Although he is best known for his novels—several of which have been made into popular movies—E.M. Forster also published stories. This volume, which collects those stories published during Forster's lifetime, provides an opportunity for readers to discover these less familiar works. Rich in irony and alive with sharp observations on the surprises life holds, the stories often feature violent events, discomfiting coincidences, and other disruptive happenings that throw the characters' perceptions and beliefs off balance. In their keen Introduction, David Leavitt and Mark Mitchell discuss Forster's place in both the short-story tradition and in the tradition of gay literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Unseen Identity Maurice Written during 1913 and 1914, Maurice deals with the then unmentionable subject of homosexuality.

More unusual, it concerns a relationship that ends happily. Maurice E.M. Forster's Maurice and A.T. Fitzroy's *Despised and Rejected* provide two examples of how the upper-class position worked to mask the recognition of male homosexuality by society in early twentieth-century England. Written in 1913, but not published until after Forster's death in 1971, Maurice has become a canonical text in the gay literary tradition. Through depictions of male intra-class and cross-class relationships, this novel suggests that class position worked to maintain a public heteronormative identity where stepping outside of strict class boundaries could disrupt the very thing which enabled one to keep one's power. *The Ones Who Don't Say They Love You* Simon and Schuster Maurice

The Loom of Youth Oxford University Press

With keen insight into teenage life, Ellen Wittlinger delivers a story of adolescence that is fierce and funny -- and ultimately transforming -- even as it explores the pain of growing up. Since his parents' divorce, John's mother hasn't touched him, her new fiancé wants them to move away, and his father would rather be anywhere than at Friday night dinner with his son. It's no wonder John writes articles like "Interview with the Stepfather" and "Memoirs from Hell." The only release he finds is in homemade zines like the amazing *Escape Velocity* by Marisol, a self-proclaimed "Puerto Rican Cuban Yankee Lesbian." Hanging around the Boston Tower Records for the new issue of *Escape Velocity*, John meets Marisol and a hard love is born. While at first their friendship is based on zines, dysfunctional families, and dreams of escape, soon both John and Marisol begin to shed their protective shells. Unfortunately, John mistakes this growing intimacy for love, and a disastrous date to his junior prom leaves that friendship in ruins. Desperately hoping to fix things, John convinces Marisol to come with him to a zine conference on Cape Cod. On the sandy beaches by the Bluefish Wharf Inn, John realizes just how hard love can be.

At Swim, Two Boys Simon and Schuster

This is the first book-length study of Forster's posthumously-published novel. Nine essays focus exclusively on Maurice and its dynamic afterlives in literature, film and new media during the twentieth and twenty-first centuries. Begun in 1913 and revised

over almost fifty years, Maurice became a defining text in Forster's work and a canonical example of queer fiction. Yet the critical tendency to read Maurice primarily as a 'revelation' of Forster's homosexuality has obscured important biographical, political and aesthetic contexts for this novel. This collection places Maurice among early twentieth-century debates about politics, philosophy, religion, gender, Aestheticism and allegory. Essays explore how the novel interacts with literary predecessors and contemporaries including John Bunyan, Oscar Wilde, Havelock Ellis and Edward Carpenter, and how it was shaped by personal relationships such as Forster's friendship with Florence Barger. They close-read the textual variants of Forster's manuscripts and examine the novel's genesis and revisions. They consider the volatility of its reception, analysing how it galvanizes subsequent generations of writers and artists including Christopher Isherwood, Alan Hollinghurst, Damon Galgut, James Ivory and twenty-first-century online fanfiction writers. What emerges from the volume is the complexity of the novel, as a text and as a cultural phenomenon.

From the literary icon, author of *Howard's End* and *A Passage to India*, comes a posthumous collection of short works, many never before published. Featuring fourteen short stories, *The Life to Come* spans six decades of E. M. Forster's literary career, tracking every phase of his development. Never having sought publication for most of the stories—only two were published in his lifetime—Forster worried his career would suffer because of their overtly homosexual themes. Instead they were shown to an appreciative circle of friends and fellow writers, including Christopher Isherwood, Siegfried Sassoon, Lytton Strachey, and T. E. Lawrence. With stories that are lively and amusing ("What Does It Matter?"; "The Obelisk"), and others that are more somber and thought-provoking ("Dr Woolacott"; "Arthur Snatchfold"), *The Life to Come* sheds a light on Forster's powerful but suppressed explorations beyond the strictures of conventional society. "Have we been as ready for Forster's honesty as we thought we were? His greatness surely had root in his capacity to treat all human relationships seriously and truthfully. . . . Even the

earliest and most ephemeral of them will be recognized as the frailer embodiments of the same passionate convictions that made for the moral iron of his novels." —Eudora Welty, *The New York Times Book Review*

Forster's novels have always given great pleasure to the general reader but they do present particular problems for those who wish to study them in a more systematic way. The elusiveness of Forster's irony, the complexity of his symbolism and the formal ambiguities in structure that are such a marked feature in all his novels, make any analysis surprisingly challenging. In this book, Nigel Messenger shows you how to set about this task.

The Scottish Boy AuthorHouse

A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR—AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long-suppressed novel *Maurice* in 1970, E. M. Forster came out as a homosexual— though that revelation made barely a ripple in his literary reputation. As Wendy Moffat persuasively argues in *A Great Unrecorded History*, Forster's homosexuality was the central fact of his life. Between Wilde's imprisonment and the Stonewall riots, Forster led a long, strange, and imaginative life as a gay man. He preserved a vast archive of his private life—a history of gay experience he believed would find its audience in a happier time. *A Great Unrecorded*

History is a biography of the heart. Moffat's decade of detective work—including first-time interviews with Forster's friends—has resulted in the first book to integrate Forster's public and private lives. Seeing his life through the lens of his sexuality offers us a radically new view—revealing his astuteness as a social critic, his political bravery, and his prophetic vision of gay intimacy. *A Great Unrecorded History* invites us to see Forster— and modern gay history—from a completely new angle.

"From the prize-winning author of *The Beekeeper of Aleppo*, a stunning novel about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. "It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I'd returned to collect the songbirds. They are worth more than their weight in gold." Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid-- having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn't return. The police write off her disappearance as just another runaway domestic worker, so her employer, Petra, undertakes the investigation. Petra's unravelling of Nisha's last days in Cyprus lead her to Nisha's friends--other maids in the neighborhood--and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices"--

Maurice Hall is a young man who grows up confident in his privileged status and well aware of his role in society. Modest and generally conformist, he nevertheless finds himself increasingly attracted to his own sex. Through Clive, whom he encounters at Cambridge, and through Alec, the gamekeeper on Clive's country estate, Maurice gradually experiences a profound emotional and sexual awakening. A tale of passion, bravery and defiance, this intensely personal novel was completed in 1914 but remained unpublished until after Forster's death in 1970. Compellingly honest and beautifully written, it offers a powerful condemnation of the repressive attitudes of British society, and is at once a moving love story and an intimate tale of one man's erotic and political self-discovery.

[Alec](#) Penguin

William di Canzio's *Alec*, inspired by Maurice, E. M. Forster's secret novel of a happy same-sex love affair, tells the story of Alec Scudder, the gamekeeper Maurice Hall falls in love with in Forster's classic, published only after the author's death. Di Canzio follows their story past the end of Maurice to the front lines of battle in World War I and beyond. Forster, who tried to write an epilogue about the future of his characters, was stymied by the radical change that the Great War brought to their world. With the hindsight of a century, di Canzio imagines a future for them and a past for Alec—a young villager possessed of remarkable passion and self-knowledge. Alec continues Forster's project of telling stories that are part of "a great unrecorded

history.” Di Canzio’s debut novel is a love story of epic proportions, at once classic and boldly new.

way and threatens to break your heart in a way that you did not anticipate.”—Robert Jones, Jr., author of *The Prophets*, in *The Wall Street Journal* Maurice Carlos Ruffin has an uncanny ability to reveal the hidden corners of a place we thought we knew. These perspectival, character-driven stories center on the margins and are deeply rooted in New Orleanian culture. In “Beg Borrow Steal,” a boy relishes time spent helping his father find work after coming home from prison; in “Ghetto University,” a couple struggling financially turns to crime after hitting rock bottom; in “Before I Let Go,” a woman who’s been in NOLA for generations fights to keep her home; in “Fast Hands, Fast Feet,” an army vet

and a runaway teen find companionship while sleeping under a bridge; in “Mercury Forges,” a flash fiction piece among several in the collection, a group of men hurriedly make their way to an elderly gentleman’s home, trying to reach him before the water from Hurricane Katrina does; and in the title story, a young man works the street corners of the French Quarter, trying to achieve a freedom not meant for him. These stories are intimate invitations to hear, witness, and imagine lives at once regional but largely universal, and undeniably New Orleanian, written by a lifelong resident of New Orleans and one of our finest new writers.
