This and a "Quintetto for 2
flutes, viola, cello &

share an opus number,
but it turns out that the
Quintetto and this Trio are
the same piece - one may
be an arrangement of the
other - to judge from the
sound samples and
movement headings of
the quintetto, at least
(and listening to the
quintet up to a little
before B in the parts

given for the trio, one is further convinced of this...)
