Financial Accounting DeMYSTiFieD Palgrave Macmillan - UPDATED 2020 EDITION - New: Includes Chapter Summaries and Solutions to Practice Exercises - Cost Accounting concepts explained in a simplified way - Fundamentals and important principles included - Practical approach for application by business professionals - Solved examples with real-life business scenarios Cost Accounting & Management Essentials You Always Wanted To Know: Color Edition is an introduction to cost accounting for engineers and scientists moving into management roles. The book covers: - An introduction to cost accounting - Cost-Volume-Profit (CVP) analysis - Activity based Costing - Other aspects of cost allocation and control - Decision making using relevant information About the Series Cost Accounting & Management Essentials You Always Wanted To Know: Color Edition is part of the Self-Learning Management Series that helps working professionals moving into management roles. This Self Learning Management Series intends to give a jump start to working professionals, whose job roles demand to have the knowledge imparted in a B-school but haven't got a chance to visit one. This series is designed to address every aspect of business from HR to Finance to Marketing to Operations, be it any industry. Each book includes basic fundamentals, important concepts, standard and well-known principles as well as practical ways of application of the subject matter. The distinctiveness of the series lies in that all the relevant information is bundled in a compact form that is very easy to interpret. About the Author Kalpesh Ashar is a management consultant and corporate trainer holding an MBA (Dean's Award Winner) from SPJIMR, one of Asia's top business schools, and an Engineering degree with honors in Electronics. He has over 21 years of experience in large organizations and start-ups in Asia, USA, and Europe. Kalpesh has worked in several project management roles, like Senior Project Manager, Delivery Manager, and Program Manager. He is passionate about writing on management subjects. His techno-business background gives him a unique position to write on management topics that are easy to understand for non-MBA graduates. His books are authored in a simple to understand manner without unnecessary use of management jargons. About Vibrant Publishers Vibrant Publishers is focused on presenting the best texts for learning about technology and business as well as books for test preparation. Categories include programming, operating systems and other texts focused on IT. In addition, a series of books helps professionals in their own disciplines learn

the business skills needed in their professional growth. Vibrant Publishers has a standardized test preparation series covering the GMAT, GRE and SAT, providing ample study and practice material in a simple and well organized format, helping students get closer to their dream universities.

[Church Administration and Finance Manual](#) John Wiley & Sons

A field-tested guide to the management and finance of church congregations, revised for a new generation. Clergy are generally equipped to preach and provide spiritual care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. The Church Administration and Finance Manual is the classic guide to running a church, written to answer key questions for clergy and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. This revised edition offers guidance on many new topics that are of vital importance to churches, including protecting children, information security, approaches to preventing and responding to violence, planned giving, social media, and hybrid work and worship. Whether clergy are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.
