Malvina is a happy, normal thirteen-year-old. She plays in the nearby abandoned villa with her best friend, and taunts the boys from the estate who go there too. One of the boys is persistent in his pursuit of her, and inadvertently stumbles across her secret. She is the one who has to take meals to her

recently widowed grandfather, and when he follows her on his bike, he realises that something is wrong. Her grandfather is very physically affectionate to her, but he touches her in places she dislikes, and his kisses to her are long and lingering. It is a long journey of developing trust and self-belief for her to grow enough to tell people what is really happening. She isn't a fussy teenager as her parents think: she needs adults to listen and take her seriously, and stop her grandfather. Blancanieves Carson-Dellosa Publishing

'Oh grandmama, what great big teeth you have!' Charles Perrault's versions gave classic status to the humble fairy tale, and it is in his telling that the stories of Little Red Riding-Hood, Sleeping Beauty, Cinderella and the rest have been passed down from the seventeenth century to the present day. Perrault's tales were enjoyed in the salons of Louis XIV as much as they were loved in the nursery, and it is their wit, humour, and lively detail that capture the imagination of adult and child alike. They transmute into vivid fantasies the hidden fears and conflicts by which children are affected: fears of

abandonment, or worse, conflicts with siblings and parents, and the trials of growing up. In addition to the familiar stories, this edition also includes the three verse tales — the troubling account of patient Griselda, the comic Three Silly Wishes, and the notorious Donkey-Skin. This translation by Christopher Betts captures the tone and flavour of Perrault's world, and the delightful spirit of the originals.
