thrilling survival story, a Cold War-era dystopian adventure, and a truly singular feminist classic. *The Greatest Crime Tales of Frederic Arnold Kummer Allen & Unwin* A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional

and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes. *Rowena Through the Wall (Book 1 Land's End Trilogy)* Simon and Schuster "The Film of Fear" - A detective novel centers around the early years of the film industry, features the young and beautiful film star, Ruth Morton. After receiving

messages and threats of death and violence, the great detective Richard Duvall is hired to investigate the case. "The Ivory Snuff Box" - a small box of ivory for holding snuff, with no real value, has been stolen from the French ambassador. Detective Duvall is ordered to travel back to London emergently, and recover the snuff box at all costs. "The Blue Lights" - an American

millionaire's son has been kidnapped in Paris. They want desperately to include detective Duvall in the investigation. "The Green God" "The Brute" "The Web" "The First Days of Man" Frederic Arnold Kummer (1873-1943) was an American author, playwright and screen writer. He wrote in various genres including spy and international mysteries, detective

novels, romances and non-fiction. Under the pseudonym Arnold Fredericks he wrote a series of mysteries featuring the detective Richard Duvall. **Black Sheep: Unique Tales of Terror No. 2 | August 2023** Penguin This spectacular book follows one boy's struggle to reunite his family from the two sides of the Berlin Wall. Although based around true stories,

the wall is symbolic of separations around the world, whether it be between whole communities or two individuals. Powerful illustrations teamed with an emotive storyline makes this an impressive debut picture book. The Tale of Despereaux Simon and Schuster In 1989, the Berlin Wall fell; shortly afterwards the two Germanies reunited, and East Germany

ceased to exist. In Stasiland, winner of the 2004 Samuel Johnson Prize, Anna Funder tells extraordinary tales from the underbelly of the former East Germany, a country where the headquarters of the secret police can become a museum literally overnight, and one in fifty East Germans were informing on their countrymen and women. She meets Miriam, who as a sixteen-

year-old might have started the Third World War, visits the man who painted the line which became the Berlin Wall and gets drunk with the legendary 'Mik Jegger' of the East, who the authorities once declared - to his face - to 'no longer exist'.

Berlin before the fall of the Wall is a city

divided, yet its ordinary residents find ways to live and survive on both sides. There is Robert, teller of bar room anecdotes over beer and vodka, adjusting to a new life in the west; Pommerer, trying to outwit the system in the east; the unnamed narrator, who 'escapes' back-and-forth to collect stories; his beguiling, exiled lover Lena; the three boys who defect to watch

Hollywood films; and the man who leaps across the Wall again and again - simply because he cannot help himself. All are, in their different ways, wall jumpers, trying to lose themselves but still trapped wherever they go. Ultimately, the walls inside their heads prove to be more powerful than any man-made barrier . . .

Through the Wall
HarperCollins
An Amazon

Top 50 Bestseller (all books), this series was conceived as a humorous take on time-travel bodice rippers. The author is a comedy writer. "Bawdy, Lusty and Fun" "Outlander meets Sex and the City" "Is that a broadsword on your belt, or are you just glad to see me?" When Rowena falls through her classroom wall and lands in an alternate world, she doesn't count on being kidnapped

—not once, but twice, dammit— and the stakes get higher as the men get hotter. Unwanted husbands keep piling up, but that doesn't stop her from falling for the wrong brother. Not only that, she has eighteen year old Kendra to look out for and a war to prevent. Good thing she has the ability to go back through the wall. Or can she? *Adventures Across the Realm: Tales*

for Brave Young Explorers Harper Collins The Pulitzer Prize-winning view of the continent, across the fortieth parallel and down through 4.6 billion years Twenty years ago, when John McPhee began his journeys back and forth across the United States, he planned to describe a cross section of North America at about the fortieth parallel and, in the process, come to an understanding

not only of the science but of the style of the geologists he traveled with. The structure of the book never changed, but its breadth caused him to complete it in stages, under the overall title *Annals of the Former World*. Like the terrain it covers, *Annals of the Former World* tells a multilayered tale, and the reader may choose one of many paths through it. As clearly and succinctly written as it is profoundly

informed, this is our finest popular survey of geology and a masterpiece of modern nonfiction. *Annals of the Former World* is the winner of the 1999 Pulitzer Prize for Nonfiction. *Sabriel* A&C Black A spellbinding short story collection from bestselling fantasy author Garth Nix. *Across the Wall* brings together thirteen wide-ranging and gripping stories, each showcasing Garth's talent

as a versatile writer and introduced by Garth himself. Whether your jaw drops as you read about Nicholas Sayre taking on a powerful blood-thirsty beast in the story set in the Old Kingdom, Nicholas Sayre and the Creature in the Case, or you howl with laughter as you follow the instructions of the Choose Your Own Adventure parody, *Down to the Scum Quarter*, it is clear that Garth Nix has a story for

every reader. The collection also features a fascinating bonus section of frequently asked questions for which Garth provides vital answers to his readers' burning queries. *The Wall Jumper* Random House Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and sarcastic

owls, of dangerous mermaids and captivating queens in *Over the Woodward Wall*, an exceptional tale for readers who are young at heart. If you trust her you'll never make it home... A 2021 Locus Award Finalist! Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework - without

complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned

detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under - an impossible land filled with mystery, adventure and the strangest creatures. And they must find themselves and each other if they are to also find their way out and back to their own lives. At the Publisher's request, this title is being sold without Digital Rights Management

Software (DRM) applied. **The Wall** Pan Macmillan The excellent Monsieur Dutilleul has always been able to pass through walls, but has never seen the point of using his gift, given the general availability of doors. One day, however, his tyrannical boss drives him to desperate, creative measures — he develops a taste for intramural travel and becomes something of a super-villain. How will the

unassuming clerk adjust to a glamorous life of crime? Aymé's genius lies in imagining the practical unfolding of bizarre and difficult situations. In each story, anarchic comedy is arrested by moments of pathos, only to descend into anarchy and hilarity once more ... *Over the Woodward Wall* Penguin UK Tales of Xillia follows Jude Mathis, a clever medical student attending

school in the capital city, and Milla Maxwell, a mysterious woman accompanied by four unseen beings. You will be able to choose either Jude or Milla at the outset of their adventure through the world of Rieze Maxia, where humans and spirits live together in harmony. The kingdom of Rashugal has been experimenting with a powerful source that led to draining the mana

from the world. Realizing the harm it is inflicting on the world, Jude and Milla set off on a journey to destroy it and restore the mana back to the world.
