politics and charities, famous for his themed parties and appearances as Pogo the Clown. But in the winter of 1978–79, he became known as one of many so-called "sex murderers" who had begun gaining notoriety in the random brutality of the 1970s. As public interest grew rapidly, victims became footnotes and statistics, lives lost not just to violence, but to history. Through the testimony of siblings, parents, friends, lovers, and other witnesses close to the case, *Boys*

Enter the House retraces the footsteps of these victims as they make their way to the doorstep of the Gacy house itself.

**15 Famous Serial Killers True Crime Stories That Shocked the World** Da Capo Lifelong Books

"We've all got the power in our hands to kill, but most people are afraid to use it. The ones who aren't afraid control life itself."--Richard Ramirez Ten years after the murder spree that left thirteen people dead and paralyzed the city of Los Angeles with fear, his name is synonymous with Satanism, torture and sadistic murder. Yet despite the sensational nature of his crimes, no one has ever been able to tell the complex story of the killer whose seductive, brooding looks still draw women like moths to a flame--a man millions call the

devil himself. Until Now. . . Painstakingly researched over three years, based on nearly one hundred hours of exclusive interviews with Richard Ramirez on California's Death Row, *The Night Stalker* is the definitive account of America's most feared serial murderer. From Ramirez's earliest brushes with the law to his deadliest stalking expeditions to the unprecedented police and civilian manhunt that resulted in one of the most sensational trails in California history, *The Night Stalker* is an eerie and spellbinding descent into the very heart of human evil. It is more than epic nonfiction at its brutally real--it is a true crime masterpiece.

Killer Clown Xlibris Corporation

The real story of the shocking Jeffrey Dahmer murders, as told by the

Milwaukee Journal reporter who broke the story--from the dramatic scene when police first entered Dahmer's apartment to the lasting repercussions of the case today. One night in July 1991, two policemen saw a man running handcuffed from the apartment of Jeffrey Dahmer. Investigating, they made a gruesome discovery: three human skulls in Dahmer's refrigerator and the body parts of at least 11 more people scattered throughout the apartment. Shortly after, Milwaukee Journal reporter Anne E. Schwartz received a tip that would change her life. Schwartz, who broke the story and had exclusive access to the principals involved, details the complete, inside story of Dahmer's dark life, the case, and its aftermath: the horrific crime scene and the shocking

story that unfolded; the forensics; the riveting trial; and Dahmer's murder in prison. With approximately 12 images. **Ed Gein--Psycho!** University Press of New England

Few serial killers in history have garnered as much attention as Jeffrey Lionel Dahmer. Although Dahmer killed seventeen young men and boys, it was not so much the number of people he killed that makes him stand out among famous serial killers, but more so the acts of depravity that he committed on the corpses of his victims. In this true crime story you will read how Dahmer transitioned from a loner to serial killer, committing numerous unnatural acts along the way such as necrophilia and cannibalism. Following in the macabre tradition of another infamous Wisconsin

serial killer-Ed Gein-Jeffrey Dahmer terrorized Milwaukee for most of the 1980s until he was finally captured in 1991. Perhaps one of the most frightening aspects of Jeffrey Dahmer's serial killer career was how easy he was able to lure his victims into his trap. Dahmer possessed above average intellect, was conventionally good looking, and usually had a calm demeanor that could disarm even the most paranoid of people. Because of these traits, Dahmer was able to evade justice numerous times, which allowed him to keep killing. Truly, Dahmer was able to fool his family, the police, his neighbors, and even the judicial system into believing that he was not a threat; but during the entire time his kill count increased and the body parts of his

victims began to pile up around his apartment. Open the pages of this book to read a story that is among the most disturbing of all true crime serial killers. You will follow the course of Dahmer's life from an alcoholic outcast in high school to a vicious predator who stalked the streets of Milwaukee. Finally, you will read about Dahmer's trial, his jail house murder, and the impact that his many crimes had on Milwaukee.

**Defending Chloe** W. W. Norton & Company

In 1974, Dennis Lynn Rader stalked and murdered a family of four in Wichita, Kansas. Since adolescence, he had read about serial killers and imagined becoming one. Soon after killing the family, he murdered a young woman and then another, until he had ten victims.

He named himself "B.T.K." (bind, torture, kill) and wrote notes that terrorized the city. He remained on the loose for thirty years. No one who knew him guessed his dark secret. He nearly got away with his crimes, but in 2004, he began to play risky games with the police. He made a mistake. When he was arrested, Rader's family, friends, and coworkers were shocked to discover that B.T.K. had been among them, going to work, raising his children, and acting normal. This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader, a church council president, had shown to the outside world. Through jailhouse visits, telephone calls, and written correspondence, Katherine Ramsland worked with Rader himself to analyze

the layers of his psyche. Using his drawings, letters, interviews, and Rader's unique codes, she presents in meticulous detail the childhood roots and development of one man's motivation to stalk, torture, and kill. She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed. In this book Katherine Ramsland presents an intelligent, original, and rare glimpse into the making of a serial killer and the potential darkness that lives next door. Macmillan

An astonishing portrait of a murderer and his complex relationship with a crusading journalist Michael Ross was a serial killer who raped and murdered eight young women between 1981 and 1984. In 2005, the state of Connecticut

put him to death by lethal injection. His crimes were horrific, and he paid the ultimate price for them. When journalist Martha Elliott first heard of Ross, she learned what the world knew of him—that he had been a master at hiding in plain sight. Elliott, a staunch critic of the death penalty, was drawn to the case when the Connecticut Supreme Court overturned Ross’s six death sentences. Rather than fight for his life, Ross requested that he be executed because he didn’t want the families of his victims to suffer through a new trial. Elliott was intrigued and sought an interview. The two began a weekly conversation—and developed an odd form of friendship—that lasted over a decade, until Ross’s last moments of life. Over the course of his twenty years in

prison, Ross had come to embrace faith for the first time in his life. He had also undergone extensive medical treatment. The Michael Ross whom Elliott knew seemed to be a different man from the monster who was capable of such heinous crimes. This Michael Ross made it his mission to share his story with Elliott in the hopes that it would save lives. He was her partner in unlocking the mystery of his own evil. In *The Man in the Monster*, Martha Elliott gives us a groundbreaking look into the life and motivation of a serial killer. Drawing on a decade of conversations and letters between Ross and the author, readers are given an in-depth view of a killer’s innermost thoughts and secrets, revealing the human face of a monster—without ignoring the horrors of

his crimes. Elliott takes us deep into a world of court hearings, tomblike prisons, lawyers hell-bent to kill or to save—and families ravaged by love and hate. This is the personal story of a journalist who came to know herself in ways she could never have imagined when she opened the notebook for that first interview. Praise for *The Man in the Monster*: “Sturdily written and well researched . . . The book will appeal to those curious about why killers kill, and those who can stomach what they learn.” —The Boston Globe “A fascinating, in-depth analysis for true-crime buffs, sociologists, and others grappling with nearly impossible-to-comprehend actions and their consequences.” —Booklist  
*A True-Life Journey into the Mind of the*

*Serial Killer* Harper Collins

Jack Tobin is a trial lawyer with a searing-hot reputation in Miami, but, when a young Florida man is railroaded into a murder conviction in the tiny Florida backwater of Bass Creek, Tobin is driven to pay back a debt to his best friend, the boy who once dubbed him “The Mayor of Lexington Avenue.” A first novel. Reprint.

**The Hunt for Serial Killer John**

**Wayne Gacy** Createspace Independent Publishing Platform

The #1 True Crime Bestseller of All Time—7 Million Copies Sold In the summer of 1969, in Los Angeles, a series of brutal, seemingly random murders captured headlines across America. A famous actress (and her unborn child), an heiress to a coffee fortune, a

supermarket owner and his wife were among the seven victims. A thin trail of circumstances eventually tied the Tate-LeBianca murders to Charles Manson, a would-be pop singer of small talent living in the desert with his "family" of devoted young women and men. What was his hold over them? And what was the motivation behind such savagery? In the public imagination, over time, the case assumed the proportions of myth. The murders marked the end of the sixties and became an immediate symbol of the dark underside of that era. Vincent Bugliosi was the prosecuting attorney in the Manson trial, and this book is his enthralling account of how he built his case from what a defense attorney dismissed as only "two fingerprints and Vince Bugliosi." The meticulous detective

work with which the story begins, the prosecutor's view of a complex murder trial, the reconstruction of the philosophy Manson inculcated in his fervent followers...these elements make for a true crime classic. Helter Skelter is not merely a spellbinding murder case and courtroom drama but also, in the words of The New Republic, a "social document of rare importance." Some images in this ebook are not displayed due to permissions issues.

#### Boys Enter the House Sterling

The terrifying true crime story of the I-5 serial killer from Ann Rule, the #1 New York Times bestselling author of The Stranger Beside Me. Randall Woodfield had it all. He was an award-winning student and star athlete. He was drafted by the Green Bay Packers to play in the

NFL, and chosen by Playgirl as a centerfold candidate. Working in the swinging West Coast bar scene, he had his pick of willing sexual prospects. But Randall Woodfield wanted more than just sex. An appetite for unspeakable violent acts led him to cruise the I-5 highway through California, Oregon, and Washington, leaving a trail of victims along the way. As the list of his victims grew to a total of at least 44, the police faced the awesome challenge of catching and convicting a suspect who seemed too handsome and appealing to have committed such ugly crimes-- crimes that filled every woman within his striking range with feat and horror....

**Party of One** Macmillan

Includes material on "the Trailside Killer in San Francisco, the Atlanta child

murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."

The John Wayne Gacy Story Macmillan  
Johnny and Me is a true story about my childhood experiences growing up in the northwest side of Chicago with John Wayne Gacy. This story details the everyday life experiences in my and Johnny's homes. Details of our families are in the book along with the understanding of each of our parents as they raised us in the 1940's and 1950's. Many of these stories included are of my personal life before Johnny came on the scene in order to let the reader understand my point of view as my life unfolded. I have tried to show you the Johnny that I remember as a childhood

friend and I hope that I have been as accurate as I can be on this subject. Various moments of joy, anger, and fear are shared between the two of us as we tried to have a normal childhood in the midst of anxiety and confusion that was brought on by our father's abuse of alcohol and demanding personalities. The story portrays how our environments molded our characters and helped us to make choices in our adult lives. Details regarding our reactions to everyday events supply hints of how Johnny and I would function in our separate social worlds as we matured. Johnny's possessive nature is described as we went playing normal childhood games and making new friends. His religious experiences are mentioned and a complete description of

his controlling personality is shared as one of Johnny's ways to cope with his surroundings. Other details of Johnny's life are revealed such as his early desire to be in the spotlight of social applause. The book concludes with my personal emotions about a friend whose life went the wrong way. His childhood, along with my own, could have been different.

### **The Pursuit, Arrest, and Confession**

John Wayne Gacy Defending a Monster Documents the account of the smalltown origins, development, and crimes of John Wayne Gacy, Jr., a Chicago-suburb businessman who brutally killed and hid the bodies of dozens of young men The Killer Clown John Wiley & Sons On December 21, 1978, John Wayne Gacy was arrested. Upon an initial search of the crawlspace beneath his

ranch house in Norwood Park Township, Illinois, the authorities discovered the remains of several bodies. Eventually, the skeletal remains of 29 young men were unearthed on Gacy's property. Another 4 bodies were pulled from the river where Gacy dumped them off the Smith Bridge in Channahon, Illinois, bringing the body count to 33 total. In 1978 Gacy held the title of America's most prolific serial killer. For the first time in print, *John Wayne Gacy: Hunting A Predator* contains the police and other legal files covering the pursuit, arrest, and confession of Gacy.
