Who cut off Medusa's head? Who was raised by a she-bear? Who tamed Pegasus? It takes a demigod to know, and Percy Jackson can fill you in on the all the daring deeds of Perseus, Atalanta, Bellerophon, and the rest of the major Greek heroes. Told in the funny, irreverent style readers have come to expect from Percy, (I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. They boldly screwed up where no one had screwed up before. . .) and enhanced with vibrant artwork by Caldecott Honoree John Rocco, this story collection will become the new must-have classic for Rick Riordan's legions of devoted fans--and for anyone who needs a hero. So get your flaming spear. Put on your lion skin cape. Polish your shield and make sure you've got arrows in your quiver. We're going back about four thousand years to decapitate monsters, save some kingdoms, shoot a few gods in the butt, raid the Underworld, and steal loot from evil people. Then, for dessert, we'll die painful tragic deaths. Ready? Sweet. Let's do this.

"One thing is certain," a reviewer in True West Magazine recently said, "as long as there are writers as skillful as Elmer Kelton, Western literature will never die." Few would disagree with the assessment of the man whose peers voted the "Best Western writer of all time" and whose 50 novels form a testament and tribute to the American West. But who is that Texas gentleman with the white Stetson and rimless eyeglasses whose friendly face appears on so many book jackets? Sandhills Boy is Kelton's memoir, a funny and poignant story of "a freckle-faced country boy, green as a gourd, a sheep ready to be sheared," growing up in the wild, dry, sandhills of West Texas. The son of a working cowboy and ranch foreman, Elmer was expected to follow in his father's footsteps but learned at an early age that he had no talents in the cowboy's trade. Buck Kelton called Elmer "Pop," said he was "slow as the seven-year itch," and reluctantly supported his son's decision to become a student at the University of Texas, and, eventually, a journalist and writer. Kelton's life in ranch and oil patch Texas during the Great Depression is told with warm nostalgic humor animated with stories of the cowboys and their wives and kids who gave the time and place its special flavor. He writes with great feeling of his service in WW2 in France, Germany, and Czechoslovakia, and the romantic circumstances in which his life changed in the village of Ebensee, Austria. The X-Files meets The X-Men in this digital original companion series that's set in the world of Pittacus Lore's #1 New York Times bestselling *I Am Number Four* series and its spin-off series, the *Lorien Legacies Reborn*. This is the fourth 100-page novella, continuing the electrifying story of fan favorite characters Six and Sam. The couple may have decided to leave Peter McKenna's covert organization, but they still have unfinished business. Six and Sam feel responsible for Ghost, one of the young Human Garde they'd met back in New Orleans. They're not sure why the girl turned against them in Mexico, but they are determined to track her down and get some answers. But are they chasing after a friend or a foe? And will they need to rescue her or defeat her? When the group finally makes contact, it seems like they might be able to convince Ghost to come back to the Academy. That is until their plans go up in flames, forcing Six and Sam to jump into action. Without any backup from McKenna or the HGA. Without their Legacies fully returned. And without a clue as to who their real enemy is. The Legacy Chronicles novellas are published as individual digital originals. The fourth, fifth, and sixth novellas will also be available together in one print volume: *The Legacy*

Chronicles: Out of the Shadows.

Stonewall Book Award Honor Book winner Ivan Coyote is a celebrated storyteller and the author of ten previous books, including *Gender Failure* (with Rae Spoon) and *One in Every Crowd*, a collection for LGBT youth. *Tomboy Survival Guide* is a funny and moving memoir told in stories, in which Ivan recounts the pleasures and difficulties of growing up a tomboy in Canada's Yukon, and how they learned to embrace their tomboy past while carving out a space for those of us who don't fit neatly into boxes or identities or labels. Ivan writes movingly about many firsts: the first time they were mistaken for a boy; the first time they purposely discarded their bikini top so they could join the boys at the local swimming pool; and the first time they were chastised for using the women's washroom. Ivan also explores their years as a young butch, dealing with new infatuations and old baggage, and life as a gender-box-defying adult, in which they offer advice to young people while seeking guidance from others. (And for tomboys in training, there are even directions on building your very own unicorn trap.) *Tomboy Survival Guide* warmly recounts Ivan's adventures and mishaps as a diffident yet free-spirited tomboy, and maps their journey through treacherous gender landscapes and a maze of labels that don't quite stick, to a place of self-acceptance and an authentic and personal strength. These heartfelt, funny, and moving stories are about the culture of difference—a "guide" to being true to one's self.

Greetings, initiate! Carter Kane, here. Congratulations on reaching Brooklyn House in one piece. You are quite clearly descended from Egyptian royalty, with magical powers gifted from the gods. But what good is power without knowing how to use it? That's where this training manual comes in. It's packed with quizzes, stories and inside info on the Ancient Egyptian deities. For those with the blood of the pharaohs, this is your first step down the path of the gods. But beware, anything can happen in the world of Egyptian magic . . . Forming a trio with HOTEL VALHALLA and CAMP HALF-BLOOD CONFIDENTIAL, this companion guide gives readers the inside scoop on Brooklyn House - the safe haven in New York for magicians like Carter and Sadie Kane.

The Complete Kane Chronicles Penguin UK

From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series Everything in Texas is bigger . . . even murder. Meet Tres Navarre—tequila drinker, Tai Chi master, and unlicensed P.I., with a penchant for Texas-size trouble. Jackson “Tres” Navarre and his enchilada-eating cat, Robert Johnson, pull into San Antonio and find nothing waiting but trouble. Ten years ago Navarre left town and the memory of his father’s murder behind him. Now he’s back, looking for answers. Yet the more Tres digs, trying to put his suspicions to rest, the fresher the decade-old crime looks: Mafia connections, construction site payoffs, and slick politicians’ games all conspire to ruin his homecoming. It’s obvious Tres has stirred up a hornet’s nest of trouble. He gets attacked, shot at, run over by a big blue Thunderbird—and his old girlfriend, the one he wants back, is missing. Tres has to rescue the woman, nail his father’s murderer, and get the hell out of Dodge before mob-style Texas justice catches up to him. The chances of staying alive looked better for the defenders of the Alamo. “Riordan writes so well about the people and topography of his Texas hometown that he quickly marks the territory as his own.”—Chicago Tribune Don’t miss any of these hotter-than-Texas-chili Tres Navarre novels: BIG RED TEQUILA • THE WIDOWER’S TWO-STEP • THE LAST KING OF TEXAS • THE DEVIL WENT DOWN TO AUSTIN • SOUTHTOWN • MISSION ROAD • REBEL ISLAND

In this adventure, Annabeth encounters more oddities in the subway than usual, including a two-headed monster and a younger blond girl who reminds her a little of herself. This is the story fans have asked for, in which Annabeth Chase teams up with Sadie Kane. The demigod daughter of Athena and the young magician from Brooklyn House take on a larger-than-life foe from the ancient world. Perhaps even more disturbing than the power-hungry god they encounter is the revelation that he is being controlled by someone—someone all too familiar to Sadie. As a special bonus, the first chapter of THE BLOOD OF OLYMPUS, the final book in the Heroes of Olympus series, is included.

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.
