As woman and men of God, one of our  
most important missions on earth is  
fighting against spiritual warfare, so we  
can guard ourselves from any demonic  
attacks that are unleashed from the pits  
of hell. But what happens when we have  
no idea what we're specifically fighting  
against? Join Parys Simms as she opens  
a door of knowledge for you, exposing a  
heavy spiritual warfare attack the devil  
has used on many in the dark, resulting  
in them sitting stagnant in bondage, and  
for some, erasing their own existence.  
For almost 10 years of being held  
hostage by the devil, Parys Simms goes  
back in time sharing her traumatic story,  
revealing the devil's strategic attack  
against her life and purpose. With the  
desire to help others escape from being  
demonically rejected repeatedly, she  
maps out a self-deliverance guide filled  
with deliverance prayers, Bible  
scriptures, and personal insight  
discovered through her 2 and a half  
years of healing and deliverance in the  
presence of God. A divine self-  
deliverance guide designed to help those  
battling with the spirit, wanting to  
discover through the powerful pages if

they're battling with it, but also those  
wanting to discover if somebody else  
around them is struggling with it. You  
are taught how to break the chains of  
bondage, take back everything the devil  
stole from you, and live a lifetime of  
freedom. Beginning your self-deliverance  
journey might just be what stops you  
from committing suicide, living the rest  
of your life on earth demonically rejected  
and chained, and passing the spirit of  
rejection onto your children, resulting in  
it turning into a generational curse. It's  
time for you to stand up against the  
devil and outsmart him, so you can live  
in perfect and complete freedom and  
victory. Exactly how God intended you to  
before he placed you here on this earth.  
So, what are you waiting for? let's go!

Do you struggle with anger, fear,  
anxiety, depression, addictions, or other  
out-of-control behaviors? Do you fear  
failure or the rejection of others? Do you  
live feeling that God is not pleased with  
you or that those around do not love  
you? Are you frustrated because nothing  
you've tried seems to help? It may be  
that you have been going after the fruit  
without getting to the root of the issue.  
Rejection Exposed demonstrates that  
rejection is at the root of most struggles  
in your life. Rejection is a spiritual force  
from the enemy of your soul that seeks  
to bring separation and make you  
believe you are less than perfectly  
accepted and loved by God and those  
you love. From personal experience and  
years of ministry, Anthony Hulsebus has  
discovered there is way to defeat this  
cycle in your life. You will learn how  
rejection works in your life and how you

can live free from the fear of rejection, fear of failure, and fear of being alone. You will learn, for perhaps the very first time, how to truly be a son or a daughter of God and not just a servant. Rejection is a powerful spiritual force, but there is a greater spiritual force: the love of your heavenly father. Also see the Rejection Exposed Workbook, which takes an action-oriented approach, helping you to put into practice what you learn in Rejection Exposed.

Imagine....Kings and Queens rolling in pig pens and slumming with the enemy! That's what Eve did....that's what we did, and that's what the body of Christ does when we believe the enemy's lies and REJECT the Father's Love for us. Have you ever felt like you don't fit in? Is it difficult to receive compliments? Do you find yourself hiding within your "works"? Do you crave the approval of others? Known as a "Silent Killer", the sting of rejection is the underlying problem to so many areas of our lives. It attacks our identity, our mentality; manifesting into unloving and selfish actions that ruin us and our relationships with others. In this book, Dr. Elizabeth Fondong deeply shares her own story of rejection, and takes us through tangible deliverance, healing, freedom and REVELATORY INSIGHT from the Holy Spirit. Have you ever felt stuck in the ordinary? Well, there's good news! You were made for so much more! It's time to set that extraordinary person free! You will be exhorted, challenged, ministered to, loved on, and discover your own healing is waiting for you on the other side of rejection into the Father's arms of wholeness and love! Break free from the shame, the torment and the fear of rejection! Receive the wholeness of the

soul and your restoration back to royalty! You will return back into the Heavenly Father's arms of perfect love!

Rejection. It's a horrible feeling that you don't quite match up, that you're forever falling short, that you'll never live up to others' expectations. We've all faced it, whether it's being last-pick for the softball team at school, being overlooked for a promotion at work, or being excluded from a group of friends. Sometimes the rejection runs even deeper. Feelings of loneliness and inadequacy are hard to handle. The good news is there's a remedy. It's in Jesus Christ, who faced the ultimate rejection and therefore knows how it feels. In bearing our sins, He was rejected by the Father and by us, His own creation, as well. He knows how it hurts. Because He faced that pain, we no longer need to. He's planned another life for us, a life of acceptance in His family and freedom from rejection. Let go of the shame and enjoy the Father's embrace today.

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

*Overcoming The Spirit of Rejection*

Thomas Nelson

Janet Warren Lane has been a Christian for 54 years, a school teacher for 15 years, a minister’s wife for 33 years, a mother of four grown and married children who are all involved in ministry

and/or missions, and a grandmother of 8 and counting! For most of that time she was unaware of Satan’s most formidable weapon used against Christians - Fiery Darts. Since becoming aware of this weapon, Satan’s motives for using it, and how to wield the power of God’s Word against it, Janet’s release from years of captivity has been wondrously secured. Most people agree that negative thinking can have a debilitating effect on a person’s life. But just knowing this does little to help combat such thinking. By comparing negative thinking to the weapon of fiery darts, Janet exposes the weapon and the tactics used by Satan to manipulate. After the weapon and its tactics are exposed, detailed instructions are given as to how to counter-attack and live life free from the bondage negative thinking can impose.

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: *Simple Solutions for Studying God's Word* *How to Handle Marriage, Parenting, and Homemaking in a Digital Age* *10 Steps to Completing Your Husband* *Dealing With Disappointed Expectations in Motherhood* *Creating Routines that Bring Rest* *Pursuing the Discipline and Diligence of the Proverbs* *31 Woman* There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities. *Rejection* Independently Published  
It seems that almost everybody is affected by rejection to some degree.

The spirit of rejection has a way of destroying you and your purpose; because it attacks the very person that we are. This demonic spirit destroys our self-esteem, worth, purpose, finances, and attacks who we are in Christ. Jesus paid the price for our freedom; He died to set us free and for us to live and abundant life. Keep in mind, many believers know the truth but they are not experiencing freedom in every area of their lives. When you are set free from the spirit of rejection, which is bondage: You will no longer feel worthless, abandon or unloved. You will no longer operate in lack and limitations. You will no longer have the wrong perception of God, family, and people. It's time to let go of bitterness, resentment, unforgiveness, and anger and receive God's love and the fullness of His promises. Walk out of pain into purpose and receive the promises that God has for you. You are the unique expression of God-Yahweh and your life is a message.

Addiction is multi-faceted and each facet must be addressed. Breaking the Octopus Grip of Addiction came through revelation of an octopus. The head represents the spirit of bondage, the tentacles represent: rejection, iniquity, rebellion, python, fragmentation, trauma and imprinting. This book equips addicts and their mentors to address a plethora of issues leading to the truth that will set them free. Addictions have become one of the top problems in today's North America. Almost every family has at

least one addicted member. How do we as believers assist true seekers in finding freedom? Dr. Douglas and Pamela Carr not only layout the problem but describe in detail the steps to freedom. They noted the characteristics of the octopus and used it to frame the addiction challenges, outlining each issue and the route to freedom. I know both Doug and Pam well. I have watched them blossom over the years we have been in relationship. They started with healing and delivering themselves of their own issues and broke through into helping others. Now they are flourishing. I highly recommend both them and this book.

*Summary of John Eckhardt's Destroying the Spirit of Rejection* Thomas Nelson

Fear is a form of torment the enemy tries to plague people with in order to paralyze them, to steal their purpose and destiny from God's best. None of us is immune to these attacks. Jesus came to destroy fear and set the captives free. Speaking as one whom Jesus Christ set free from the devil's grip, John Ramirez, once a satanic high priest, exposes the tormenting weapons of fear of our number one spiritual enemy, the devil, and equips and arms believers with the weapons of our warfare that God has given us through his Son, Jesus Christ, to abort the enemy's mission. In this book, *Destroying Fear*, you will learn how to get back your peace and purpose and walk fearless into your destiny by dismantling every stronghold and stopping the enemy's attacks once and for all, for a life of freedom!
