A & P Technician General Textbook

The most current aviation maintenance technician general textbook available. Written to the new FAR part 147 standards.

Expanded to include a complete section on electrical generators and motors, new hardware, and nonmetallic components. Many new tables, charts, and illustrations, including: abrasives, corrosion removal and treatment, corrosion points, helicopter weight and balance, and others. The 2004 revision includes additional metric hardware nomenclature and electronic tools, including internet research applications.
