## SELINA REAGAN

*Spring Flowers. Spring Frost* Logos-A  
 In this fast-paced, high-stakes debut novel, sixteen-year-old Sam McKenna discovers that becoming one of the first girls to attend a revered military academy means living with a target on her back. As Sam struggles to prove herself, she learns that a decades-old secret society is alive and active . . . and determined to force her out. Fans of Simone Elkeles and Trish Doller will love Rites of Passage’s perfect blend of sizzling romance and edge-of-your-seat suspense.

 The Bektashi dervish order is a Sufi Alevite sect found in Anatolia and the Balkans with a strong presence in Albania. In this, his final book, Robert Elsie analyses the Albanian Bektashi and considers their role in the country's history and society. Although much has been written on the Bektashi in Turkey, little has appeared on the Albanian branch of the sect. Robert Elsie considers the history and culture of the Bektashi, analyses writings on the order by early travellers to the region such as Margaret Hasluck and Sir Arthur Evans and provides a comprehensive list of tekkes (convents) and tyrbes (shrines) in Albania and neighbouring countries. Finally he presents a catalogue of notable Albanian Bektashi figures in history and legend. This book provides a complete reference guide to the Bektashi in Albania which will be essential reading for scholars of the Balkans, Islamic sects and Albanian history and culture.

 LIBRASHQIP me anë te gamës Klasikët Shqiptarë, sjell kryeveprat e letërsisë së Rilindjes dhe Pavarësisë. Vëllimi i shtatë do të sjell "Poemat" e Naim Frashërit. Nga "Bagëti e bujqësi", te "Parajsa" ky libër do të përmbledh të gjitha poezitë e Naimit.  
**Encyclopaedia Iranica** Logos-A  
 "The Bektashi Way is profoundly simple yet perplexingly complex, striking in its boldness yet gracious in its subtlety; consequently,

while shining forth brightly it still is seemingly cloaked in obscurity. There have been attempts to gather its history, characteristic ideas, and observable aspects together and to elucidate its inner wisdom in prose, but few of these attempts have been made by knowledgeable insiders, and even fewer of these have been made in English. This full translation of Baba Rexheb's Islamic Mysticism and the Bektashi Path from its original Albanian is thus a unique addition to the literature on Bektashism in English, and a boon to those who seek to know more about this clearly enigmatic way." --- Vafi Baba  
**Mendimtare të Rilindjes Kombëtare** Logos-A  
 This eye-opening, insightful exploration of Sufism, the spiritual tradition that has supported Islam for more than a thousand years, shows why it offers a promising foundation for reconciliation between the Western and Muslim worlds. Many Americans today identify Islam with maniacal hatred of the West. The Other Islam transforms this image and opens the way to finding common ground in our troubled times. Sufism, a blend of the mystical and rational tendencies within Islam, emerged soon after the revelation of Muhammad. A reforming movement against the increasing worldliness of Muslim society, it focuses on Islam’s spiritual dimension. Described as “Islam of the Heart,” Sufism has attracted adherents among both Sunni and Shi’a Muslims, as well as Jews, Christians, Hindus, and Buddhists. In The Other Islam, Stephen Schwartz traces the origins and history of Sufism, elucidates its teachings, and illustrates its links to the other religions. He comments on such celebrated Sufi poets and philosophers as Rumi and Al-Ghazali, and narrates their influence on the Kabbalah, on the descendants of the Jewish philosopher Maimonides, and on Christian mystics like Saint John of the Cross and Saint Teresa of Ávila as well as the American transcendentalists. Furthermore, Schwartz presents a fresh survey of Sufism in today’s Islamic world, anticipating an intellectual renaissance of the faith and alternatives to fundamentalism and tyranny in Iraq, Saudi Arabia, Turkey, and Iran.  
*Gjuha shipe* HarperCollins Publishers  
 This is a detailed description of the various Sufi orders and movements which entered into the Balkans, the Crimean peninsula and other parts of Eastern Europe following the Ottoman conquests. Many of the Sufis came from Christian societies, principally from an Eastern Orthodox background, but others, such as the Bosnians, from churches that were accused or suspected of heterodoxy of belief and of antinomianism. These

beliefs, together with pre-Christian beliefs, influenced by Manicheanism, Dualism and pantheism, left their mark on Sufi Islam. The book concentrates on the Bosnians, Bulgarians, Albanians and Tatars. Their Sufism reflects their national aspirations, and their writings fuse their mysticism, national faith and folklore in a Sufism which is quite distinct from that in other regions of the Muslim world.

 Abstract: Heterodox mystics and heretics of any kind become sometimes dangerous and other times reliable, depending on political situations, as was the case with the Bektashis. The system of beliefs and practices related to Bektashism seems to have corresponded to a kind of liberation theology, whereas the structure of Bektashi groups corresponded more or less to the type of religious organization conventionally known as charismatic groups. It becomes understandable therefore that their spiritual tendency could at times connect with and meet social, cultural and national perspectives. In turn, when members of the previously persecuted religious minority will acquire a degree of religious and political respectability within society at large, the doctrines of heterodoxy and liberation theology fade into the background. In the end, the heirs of the heterodox promoters of spiritual reform and social movement turn into followers and faithful defenders of a legitimate authority. They become the sp

 "Other strange things occur. Mysterious events that are two thousand years, two centuries, or even two years old reemerge in daily life. The marriage of a girl and a snake is not just a legend but a news item - a cyclical event recurring every few hundred years that is as much a part of the modern as of the ancient world."
