Taylor's Handbook of Clinical Nursing Skills
 Lippincott Williams & Wilkins
 Publisher's Note: Products purchased from 3rd Party sellers are not guaranteed by the Publisher for quality, authenticity, or access to any online entitlements included with the product. Taylor's Clinical Nursing Skills: A Nursing Process Approach Fifth Edition Pamela Lynn, EdD, MSN, RN
 Confidently meet the challenges of person-centered nursing practice! From basic nursing processes to advanced clinical

capabilities, Taylor's Clinical Nursing Skills: A Nursing Process Approach helps you hone your cognitive, technical, interpersonal, and ethical/legal capabilities and master patient interaction, clinical reasoning, and communication skills essential to safe and effective person-centered care. Step-by-step, evidence-based guidelines walk you through common practices and simplify complex procedures, accompanied by key considerations for documentation, delegation, and other tasks you'll encounter throughout the nursing process, from your first day on the job to every stage of your nursing career. Step-by-Step Skills are presented in a concise,

straightforward, and simplified two-column format facilitating competent performance of nursing skills. Scientific Rationales accompany each nursing action to promote a deeper understanding of the basic principles supporting nursing care. Unexpected Situations highlight abnormal outcomes while providing explanations of how to react to provide the best care. Evidence for Practice boxes present current best practice guidelines and up-to-date research relevant to the skills. A Nursing Process Framework integrates related nursing responsibilities for each of the five steps. Skill Variations provide clear, start-to-finish instructions for variations in equipment or technique.

Documentation Guidelines guide you through accurate documentation of skills and findings. Hand Hygiene icons alert you to this crucial step that prevents the spread of microorganisms. Patient Identification icons help you ensure the right patient receives the intervention and prevent errors. Delegation Considerations assist you in developing the critical decision-making skills needed to transfer responsibility for the performance of an activity to another individual.

Fundamentals of Nursing Ingram

"Fundamentals of Nursing: The Art and Science of Nursing Care, Seventh Edition, promotes nursing as an evolving art and science, directed to human health and well-being. It challenges students to cultivate the blended skills they will need to serve patients and the public well. Our aim is to prepare nurses who combine the highest level of scientific knowledge and technologic skill with responsible, caring practice. We want to challenge students to identify and master the cognitive and technical skills as well as the interpersonal and ethical/ legal skills they will need to effectively nurse the patients in their care"--Provided by publisher.

Taylor's Interactive Nursing Skills LWW
Revised to emphasize critical thinking, this Fifth Edition is the most engaging, student-friendly, and comprehensive fundamentals textbook for beginning nursing students. The unique, holistic "blended skills" approach to nursing care integrates technical, cognitive, ethical/legal, and interpersonal skills. Each Fifth Edition chapter opens with three real-world cases, which are used throughout the chapter as examples. Reflective Practice boxes written by Carol Taylor's students describe realistic situations and ask challenging questions. The updated coverage includes discussions of evidence-based practice and a new chapter on complementary and alternative modalities. A back-of-book CD-ROM has tutorials on NCLEX innovative items, and fluid and electrolyte balance. Now this text is available in a package with a student-version DVD of Taylor's Video Guide to Clinical Nursing Skills. Hosted by a nurse expert, this 17-module video program offers engaging reality-based footage, interviews with patients, caregivers, and nurses, and detailed step-by-step demonstration of skills. A unique feature of this video program is its coverage of unexpected situations, with a focus on how to appropriately respond when a skill deviates from the normal steps. Modules: Module 1: Vital Signs Module 2: Asepsis Module 3: Oral and Topical Medications Module 4: Injectable Medications Module

5: IV Medications Module 6: Perioperative Nursing Module 7: Hygiene Module 8: Skin Integrity and Wound Care Module 9: Activity Module 10: Nutrition Module 11: Urinary Elimination Module 12: Indwelling and Intermittent Catheters Module 13: Bowel Elimination Module 14: Oxygenation Module 15: Tracheostomy Care Module 16: IV Therapy Module 17: Central Venous Access Devices

Please note that this eBook does not include the DVD accompaniment. If you would like to have access to the DVD content, please purchase the print copy of this title. Now in its 3rd edition, Potter & Perry's Fundamentals of Nursing continues to be the definitive text for nursing students in our region. The new edition builds on the strengths of the highly successful previous editions with greater authorship, increased local research, evidence and concepts particular to the health care systems of Australia and New Zealand. Fully revised and updated by leading Australian and New Zealand nurse educators. It presents essential nursing skills in a clear format consistent with Australian and New Zealand practice, placing greater emphasis on critical thinking skill explanations, revised procedural recommendations, infection control considerations and updated medications information. Health Care Delivery System (Chapter 2) - now includes New Zealand content and walks the student through the evolution of health care delivery systems in our region. Engaging in Clinical Inquiry and Practice Development (Chapter 5) written by Jackie Crisp and Professor Brendan McCormack provides a contemporary perspective on the processes underpinning nursing knowledge development, utilisation and their role in the ongoing advancement of nursing practice. Managing Client Care (Chapter 20) is an exciting newly revised chapter that engages the student in exploring nursing issues in managing client care within the context of contemporary health care systems. New Chapter on Caring for the Cancer Survivor New Zealand Supplement Legal Implications of Nursing Practice Now includes evolve e-books Now students can search across Potter & Perry's Fundamentals of Nursing 3E electronically via a fully searchable online version. Students can take notes, highlight material and more. The e-book is included with this edition at no extra cost. New Resources for Students and Instructors on Evolve: Nursing Skills Online for Fundamentals of Nursing provides

students with 17 interactive modules which expand on textbook concepts, through the use of media rich animations. It encourages decision-making and critical-thinking skills through case-based and problem-oriented lessons. Nursing Skills Online for Fundamentals of Nursing may be purchased separately as a User guide & Access code (ISBN: 9780729539388) Online Study guide for students is an ideal supplement with Skills Performance Check lists designed to challenge students' abilities. Clinical knowledge can be further tested through additional short answer and review questions.

Lippincott Coursepoint Enhanced for Taylor's Fundamentals of Nursing LWW
The 'Skill Checklists for Fundamentals of Nursing' allows students to practice and record the mastery of each skill found in Taylor's 'Fundamentals of Nursing'. This workbook allows students to provide checklists designed to record every step of each procedure. This set of checklists is valuable as a self-assessment tool for students and a means for faculty to record student performance.

Taylor's Handbook of Clinical Nursing Skills CRC Press

This heavily illustrated and clearly written text details over 185 basic and advanced skills, and is specifically designed to correspond with Taylor's Fundamentals of Nursing, Seventh Edition for a consistent teaching/learning experience. The procedures and skills are outlined in a step-by-step manner that follows the nursing process format (with rationales), and includes documentation guidelines and samples; a new Evidence-based Practice Feature; and Unexpected Situations, which explain how to respond to unanticipated outcomes--a feature unique to this text.

Potter & Perry's Fundamentals of Nursing - Australian Version Lippincott Williams & Wilkins

This practical guide explores professional values in nursing, helping you to develop safe, compassionate, dignified, person-centred and evidence-based nursing practice. The emphasis of the book is on fundamental values of equality, dignity and caring. The authors discuss holistic nursing care, working in partnership with people and families, working collaboratively with the interprofessional team, vulnerability and safeguarding, challenging poor practice and promoting best practice. Features: Chapters linked to the Professional Values domain in the NMC Standards for pre-registration nursing education Strong evidence base to ensure best practice Accessible style with learning outcomes, practice scenarios, questions

and activities Relevant to all fields of nursing, with practice scenarios representing people across the lifespan and with different healthcare needs Professional Values in Nursing is a valuable resource for all nursing students, helping to embed professional values in their everyday practice.

Fundamentals of Nursing Lippincott Williams & Wilkins

Taylor's Handbook of Clinical Nursing Skills is a step-by-step guide to basic and advanced nursing skills. This book will be a quick reference tool for review of cognitive and technical knowledge and will assist students and practicing nurses to provide safe and effective healthcare. It is an ideal companion to any nursing skills or nursing fundamentals text, including Lynn, Taylor's Clinical Nursing Skills and Taylor, Fundamentals of Nursing: The Art and Science of Nursing Care.

Fundamentals of Nursing Plus Taylor's Video Guide to Clinical Nursing Skills Student Version

Lippincott Williams & Wilkins
