Sometimes you have to
look at life in a whole
new way . . . From the
bestselling author of

PS, I Love You comes a
delightfully enchanting
novel about what
happens when two
people who are meant
to be together just
can't seem to get it
right. Rosie and Alex
are destined for one
another, and everyone
seems to know it but
them. Best friends
since childhood, their
relationship gets closer
by the day, until Alex

gets the news that his family is leaving Dublin and moving to Boston. At 17, Rosie and Alex have just started to see each other in a more romantic light. Devastated, the two make plans for Rosie to apply to colleges in the U.S. She gets into Boston University, Alex gets into Harvard, and everything is falling into place, when on the eve of her departure, Rosie gets news that will change their lives forever: She's pregnant by a boy she'd gone out with while on the rebound from Alex. Her dreams for college, Alex, and a glamorous career dashed, Rosie stays in Dublin to become a single mother, while Alex pursues a medical career and a new love in Boston. But destiny is a funny thing, and in

this novel, structured as a series of clever e-mails, letters, notes, and a trail of missed opportunities, Alex and Rosie find out that fate isn't done with them yet. From the gifted author of *PS, I Love You* comes this charming, romantic, addictively page-turning novel that will keep readers laughing and guessing until the very last page.

Perfect HarperCollins UK

Set in 1999 Japan, *Satellite Love* is a heartbreaking and beautifully unconventional debut novel about a girl, a boy, and a satellite--and a bittersweet meditation on loneliness, alienation, and what it means to be human. Longlisted for Canada Reads and now a finalist for the

Kobo Emerging Writers Prize for Literary Fiction. Named CBC Radio's Q Book Pick of the Month, a CBC Books Spring Reading List Title, a Shelf Life Books Book of the Month, a Toronto Life and Nikkei Voice summer read recommendation, one of Daily Hive's 10 Essential Reads to Celebrate Asian Canadian Writers, and one of Quill & Quire booksellers' Books of the Year. On the eve of the new millennium, in a city in southern Japan that progress has forgotten, sixteen-year-old Anna Obata looks to the stars for solace. An outcast at school, and left to fend for herself and care for her increasingly senile grandfather at home, Anna copes with her loneliness by searching

the night sky for answers. But everything changes the evening the Low Earth Orbit satellite (LEO for short) returns her gaze and sees her as no one else has before. After Leo is called down to Earth, he embarks on an extraordinary journey to understand his own humanity as well as the fragile mind of the young woman who called him into being. As Anna withdraws further into her own mysterious plans, he will be forced to question the limits of his devotion and the lengths he will go to protect her. Full of surprising imaginative leaps and yet grounded by a profound understanding of the human heart, *Satellite Love* is a brilliant and deeply moving

meditation on loneliness, faith, and the yearning for meaning and connection. It is an unforgettable story about the indomitable power of the imagination and the mind's ability to heal itself, no matter the cost, no matter the odds.

Sometimes it takes losing everything to truly find yourself... Since Sandy Shortt's childhood classmate disappeared twenty years ago, Sandy has been obsessed with missing things. Finding what is lost becomes her single-minded goal- from the lone sock that vanishes in the

washing machine to the car keys she misplaced. It's no surprise, then, that Sandy's life's work becomes finding people who have vanished from their loved ones. Sandy's family is baffled and concerned by her increasing preoccupation. Her parents can't understand her compulsion, and she pushes them away further by losing herself in the work of tracking down these missing people. She gives up her life in order to offer a flicker of hope to devastated families...and escape the disappointments of her own. Jack Ruttle is one of those devastated people. It's been a year since his brother Donal vanished into thin air, and he

has enlisted Sandy Shortt to find him. But before she is able to offer Jack the information he so desperately needs, Sandy goes missing too...and Jack now finds himself searching for his brother and the one woman who understood his pain. One minute Sandy is jogging through the park, the next, she can't figure out where she is. The path is obscured. Nothing is familiar. A clearing up ahead reveals a camp site, and it's there that Sandy discovers the impossible: she has inadvertently stumbled upon the place -- and people -- she's been looking for all her life, a land where all the missing people go. A world away from her loved ones and the home she ran from for

so long, Sandy soon resorts to her old habit again, searching. Though this time, she is desperately trying to find her way home . . .

Every Year: Short Stories Harper Collins
From naughty children to rebellious

teenagers, Rosie and Alex have stuck by each other through thick and thin. But just as they're discovering the joys of teenage nights on the town and dating disasters, they're separated. Alex's family moves from Dublin to America - and Alex goes with them. For good. Rosie's lost without her best friend. But on the eve of her departure to join Alex in Boston, Rosie gets news that will change her life forever - and keep her at home in Ireland. Their magical connection sees them through the ups and downs of each other's lives but neither of them knows whether their friendship can really survive the years and miles - as well as new relationships. And at the back of Rosie's mind is whether they

were meant to be more than just good friends all along.

Misunderstandings, circumstances and sheer bad luck have kept them out of each others' arms, but when presented with the ultimate opportunity, will they gamble everything - including their friendship - for true love? Destiny, Alex and Rosie discover, is a funny thing and fate isn't quite done with them yet ...

The Girl in the Mirror

Isha Foundation

Lucy Silchester keeps receiving this strange appointment card and sweeping its gold embossed envelope under the rug. Literally. She busies herself with a job she doesn't like, helping out friends, fixing her car, feeding her cat, and devoting her time to her family's

dramas. But Lucy is about to find out that this is one appointment she can't miss, when Life shows up at her door, in the form of a sloppy but determined man. Life follows her everywhere - from the office, to the bar, and to her bedroom - and Lucy learns that some of the choices she has made and the stories she has told aren't what they seem. Now her half-truths are about to be revealed, unless Lucy tells the truth about what really matters to her. The Time of My Life is another warm, thought-provoking novel from Cecelia Ahern, internationally bestselling author of P.S. I Love You.

One of Great Britain's most beloved

bestselling authors, Josephine Cox enthralls American readers with a poignant tale of broken lives redeemed. The windswept village of West Bay is hope, an escape, and a future for Kathy Wilson, who dreams of turning the empty cottage she inherited into a home free of the pain she suffered back in London. As the summer slowly passes, she puzzles silently over her fascination with an enigmatic wanderer who strolls the beach below her window. Tom Marcus needed a place to hide when the life he knew was brutally destroyed. Inexplicably drawn to this captivating loner, Kathy feels a bond forming that will radically change them both. But the shadows that haunt them will

not be dismissed—until they can find the courage to open their hearts.

Journey into a lawless land and take its toughest trials in this official Minecraft novel! All of Cecelia Alao's friends call her Cece. All one of them. But she and Therese are so close that one friend is all Cece needs. Both at school and in their shared Minecraft world, Cece and Therese are inseparable. Until the night before the first day of school, when Therese sends Cece a message, three words that change everything: We are moving. Therese's new home in the USA is 7,000 miles away from Lagos, where the two best friends grew up. Not only is Cece facing secondary school

without her best friend, but she's losing the world she built with Therese. But Cece still has hope. Maybe she can't cross the world to get to her friend, but in Minecraft she won't need to. Therese has invited her to a new server—with new friends from her new home—a place called Haven. All Cece has to do is join and they'll be reunited. It's that easy, right? When she follows the invite, she realizes just how wrong she was. Lost in a chaotic world named Anarchia, Cece learns that the server's owner, a shadowy figure called the Ocury, has sealed off the peaceful land of Haven behind a twisted initiation ceremony called the Haven Trials. Three titanic tasks. Five lives to complete

them. A host of dangerous mobs and griefing players. If Cece fails, she'll be banned from the server forever. There's no way she can do this alone. If she wants to play with Therese again, she's going to have to find new people she can rely on—both in-game and IRL. No time to lose. . . . The trials await!

Feiwel & Friends
Escape to the country this Christmas in this feel-good favourite from bestseller Veronica Henry. Homemade mulled

wine, freshly baked mince pies and plenty of Christmas cheer... It's the most wonderful time of the year, they say. And in the little Cotswolds village of Honeycote, the festive season looks set to bring people more than a few surprises under the tree. As Lucy Liddiard plans the festive lunch for her nearest and dearest, she has little idea of the dramas about to play out before the crackers are pulled and the corks popped. She knows the family brewery, Honeycote Ales, has seen better days. She knows her husband, Mickey, is an incorrigible flirt. But does she realise how close both are edging towards disaster? As the nights draw in, garlands deck the halls and the carols ring out,

there are secrets and lies, love and lust all waiting to be unwrapped. Welcome to Honeycote, and a Christmas no one will ever forget. Irresistibly good fun and bursting with heart, A Country Christmas is the first book in the Honeycote trio. Each can be read as a standalone, or they can be read as a series. *** ** This book

to Flawed, Celestine

must make a choice:

save just herself or risk

her own life to save all

Flawed people.

Celestine North lives in a society that demands perfection. After she was branded Flawed by a morality court,

Celestine's life has completely fractured--all her freedoms gone. Since Judge Crevan has declared her the number one threat to the public, she has been a ghost, on the run with Carrick--the only person she can trust. But Celestine has a secret--one that could bring the entire Flawed system crumbling to the ground. A secret that has already caused countless people to go missing. Judge Crevan is gaining the upper hand, and time is running out for Celestine. With tensions building, can she prove that to be human in itself is to be Flawed?

Ramayana for

Children Gemma

Celestine North lives a perfect life. She's a model daughter and

sister, she's well-liked by her classmates and teachers, and she's dating the impossibly charming Art Crevan. But then Celestine encounters a situation in which she makes an instinctive decision. She breaks a rule and now faces life-changing repercussions. She could be imprisoned. She could be branded. She could be found FLAWED. In her breathtaking young adult debut, bestselling author Cecelia Ahern depicts a society in which obedience is paramount and rebellion is punished. And where one young woman decides to take a stand that could cost her everything.

The Past, Present, and Future of a Misunderstood Mark
 HarperCollins UK
 The honest and

compelling story of a young girl's newfound independence, from her entrance into a new country to her frightening involvement in the Triangle Shirtwaist Factory Fire of 1911. My heart filled with fear and hope at the same time. I had the feeling that I was brought to America for a purpose. Something important would happen to me here. I remembered the words of the poem, "Give me your tired, your poor, your huddled masses . . ." "Here we are, America," I whispered. "We're just exactly what you ordered." When she arrives on Ellis Island as a seventeen-year-old Irish immigrant, Rose Nolan is looking for a land of opportunities; what she finds is far

from all she'd dreamed. Stubborn and tenacious, she refuses to give up. Left alone to fend for herself and her younger sister, Rose is thrust into a hard-knock life of tenements and factory work. When the devastating Triangle Shirtwaist Factory Fire of 1911 rushes into Rose's life, her confusions are brought to an all-too-painful head. To whom and to what can she turn when everything around her is in ashes? *Where Rainbows End* Harper

From the bestselling author of *P.S. I Love You* and *Love, Rosie*, Cecelia Ahern, comes an enchanting novel that leads you to wonder if *Not Seeing* is believing! Readers and critics alike adore Cecelia Ahern for her

lighthearted yet insightful stories about modern women and their often unusual situations. In *If You Could See Me Now*, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother's footsteps, leaving her own six-year-old son, Luke, in Elizabeth's care. When Ivan,

Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? If You Could See Me Now is a love story with heart-- and just a touch of magic.

Great Maria Harper Collins
 "Delightful." —Mary Norris, *The New Yorker*
 A page-turning, existential romp through the life and times of the world's most polarizing punctuation mark The semicolon. Stephen King, Hemingway, Vonnegut, and Orwell detest it. Herman Melville, Henry James,

and Rebecca Solnit love it. But why? When is it effective? Have we been misusing it? Should we even care? In *Semicolon*, Cecelia Watson charts the rise and fall of this infamous punctuation mark, which for years was the trendiest one in the world of letters. But in the nineteenth century, as grammar books became all the rage, the rules of how we use language became both stricter and more confusing, with the semicolon a prime victim. Taking us on a breezy journey through a range of examples—from Milton's manuscripts to Martin Luther King Jr.'s "Letters from Birmingham Jail" to Raymond Chandler's *The Big Sleep*—Watson reveals how traditional grammar rules make

us less successful at communicating with each other than we'd think. Even the most die-hard grammar fanatics would be better served by tossing the rule books and learning a better way to engage with language. Through her

rollicking biography of the semicolon, Watson writes a guide to grammar that explains why we don't need guides at all, and refocuses our attention on the deepest, most primary value of language: true communication.
